## **Free Alone And Going:**

I'd rather be alone and free than locked up together SVEN LENDERINK,2024-07-09 This book takes you on my personal journey through one of the world's most rigid religions Jehovah's Witnesses From my early childhood I share my experiences within this tightly controlled world where later in life I began to question and confront my inner struggles You will gain a unique insight into the faith that promised us that God would soon intervene and that we his devoted followers would be rewarded with a paradisiacal existence But this utopia demands sacrifices strict obedience to rules and shielding oneself from many worldly temptations For a child in this isolated community life is already a challenge but growing up and finding one's way to adulthood brings new obstacles Do I doubt everything I've been taught Do I want to continue down this path Is escape even an option If so what price must I pay What follows is an emotional journey that begins at a young age Voicing my doubts would mean being ostracized from my community Family and friends could turn their backs on me Literally everything is at stake Ultimately I face a pivotal choice Do I remain trapped in this world or do I choose freedom Whichever path I take it will forever change my life
