Thomas Wentworth Higginson, 1866 Harvard Memorial Biographies, Vol. 1 (Classic Reprint) Thomas Wentworth
Higginson, 2015-07-12 Excerpt from *Harvard Memorial Biographies Vol 1* Those of us whose fortunate lot it was to enlist in
the army during that magic epoch of adventure which has just passed by will never again find in life a day of such strange
excitement as that when they first put on uniform and went into camp It was a day absolutely broken off from all that had
gone before it To say that it brought a sense of utter novelty is nothing the transformation seemed as perfect as if by some
suddenly revealed process one had learned to swim in air and were striking out for some new planet The past was
annihilated the future was all Now that dimly visioned future has itself become a portion of the past that new cycle of
existence is ended already its memories grow dim and after all that seeming metamorphosis the survivors still find
themselves with their feet upon the familiar earth and pursue once more the quiet paths they left The aureole is vanished
from their lives but it still lingers round the heads of the fallen No time no change can restore them to the old ways or take
them from the enchanted sphere in which they hence forth dwell About the Publisher Forgotten Books publishes hundreds of
