Larry Schweikart a retired history professor is ready to set the record straight on the American presidents He goes through each of the first 26 presidents from Washington to Taft and debunks myths lies and fake news made fact by the uninformed Discover why George Washington favored American isolationism James Madison supported states rights what Lincoln promised to Southerners about fugitive slaves and why nineteenth century presidents were the last to understand the true role of government So what made these presidents so much better than the ones America has now Schweikart argues that recent commanders in chief have welcomed crises to advance their own partisan agenda defied the separation of powers the Founders carefully constructed to preserve the Republic and given us every reason to doubt they take the country s interests to heart

**The Public Burning** Robert Coover,1997 Vice President Richard Nixon the voraciously ambitious bad boy of the Eisenhower regime is the dominant narrator in an enormous cast that includes Betty Crocker Joe McCarthy the Marx Brothers Walter Winchell Uncle Sam his adversary The Phantom and Time magazine incarnated as the National Poet Laureate All of these and thousands more converge in Times Square for the carnivalesque auto da fe at which the Rosenbergs are put to death

The Journey Carole Beverly,2017-09-07 God did an amazing thing when a young man from the mountains of southwest Virginia met a young woman from metropolitan Washington D C The influence of their early lives their meeting and the miraculous happenings that followed is the story that is contained within the covers of this book God took a country boy and made him a missionary He was a scrapper as a young boy never backing away from a fight God led him and his family to the country of the Philippines where he fought for the souls of men Living in an area of the Philippines that was dangerous and filled with threats from the communist party called the New People s Army he was consumed with passion to reach the lost with the gospel of Christ The family was faced with attacks from physical enemies as well as the spiritual enemy Satan in an effort to stop the progression of the spread of the gospel This story is one that is filled with true life experiences which will keep the reader spellbound It takes twists and turns through valleys and mountains tops to reveal what God can do through two ordinary people to accomplish extraordinary things To be a servant of Christ requires a call a cost and a commitment These three things are evident in the lives of this missionary couple The ministry of this courageous missionary family continues on today in the Philippines and throughout the world through individuals who were impacted by their ministry
