## **Harry Seidler Australian Embassy Ambassade Daustralie Paris:**

**Ambassade D'Australie, Paris** Peter Blake, Harry Seidler, 1979      **The Australian Embassy in Tokyo and Australia-Japan Relations** Kate Darian-Smith, David Lowe, 2023-03-02 Relations between Australia and Japan have undergone both testing and celebrated times since 1952 when Australia's ambassadorial representation in Tokyo commenced. Over the years interactions have deepened beyond mutual trade objectives to encompass economic defence and strategic interests within the Indo Pacific region and beyond. This special relationship has been characterised by the high volume of people moving between Australia and Japan for education, tourism, business, science and research. Cultural ties from artists in residence to sister city agreements have flourished. Australia has supported Japan in times of need including the aftermath of the 2011 Tohoku earthquake. This book shows how the Australian embassy in Tokyo through its programs and people has been central to these developments. The embassy's buildings, its gardens and grounds and above all its occupants from senior Australian diplomats to locally engaged staff are the focus of this multidimensional study by former diplomats and expert observers of Australia's engagement with Japan. Drawing on oral histories, memoirs and archives, this volume sheds new light on the complexity of Australia's diplomatic work in Japan and the role of the embassy in driving high level negotiations as well as fostering soft power influences. With a similar vision for the Indo Pacific region and a like minded approach to the challenges facing us, Australia and Japan have become more intimate and more strategic as partners. I am very pleased to see this slice of Australian diplomatic history so well accounted for in this book. Jan Adams AO PSM Secretary Australian Department of Foreign Affairs and Trade, Australia's Ambassador to Japan, November 2020, June 2022      *Harry Seidler* Peter Blake, 1983-03-01      **Harry Seidler** Harry Seidler, Stephen Dobney, 1997 This volume records Harry Seidler's unique vital contribution to 20th century architecture, art and design. **BOOK JACKET**      **The Politics of Furniture** Freddie Floré, Cammie McAtee, 2017-02-10 In many different parts of the world, modern furniture elements have served as material expressions of power in the post-war era. They were often meant to express an international and in some respects apolitical modern language but when placed in a sensitive setting or a meaningful architectural context, they were highly capable of negotiating or manipulating ideological messages. The agency of modern furniture was often less overt than that of political slogans or statements but as the chapters in this book reveal, it had the potential of becoming a persuasive and malleable ally in very diverse politically charged arenas including embassies, governmental ministries, showrooms, exhibitions, design schools, libraries, museums and even prisons. This collection of chapters examines the consolidating as well as the disrupting force of modern furniture in the global context between 1945 and the mid 1970s. The volume shows that the key to understanding this phenomenon is the study of the national as well as transnational systems through which it was launched, promoted and received. While some chapters squarely focus on individual furniture elements as vehicles communicating political and social meaning, others consider the role of furniture within potent sites that demand careful negotiation, whether between

governments cultures or buyer and seller In doing so the book explicitly engages different scholarly fields design history history of interior architecture architectural history cultural history diplomatic and political history postcolonial studies tourism studies material culture studies furniture history and heritage and preservation studies Taken together the narratives and case studies compiled in this volume offer a better understanding of the political agency of post war modern furniture in its original historical context At the same time they will enrich current debates on reuse relocation or reproduction of some of these elements

**The Bibliography of Australasian Judaica 1788-2008** Serge

Liberman,2018-11-01 This bibliography includes all traceable self contained books monographs pamphlets and chapters from books which in some way pertain to Jews in Australia and New Zealand between 1788 and 2008 Born in Russia in 1942 Serge Liberman came to Australia in 1951 where he now works as a medical practitioner As author of several short story collections including On Firmer Shores A Universe of Clowns The Life That I Have Led and The Battered and the Redeemed he has three times received the Alan Marshall Award and has also been a recipient of the NSW Premier s Literary Award In addition he is compiler of two previous editions of A Bibliography of Australian Judaica Several of his titles have been set as study texts in Australian and British high schools and universities His literary work has been widely published he has been Editor and Literary Editor of several respected journals and has contributed to many other publications

**Encyclopedia of Twentieth Century Architecture** R. Stephen Sennott,2004 For more information including the introduction a full list of entries and contributors a generous selection of sample pages and more visit the Encyclope dia of 20th Century Architecture website Focusing on architecture from all regions of the world this three volume set profiles the twentieth century s vast chronicle of architectural achievements both within and well beyond the theoretical confines of modernism Unlike existing works this encyclopedia examines the complexities of rapidly changing global conditions that have dispersed modern architectural types movements styles and building practices across traditional geographic and cultural boundaries

*Harry Seidler, Australian Embassy* Peter Blake,Harry Seidler,1979

**Planning and Building Down Under** Harry

Seidler,2011-01-01 Internationally renowned architect Harry Seidler discusses the aims emerging from the United Nations Habitat Conference as they relate both practically and theoretically to major metropolitan and regional growth centres he has developed in Australia Seidler s planning designs emphasize the cohesion of the whole harmonizing building forms and landscapes with the age old concept of pedestrian town centres

**Shifting Views** Andrew Leach,Antony Moulis,Nicole Sully,2008 Shifting Views draws together a selection of writing from across twenty five years of these conferences to provide a fascinating view into the region s architectural history discipline The essays collected here from such diverse thinkers as Judith Brine Joan Kerr Miles Lewis Sarah Treadwell Philip Goad Julie Willis and Mike Austin reflect some of the most illuminating debates from these conferences Together these essays capture a tone of critical inquiry and the conditions of writing architectural history in Australia and New Zealand Shifting Views takes us into the mechanics of architectural history

making exposing its foundations and demonstrating how they can be called to account It shows us how architectural history has been made and revised giving us a glimpse of the means why which our past becomes our history BOOK JACKET    **A**
