Anthology of Magazine Verse and Anthology of Poems from the Seventeen Previously Published Braithwaite Anthologies, 1917 *Harper's Anthology of Twentieth Century Native American Poetry* Duane Niatum, 1988-05-14 Representing the work of thirty one poets since the turn of the century this is the definitive anthology of Native American poetry On Anthologies Jeffrey R. Di Leo, 2004-01-01 Over the course of the past twenty five years anthologies have shifted from playing a relatively minor role in academic culture to a position of dominance The essays in this collection explore the significant intellectual economic political pedagogical and creative resonance of anthologies through all levels of academic life They show that anthologies have consequences and are grounded in commitments Striving to articulate these consequences and commitments is a priority in higher education today Most of the contributors to this volume are editors of anthologies and they draw on personal experiences to provide a rare glimpse into the economics and logic of anthology publication Their essays illustrate the ways in which editing an anthology involves negotiation and compromise between intellectual ideal and realistic practice On Anthologies includes discussion of a wide range of anthologies used and produced by teachers and scholars Though the emphasis is on literature and theory anthologies the insights in this volume speak to professionals in all areas of academic life Collectively these essays establish the foundation for continuing critical analysis of anthology production and consumption in all disciplines Paradox for Life Review James J. Magee, 2013-10-21 Paradox for Life Review explains how older adults levels of self esteem become the lens through which they review their reminiscences It shows how three bases for self esteem the epigenetic self the family scripted self and the metaphysical self affect the accuracy of this lens It then describes how life review groups have used paradoxes drawn from poetry drama word play intergenerational family dynamics Eastern and Western mystical traditions and personal life experiences to enable members to discover new lenses for accepting their history with compassion and wisdom The book uses the reminiscences of forty two

older adults to illustrate the positive influence of these paradoxes in integrating their personal history with a sense of purpose for their future

American Mythologies William Blazek, Michael K. Glenday, 2005-01-01 This challenging new book looks at the current reinvention of American Studies a reinvention that among other things has put the whole issue of just what is American and what is American Studies into contention The collection focuses in particular on American mythology The editors themselves have written essays that examine the connections between mythologies of the United States and those of either classical European or Native American traditions William Blazek considers Louise Erdrich's Love Medicine novels as chronicles combining Ojibwa mythology and contemporary U S culture in ways that reinvest a sense of mythic identity within a multicultural postmodern America Michael K Glenday's analysis of Jayne Anne Phillips work and explores in it the contexts where myth and dream interact with each other Betty Louise Bell is one of four essayists in this collection who focus their criticism on authors of Native American heritage In the first part of Indians with Voices Bell carefully argues that Roy Harvey Pearce's seminal Native American studies text Savagism and Civilization fails to acknowledge its white elitist assumptions about what constitutes The American Mind and views Native Americans along a primitive savage binary that helped to create a twentieth century national mythos of innocence and destiny Other essays include Christopher Brookeman's study of the impact of Muhammad Ali on Norman Mailer's non fiction writing about heavyweight boxing

Ecological Literature and the Critique of Anthropocentrism Bryan L. Moore, 2017-10-14 This book is an analysis of literary texts that question critique or subvert anthropocentrism the notion that the universe and everything in it exists for humans Bryan Moore examines ancient Greek and Roman texts medieval to twentieth century European texts eighteenth century French philosophy early to contemporary American texts and poetry and science fiction to demonstrate a historical basis for the questioning of anthropocentrism and contemplation of responsible environmental stewardship in the twenty first century and beyond Ecological Literature and the Critique of Anthropocentrism is essential reading for ecocritics and ecofeminists It will also be useful for researchers interested in the relationship between science and literature environmental philosophy and literature in general

American Indian Literature Kimberly Wieser-Weryackwe, 2025-07-10 Discover the essential people works movements and themes in American Indian literature American Indian literature is a varied and vibrant collection of Indigenous artistic expression American Indian novelists poets essayists and critics have over the last four centuries asserted powerful forms of intellectual and artistic sovereignty writing in English while building on discrete tribal oral traditions and forms of storytelling This encyclopedia introduces readers to the key historical and contemporary figures in American Indian literature and their defining works From the fiery sermons of Methodist minister William Apsess to the Pulitzer Prize winning novel House Made of Dawn by N Scott Momaday to the critically acclaimed and commercially successful novels of Louise Erdrich this book illustrates the indelible and influential imprint American Indians have on the landscape of American letters Readers are also introduced to the key themes and context of American Indian literature exploring how it is inextricable from
