Harry And Tonto:

Roger Ebert's Four Star Reviews--1967-2007 Roger Ebert, 2008-02 Presents a collection of the critic's most positive film reviews of the last four decades arranged alphabetically from *About Last Night* to *Zodiac* **American Jewish Filmmakers** David Desser, Lester D. Friedman, 2004 In this updated second edition David Desser and Lester D. Friedman demonstrate how the Jewish experience gives rise to an intimately linked series of issues in the films of these and other significant Jewish directors Harry and Tonto Josh Greenfeld, 1974 *Paul on Mazursky* Sam Wasson, 2012-01-01 Paul Mazursky's nearly twenty films as writer-director represent Hollywood's most sustained comic expression of the 1970s and 1980s But they have not been given their due perhaps because Mazursky's films both sincere and ridiculous realistic and romantic are pure emotion This makes films like *Bob Carol Ted Alice* *An Unmarried Woman* and *Enemies A Love Story* difficult to classify but that's what makes a human comedy human In the first ever book-length examination of one of America's most important and least appreciated filmmakers Sam Wasson sits down with Mazursky himself to talk about his movies and how he makes them Going over Mazursky's oeuvre one film at a time interviewer and interviewee delve into the director's life in and out of Hollywood laughing talking and above all else feeling like Mazursky's people always do The book includes a filmography and never before seen photos **Art Carney** Michael Seth Starr, 2002-04 Applause Books A clear and well-written portrait of a superb performer and a wonderful human being with emphasis on the word human The New York Times Book Review He was one of the most beloved stars of television's golden age Together with his legendary partner Jackie Gleason Art Carney helped create some of the most dazzling and unforgettable comedy ever presented on the small screen Carney was an agile rubber-limbed dancer and comedian whose sweetness and unassuming nature concealed the passion and power of a brilliant often underappreciated actor The partnership formed by Carney and Gleason as Brooklyn bus driver Ralph Kramden and his dim-witted pal sewer worker Norton remains to this day the most powerful and memorable comedic union ever conceived for television How this song and dance man and show business recluse began his career as well as the detours lucky breaks triumphs and heartbreaks Carney encountered along the way is the subject of this fascinating in-depth biography by author and New York Post editor Michael Seth Starr ART CARNEY tells the story of a complex man and an enduring television legend who gave the world the most extraordinary gift of all the gift of laughter The Hero's Farewell Jeffrey Sonnenfeld, 1991 The Marxist prediction that capitalist bureaucracy must inevitably neutralise individualistic leadership in industry has been disproved over and over by the careers of industrial superstars from Andrew Carnegie to Henry Ford Lee Iacocca Estee Lauder and David Rockefeller all of whom could be described as having made their own personal stamp on their respective businesses Arguing that personality can also affect the departure styles of retiring CEOs Sonnenfeld defines four principle types Monarchs Generals Ambassadors and Governors The personality of each type is outlined in interviews with real-life business leaders and illustrated with numerous pithy anecdotes making *The Hero's*

Coming of Age in Films Mario Garrett, 2019-02-14 The story of films is the story of human development From the very first story that defined the birth of our civilization the Sumerian Epic of Gilgamesh a story of immortality aging and death comes a tale of why we age We are a species of storytellers The stories we tell to each other define who we are However since we are living in a world marked by age apartheid our interaction with people across different generations is becoming more limited As a result the information we gain about older people comes mostly from secondary sources For the general public films remain the most accessible form of information regarding getting older From the early exposure of cartoons to more elaborate dramas our knowledge of what it means to become old relies on our exposure to films This volume provides insight into how accurate these representations are in line with current knowledge that we have about aging and older adults Arguing that films present a simplified view of aging this analysis relies on scientific evidence to explore why and how such stereotypes affect us Stereotypes have the ability of being internalized and becoming prescriptive of our behavior Numerous studies have attempted different ways of understanding the impact films have on aging Theories as seemingly disparate as feminism and disability have contributed to our understanding of how stereotypes influence our aging process This text builds upon this knowledge and provides new insights by applying current gerontological knowledge the science of aging to unpack and analyze the images of aging that films are providing By readdressing this focus on gerontological theories as diverse as biology and psychology the book readdresses an overlooked approach

Shakespeare is a savvy look at the wide range of adaptations spin offs and citations of Shakespeare's plays in 1990s popular culture. What does it say about our culture when Shakespearean references turn up in television episodes of *The Brady Bunch* and *Gilligan's Island* films such as *In and Out* and *My Own Private Idaho* and hardcore porn adaptations of *Hamlet* and *Romeo and Juliet*? Burt reads the reception of these often quite bad replays in relation to contemporary youth culture and the queering of Shakespeare.

Shakespeare in the Movies Douglas Brode, 2000-04-27 Shakespeare is now enjoying perhaps his most glorious certainly his most popular filmic incarnation. Indeed the Bard has been splashed across the big screen to great effect in recent adaptations of *Hamlet*, *Henry V*, *Othello*, *Twelfth Night*, *Romeo and Juliet*, *Much Ado About Nothing*, *Richard II*, *A Midsummer Night's Dream* and of course in the hugely successful *Shakespeare in Love*. Unlike previous studies of Shakespeare's cinematic history *Shakespeare in the Movies* proceeds chronologically in the order that plays were written allowing the reader to trace the development of Shakespeare as an author and an auteur and to see how the changing cultural climate of the Elizabethans flowered into film centuries later. Prolific film writer Douglas Brode provides historical background, production details, contemporary critical reactions and his own incisive analysis covering everything from the acting of Marlon Brando, Laurence Olivier, Richard Burton and Gwyneth Paltrow to the direction of Orson Welles, Kenneth Branagh and others. Brode also considers the many films which though not strict adaptations contain significant Shakespearean content such as *West Side Story* and Kurosawa's *Ran* and *Throne of Blood*. Nor does Brode ignore the ignoble treatment the master has sometimes received. We learn for instance that the 1929 version of *The Taming of the Shrew* which featured the eyebrow-raising writing credit 'By William Shakespeare with additional dialogue by Sam Taylor' opens not so trippingly on the tongue. PETRUCHIO: Howdy, Kate. KATE: Katherine to you, mug. For anyone wishing to cast a backward glance over the poet's film career and to better understand his current big screen popularity *Shakespeare in the Movies* is a delightful and definitive guide.

The reviews eloquent, incisive and intuitive reflect Hollywood history at its best. Must have reading for movie lovers or students. In addition, this essential volume includes full cast and production credits for every movie, The 10 Best lists for every year from 1931 to the present, An index of films by genre and an index of foreign films by country of origin.
