Franklin Pierce Young Hickory Of The Granite Hills 2nd Ed

Leland R. Johnson

Franklin Pierce Young Hickory Of The Granite Hills 2nd Ed:

The Civil War and Reconstruction [Second Edition] Prof. J. G. Randall, Prof. David Donald, 2016-08-09 This is a revised edition by David Herbert Donald of his former professor J G Randall's book *The Civil War and Reconstruction* which was originally published in 1937 and had long been regarded as the standard work in its field serving as a useful basic Civil War reference tool for general readers and textbook for college classes This Second Edition retains many of the original chapters such as those treating border state problems non military developments during the war intellectual tendencies anti war efforts religious and educational movements and propaganda methods bearing evidence of Mr Randall's thoroughgoing exploration of the manuscripts and archives whilst it expands considerably on other original chapters such as those relating to the Confederacy Still other portions have been entirely recast or rewritten such as the pre war period chapters and Reconstruction chapters reflecting factual updates since Randall's original publication A must read for all Civil War students and scholars

The Presidency of Franklin Pierce Larry Gara, 1991 An examination of American expansionism and diplomacy during Pierce's administration

Engineers on the Twin Rivers Leland R. Johnson, 1978 *The Worlds of James Buchanan and Thaddeus Stevens* Michael J. Birkner, Randall M. Miller, John W. Quist, 2019-06-05 The Worlds of James Buchanan and Thaddeus Stevens examines the political interests relationships and practices of two of the era's most prominent politicians as well as the political landscapes they inhabited and informed Both men called Lancaster County Pennsylvania their home and both were bachelors During the 1850s James Buchanan tried to keep the Democratic Party alive as the slavery debate divided his peers and the political system Thaddeus Stevens meanwhile as Whig turned Republican invested in the federal government to encourage economic development and social reform especially antislavery and Republican Reconstruction Considering Buchanan and Stevens's divergent lives alongside their political and social worlds reveals the dynamics and directions of American politics especially northern interests and identities While focusing on these individuals the contributors also explore the roles of parties and patronage in informing political loyalties and behavior They further track personal connections across lines of gender and geography and underline the importance of details like who regularly dined and conversed with whom the complex social milieu of Washington the role of rumor in determining political allegiances and the ways personality and failing relationships mattered in a hothouse of national politics fueled by slavery and expansion The essays in *The Worlds of James Buchanan and Thaddeus Stevens* collectively invite further consideration of how parties personality place and private lives influenced the political interests and actions of an age affected by race religion region civil war and reconstruction

Dangerous Nation Robert Kagan, 2007-11-06 Most Americans believe the United States had been an isolationist power until the twentieth century This is wrong In a riveting and brilliantly revisionist work of history Robert Kagan bestselling author of *Of Paradise and Power* shows how Americans have in fact steadily been increasing their global power and influence from the beginning Driven by commercial territorial and idealistic ambitions the

United States has always perceived itself and been seen by other nations as an international force This is a book of great importance to our understanding of our nation s history and its role in the global community **Presidential Misconduct** James M. Banner Jr.,2019-07-02 Named a best book of the year by The Economist and Foreign Affairs A whole book devoted exclusively to the misconduct of American presidents and their responses to charges of misconduct is without precedent from the introduction to the 1974 edition by C Vann Woodward Pulitzer Prize winning Yale historian The historic 1974 report for the House Committee on the Judiciary updated for today by leading presidential historians In May 1974 as President Richard Nixon faced impeachment following the Watergate scandal the House Judiciary Committee commissioned a historical account of the misdeeds of past presidents The account compiled by leading presidential historians of the day reached back to George Washington s administration and was designed to provide a benchmark against which Nixon s misdeeds could be measured What the report found was that with the exception of William Henry Harrison who served less than a month every American president has been accused of misconduct James Buchanan was charged with rigging the election of 1856 Ulysses S Grant was reprimanded for not firing his corrupt staffer Orville Babcock in the Whiskey Ring bribery scandal and Franklin D Roosevelt s administration faced repeated charges of malfeasance in the Works Progress Administration Now as another president and his subordinates face an array of charges on a wide range of legal and constitutional offenses a group of presidential historians has come together under the leadership of James M Banner Jr one of the historians who contributed to the original report to bring the 1974 account up to date through Barack Obama s presidency Based on current scholarship this new material covers such well known episodes as Nixon s Watergate crisis Reagan s Iran Contra scandal Clinton s impeachment and George W Bush s connection to the exposure of intelligence secrets But oft forgotten events also take the stage Carter s troubles with advisor Bert Lance Reagan s savings and loan crisis George H W Bush s nomination of Clarence Thomas to the Supreme Court and Obama s Solyndra loan controversy The only comprehensive study of American presidents misconduct and the ways in which chief executives and members of their official families have responded to the charges brought against them this new edition is designed to serve the same purpose as the original 1974 report to provide the historical context and metric against which the actions of the current administration may be assessed **A Companion to the Reconstruction Presidents, 1865 - 1881** Edward O. Frantz,2014-03-24 A Companion to Reconstruction Presidents presents a series of original essays that explore a variety of important issues themes and debates associated with the presidencies of Andrew Johnson Ulysses S Grant and Rutherford B Hayes Represents the first comprehensive look at the presidencies of Johnson Grant and Hayes in one volume Features contributions from top historians and presidential scholars Approaches the study of these presidents from a historiographical perspective Key topics include each president s political career foreign policy domestic policy military history and social context of their terms in office **The Rehabilitation of the Col. Robert Means Mansion, Amherst, New Hampshire , *Hatred of America's Presidents* Lori Cox**

Han,2018-06-15 This work examines expressions of personal hostility and animosity toward presidents even beloved ones throughout American history and their impact on policymaking politics and culture People involved or simply interested in politics often ask whether today s political environment is more toxic than ever before *Hatred of America s Presidents Personal Attacks on the White House from Washington to Trump* presents an impartial and authoritative history of invective toward the White House so readers can determine the answer for themselves The book focuses on the most representative and commonplace attacks of a vitriolic and personal nature detailing who instigated and trafficked in the attacks and how presidents administrations and political parties defended themselves It also illustrates how honest disagreements about policy such as FDR s New Deal Ronald Reagan s Central America policies George W Bush s invasion of Iraq and Barack Obama s Affordable Care Act fueled expressions of hatred and condemnation Finally the book includes perspectives from both the right and the left on the legitimacy of these attacks and the victims defenses as well as their impact on American politics and policy

Railroads Triumphant Albro Martin,1992-01-02 When the United States was born the nation was a thin ribbon of settlement along the Atlantic coast limited to the waterways by the expense and slow pace of land transportation Within a hundred years America spanned a continent held together by a vast network of railroads In this panoramic history of American railways Albro Martin shows how the railroad was the most fundamental innovation in American material life For the first time farms industries and towns could leave natural waterways behind and locate anywhere It was our first major industry spurring on the growth of all other industries including coal steel flour milling and commercial farming In an engaging narrative Martin tells how it established such major cities as Chicago influenced urban design and transformed communications This book captures all the dramatic history of the rails from the exciting spread across the continent through late twentieth century decline to the triumphant rebirth of recent years Thoughtful and colorful by turn this insightful history illuminates the impact of the railroad on our lives

Troubled Waters Paul F. Paskoff,2007 In *Troubled Waters* Paul F Paskoff offers a comprehensive examination of the federal government s river improvements program which aimed to reduce hazards to navigation on the great rivers of America s interior during the early and mid nineteenth century Danger on the rivers came in a variety of forms Shoals rapids ice rocks sandbars and uprooted trees and submerged steamboat wrecks lodged in river beds were the most common perils and accounted for the largest number of steamboat disasters As such improving the safety and efficiency of the nation s waterways was consistently at the forefront of political and economic discussions of the day

American Christianity Stephen Cox,2014-04-15 This wide ranging study examines the ever evolving forms of Christianity in the US and why this constant reinvention is a vital part of American faith Christianity takes an astonishing variety of forms in America from traditional chapels to modern megachurches from evangelical fellowships to social action groups and from Pentecostal faith to apocalyptic movements Stephen Cox argues that radical and unpredictable change is one of the few dependable features of Christianity in America It is in a necessary and ongoing state of revolution

and has been throughout our history Cox explores how both Catholic and Protestant churches have evolved in ways that would make them seem alien to their past adherents He traces the rise of uniquely American movements from the Mormons to the Seventh day Adventists and Jehovah's Witnesses and brings to life the vivid personalities Aimee Semple McPherson Billy Sunday and many others who have taken the gospel to the masses Cox also sheds new light on such issues as American Christians constantly changing political involvements their controversial revisions in the style and substance of worship and their chronic expectation that God is about to intervene conclusively in human life Asserting that a church that doesn't promise new beginnings can never prosper in America Cox demonstrates that American Christianity must be seen not as a sociological phenomenon but as the ever changing story of individual seekers

The Origins of the Republican Party, 1852-1856 William E. Gienapp, 1987 The 1850s saw in America the breakdown of the Jacksonian party system in the North and the emergence of a new sectional party the Republicans that succeeded the Whigs in the nation's two party system This monumental work uses demographic voting and other statistical analysis as well as the more traditional methods and sources of political history to trace the realignment of American politics in the 1850s and the birth of the Republican party Gienapp powerfully demonstrates that the organization of the Republican party was a difficult complex and lengthy process and explains why even after an inauspicious beginning it ultimately became a potent political force The study also reveals the crucial role of ethnocultural factors in the collapse of the second party system and thoroughly analyzes the struggle between nativism and antislavery for political dominance in the North The volume concludes with the decisive triumph of the Republican party over the rival American party in the 1856 presidential election Far reaching in scope yet detailed in analysis this is the definitive work on the formation of the Republican party in antebellum America Publisher description

American First Ladies Lewis L. Gould, 2014-02-04 This volume presents thirty nine interpretive biographical essays on all first ladies from Martha Washington to America's newest First Lady Laura Bush This new edition contains updated material on all the living First Ladies and updated bibliographies for each entry as well as a portrait of the newest First Lady

The ^ASlaveholding Republic the late Don E. Fehrenbacher, 2002-12-19 Many leading historians have argued that the Constitution of the United States was a proslavery document But in *The Slaveholding Republic* one of America's most eminent historians refutes this claim in a landmark history that stretches from the Continental Congress to the Presidency of Abraham Lincoln Fehrenbacher shows that the Constitution itself was more or less neutral on the issue of slavery and that in the antebellum period the idea that the Constitution protected slavery was hotly debated many Northerners would concede only that slavery was protected by state law not by federal law Nevertheless he also reveals that U S policy abroad and in the territories was consistently proslavery Fehrenbacher makes clear why Lincoln's election was such a shock to the South and shows how Lincoln's approach to emancipation which seems exceedingly cautious by modern standards quickly evolved into a Republican revolution that ended the anomaly of the United States as a slaveholding republic

The Personal Memoirs of

Ulysses S. Grant Ulysses S. Grant, 2017-10-16 This is the first complete annotated edition of Grant's memoirs fully representing the great military leader's thoughts on his life and times through the end of the Civil War including the antebellum era and the Mexican War and his invaluable perspective on battlefield decision making An introduction contextualizes Grant's life and significance

Mint Juleps with Teddy Roosevelt Mark Will-Weber, 2014-10-20 Stroll through our country's memorable moments from George Washington at Mount Vernon to the days of Prohibition from impeachment hearings to nuclear weapons negotiations and discover the role that alcohol played in all of them with Mark Will Weber's *Mint Juleps with Teddy Roosevelt* The Complete History of Presidential Drinking As America transformed from fledgling nation to world power one element remained constant alcohol The eighteenth century saw the Father of His Country distilling whiskey in his backyard The nineteenth century witnessed the lavish expenses on wine by the Sage of Monticello Honest Abe's inclination toward temperance and the slurred speech of the first president to be impeached Fast forward to the twentieth century and acquaint yourself with Woodrow Wilson's namesake whisky FDR's affinity for rum swizzles and Ike's bathtub gin What concoctions can be found in the White House today Visit the first lady's beehives to find out In *Mint Juleps with Teddy Roosevelt* you'll learn Which Founding Fathers had distilleries in their backyards The teetotalers versus the car totalers Whose expensive tastes in vintages led to bankruptcy Which commanders in chief preferred whiskey to whisky The 4 C's Cointreau claret Campari and cocktails The first ladies who heralded the hair of the dog and those who vehemently opposed it The preferred stemware snifter or stein Which presidents and staff members abstained imbibed or overindulged during Prohibition Recipes through the ages favorites including the Bermuda Rum Swizzle Missouri Mule and Obama's White House Honey Ale So grab a cocktail and turn the pages of *Mint Juleps with Teddy Roosevelt* for a unique and entertaining look into the liquor cabinets and the beer refrigerators of the White House Cheers

Power and Stability Erik Goldstein, Brian McKercher, 2004-06-01 The pursuit of stability drove British foreign policy even before 1865 These papers assess the implications of such a policy during the following 100 years when Britain slid from being the only global power to a regional European state

Politics and America in Crisis Michael Green, 2009-12-30 This book unravels the political developments that made the Civil War unavoidable *Politics and America in Crisis* The Coming of the Civil War examines the developments between 1846 and 1861 that pushed the nation to war to see what they reveal about the North the South the people leading them and the issues separating them As shown here in the decade and a half before the actual outbreak of the war the mostly southern Democratic Party's fortunes veered from a presidential election victory in 1852 to the shocking loss of Abraham Lincoln in 1860 an event that marked the coming of age of the young antislavery Republican Party In examining that sharp reversal *Politics and America in Crisis* covers a wide range of key events including efforts to ban slavery in territories won in the Mexican American War the Dred Scott decision and John Brown's raids

First Lady of the Confederacy Joan E. Cashin, 2009-07-01 When Jefferson Davis became president of the Confederacy his wife Varina

reluctantly became the First Lady Pro slavery but also pro Union Varina Davis was inhibited by her role as Confederate First Lady and unable to reveal her true convictions Cashin offers a portrait of a fascinating woman struggling with the constraints of time and place

While this might not be the Franklin Pierce Young Hickory Of The Granite Hills 2nd Ed full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Franklin Pierce Young Hickory Of The Granite Hills 2nd Ed eBooks, including some popular titles.

FAQs About Franklin Pierce Young Hickory Of The Granite Hills 2nd Ed Books

What is a Franklin Pierce Young Hickory Of The Granite Hills 2nd Ed PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Franklin Pierce Young Hickory Of The Granite Hills 2nd Ed PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Franklin Pierce Young Hickory Of The Granite Hills 2nd Ed PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Franklin Pierce Young Hickory Of The Granite Hills 2nd Ed PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Franklin Pierce Young Hickory Of The Granite Hills 2nd Ed PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
