HIS-STORY ON HOW THE WORD CAME TO BE Randall Cripps, 2012-08-31 Every faith in the world is based on fabrication That is the definition of faith acceptance of that which we imagine to be true that which we cannot prove Every religion describes God through metaphor allegory and exaggeration from the Early Egyptians through modern Sunday school Metaphors are a way to help our minds process the Unprocessable The problems arise when we begin to believe literally in our own metaphors Religious allegory has become a part of the fabric of reality And living in that reality helps millions of people cope and be better people **Torah Commentary for Our Times** Harvey J. Second Witness: Analytical and Contextual Commentary on the Book of Mormon Brant A. Gardner, 2007-09-01 Stop looking for the Book of Mormon in Mesoamerica and start looking for Mesoamerica in the Book of Mormon Second Witness a new six volume series from Greg Kofford Books takes a detailed verse by verse look at the Book of Mormon It marshals the best of modern scholarship and new insights into a consistent picture of the Book of Mormon as a historical document Taking a faithful but scholarly approach to the text and reading it through the insights of linguistics anthropology and ethnohistory the commentary approaches the text from a variety of perspectives how it was created how it relates to history and culture and what religious insights it provides The commentary accepts the best modern scholarship which focuses on a particular region of Mesoamerica as the most plausible location for the Book of Mormon's setting For the first time that location its peoples cultures and historical trends are used as the backdrop for reading the text The historical background is not presented as proof but rather as an explanatory context The commentary does not forget Mormon's

purpose in writing It discusses the doctrinal and theological aspects of the text and highlights the way in which Mormon created it to meet his goal of convincing the Jew and Gentile that Jesus is the Christ the Eternal God Heirs of Abraham
Barbara Johnson Witcher,2013-08 More than ever before today s news brings Middle Eastern wars into our homes as the animosity between the Arab world and Israel escalates Will they ever have peace everyone asks Attempting to answer that question Heirs of Abraham is a historical family saga stretching over a time span of almost four thousand years It follows the lives of the Biblical nomad Abraham who is the foundation of the world s three great religions Islam Judaism and indirectly Christianity and his two sons There is Ishmael born of an Egyptian slave whose descendants are today s Arabs And there is Isaac son of Abraham s beloved wife and the Jews patriarch Set against the backdrops of Ancient Mesopotamia Egypt and Israel of wars and famines goat haired tents and kings palaces this is a saga of real people whose actions will have an everlasting effect on all future generations and worlds First there is Abraham who struggles with faith power love and cowardice There are his women Sarah the wife and Hagar the slave whose jealous love for him and hatred of each other never die Finally there are the two brothers who have been pitted against each other for thousands of years in the age old battle for the land now known as the State of Israel Yet most of all Heirs of Abraham faithfully following the Holy Bible s accounting in Genesis is a dramatic reminder of God s love for all people
