Harry S. Truman Brian Burnes,2003      **Harry S. Truman** Robert H. Ferrell,2013-07-22 Few U S presidents have captured the imagination of the American people as has Harry S Truman the man from Missouri In this major new biography Robert H Ferrell widely regarded as an authority on the thirty third president challenges the popular characterization of Truman as a man who rarely sought the offices he received revealing instead a man who with modesty commitment to service and basic honesty moved with method and system toward the presidency Truman was ambitious in the best sense of the word His powerful commitment to service was accompanied by a remarkable shrewdness and an exceptional ability to judge people He regarded himself as a consummate politician a designation of which he was proud While in Washington he never succumbed to the Potomac fever that swelled the heads of so many officials in that city A scrupulously honest man Truman exhibited only one lapse when at the beginning of 1941 he padded his Senate payroll by adding his wife and later his sister From his early years on the family farm through his pivotal decision to use the atomic bomb in World War II Truman s life was filled with fascinating events Ferrell s exhaustive research offers new perspectives on many key episodes in Truman s career including his first Senate term and the circumstances surrounding the Truman Doctrine and the Marshall Plan In addition Ferrell taps many little known sources to relate the intriguing story of the machinations by which Truman gained the vice presidential nomination in 1944 a position which put him a heartbeat away from the presidency No other historian has ever demonstrated such command over the vast amounts of material that Robert Ferrell brings to bear on the unforgettable story of Truman s life Based upon years of research in the Truman Library and the study of many never before used primary sources Harry S Truman is destined to become the authoritative account of the nation s favorite president      **The Man from Missouri** Cyril Clemens,1945      **The Man from Missouri. **Truman's Crises** Harold F. Gosnell,1980-03-27

**Plain Speaking** Merle Miller,2018-04-24 Never has a President of the United States or any head of state for that matter

been so totally revealed so completely documented Robert A Arthur Plain Speaking is the bestselling book based on conversations between Merle Miller and the thirty third President of the United States Harry S Truman From these interviews as well as others who knew him over the years Miller transcribes Truman s feisty takes on everything from his personal life military service and political career to the challenges he faced in taking the office during the final days of World War II and the beginning of the Cold War Using a series of taped discussions from 1962 that never aired on television Plain Speaking takes an opportunity to deliver exactly how Mr Truman felt about the presidency and his thoughts in his later years on his accomplishments and the legacy he left behind The values of Plain Speaking on the whole are those of the highest form of political communication the bull session As with all good bull sessions what is said here ranges widely in quality and seriousness as one should expect when dealing with a complex man The New York Times Plain Speaking has a nostalgic downhome quality of good friends gossiping over the back fence or saying their piece of a twilight eve rocking on the porch and if those fellas back in Washington have their secret machines running well they won t like what they overhear Not one little bit Kirkus Reviews     The Autobiography of Harry S. Truman Harry S. Truman,1980 The Autobiography of Harry S Truman is a compilation of autobiographical writings composed by Truman between 1934 and 1972 Taken directly from his own manuscript material the volume presents the thoughts and feelings of the man himself The book touches on details in Truman s life from his days as a boy until graduation from Independence High School in 1901 to the vice presidency of the United States and beyond There is also a memorandum written by Truman about the Pendergast machine in Kansas City telling how it was possible to work with the machine and not be soiled by it The Autobiography concludes with some of the retired president s thoughts about politics and the purposes of public life Copyright Libri GmbH All rights reserved

*Beautiful Is America* Louis Kates,2017-05-17 My passion and inspiration for writing Beautiful Is America was inspired by a young lady by the name of Dorothy Washington who asked me to take her wedding pictures This was a dream come true During that time I owned a Polaroid camera and was not prepared for taking pictures Dorothy said it was all she could afford This was the beginning of my photography career I have been taking pictures from that day to the present As I continued to pursue my dream I decided that I would like to start a business in photography and the name of the business would be L K Photography I begin to take wedding pictures school pictures pictures at church conventions and souvenir pictures After working over forty years as a photographer I retired from General Motors with thirty four years of service My wife retired from St John Hospital after twenty eight years of service We moved to Powder Springs Georgia after retirement Once again I started a new business in Georgia and changed the name to L K Photoshop My wife and I began to work with day care services We had fourteen day care clients We retired five years later for the second and final time God has blessed us in the past and continues to do so We are very blessed to be able to travel and see beautiful scenery around the world We have traveled to all fifty states enjoying and taking pictures of rock formations magnificent waterfalls lighthouses the US

Presidential Library and Museums and historic sites It is a joy and our desire to share this book with family and friends and the people of this great country **Prologue** ,1999 *Harry Truman* Joseph Greene,2023-01-24 HARRY TRUMAN Like all Presidents of the United States Harry Truman made both good and bad decisions Both of these types of choices had lasting effects on our country and its foreign relations As you will soon discover Truman served as President during some of the most challenging times in the history of the United States He was sworn in during the 2nd World War and as such had a lot of difficult decisions to make during a time of tumult especially when the war was nearing its end Many of his decisions both during the war and afterwards are hotly debated to this day This biography of our 33rd President is not here to only focus on the good and ignore the bad It s here to portray the facts showcase what Harry S Truman had to deal with in the Oval Office as well as outline the steps in his early life that took him to the Presidency This book also covers his life after the Presidency and details how he transitioned from making decisions that affected a whole nation to back to being a regular Joe The Atomic Bomb President Michael Brown,2023-10-03 The Atomic Bomb President The Life and Times of Harry Truman Step into the fascinating world of Harry S Truman a leader whose life and presidency were defined by momentous decisions and the atomic age The Atomic Bomb President The Life and Times of Harry Truman takes you on an immersive journey through the remarkable life of the 33rd President of the United States revealing the complexities of a man thrust into history s spotlight during some of the most critical moments of the 20th century In this meticulously researched and beautifully narrated biography you ll follow Truman s extraordinary path from his modest upbringing in Independence Missouri to the corridors of power in Washington D C You ll witness his experiences as a soldier in World War I his entry into local politics and his rise through the ranks to become a U S Senator But it s Truman s transformative presidency that takes center stage Delve into the moral and ethical dilemmas he faced as he grappled with the decision to authorize the use of atomic weapons on Hiroshima and Nagasaki effectively ending World War II Explore his role in the formation of the United Nations the implementation of the Marshall Plan and the early years of the Cold War The Atomic Bomb President offers a nuanced portrayal of Truman s leadership style characterized by transparency accountability and a deep commitment to the American people Discover his efforts to advance civil rights and his dedication to fostering a more just and equitable society Through the pages of this book you ll gain a fresh perspective on a leader who left an indelible mark on the world stage shaping the course of history during an era of unprecedented challenges Truman s legacy is one of enduring impact and a reminder that leadership is often defined by the courage to make difficult decisions in the face of profound moral and ethical dilemmas If you re intrigued by history the atomic age and the complexities of leadership The Atomic Bomb President is a compelling and enlightening read that offers a deeper understanding of Harry S Truman and his pivotal role in shaping the post war world
