The Publishers' Circular and Booksellers' Record, 1929 *Emperor Alexander Severus* John S. McHugh, 2017-06-30
Alexander Severus is full of controversy and contradictions He came to the throne through the brutal murder of his cousin Elagabalus and was ultimately assassinated himself The years between were filled with regular uprisings and rebellions court intrigue the Praetorian Guard slew their commander at the Emperor's feet and foreign invasion Yet the ancient sources generally present his reign as a golden age of just government prosperity and religious tolerance Not yet fourteen when he became emperor Alexander was dominated by his mother Julia Mamaea and advisors like the historian Cassius Dio In the military field he successfully checked the aggressive Sassanid Persians but some sources see his Persian campaign as a costly failure marked by mutiny and reverses that weakened the army When Germanic and Sarmatian tribes crossed the Rhine and Danube frontiers in 234 Alexander took the field against them but when he attempted to negotiate to buy time his soldiers perceived him as weak assassinated him and replaced him with the soldier Maximinus Thrax John McHugh reassesses this fascinating emperor in detail **The Friendships of John Adams, 1774-1801** Jamie

Macpherson, 2024-07-22 This book presents the first extended analysis of the friendship network of John Adams forged during his lengthy public career from 1774 1801 While scholars have considered historic friendships this monograph examines Adams's friendship network within a generation of revolutionaries The six friendships explored exemplify the diversity of political interaction primary friendship Abigail intimate confidence Rush political alliance Gerry emergent rivalry Jefferson the politics of personal difference Mercy Otis Warren and idolised revolutionary Samuel Adams This work positions friendship at the heart of the historian's craft reconstructing historic relationships and considering the evolution of each dyad to examine the tensions candour intimacy and forms of alliance in each Adams's impassioned epistles present a window into his private ruminations John Adams's expectation of friendship changed at each stage of his career Through 1774 1801 Adams entreated support from friends debated issues pertaining to politics diplomacy and the national interest sought comfort from intimates and lamented divisions from former friends For John Adams friendship represented the art of politics This volume will be of value to students and scholars alike interested in American history political history and social and cultural history **A Chronology of Ancient Greece** Timothy Venning, 2015-11-30 This helpful reference offers a timeline

of ancient Greece's political and military history This chronological history begins with the necessarily approximate course of events in Bronze and early Iron Age as estimated by the most reliable scholarship and the legendary accounts of this period From the Persian Wars onwards a year by year chronology is constructed from the ancient historical sources and where possible a day by day narrative is given The geographical scope expands as the horizons of the Greek world and colonization increased with reference to developments in politico military events in the Middle Eastern and later Italian states that came

into contact with Greek culture From the expansion of the Greek world across the region under Alexander the development of all the relevant Greek Macedonian states is covered The text is divided into events per geographical area for each date cross referencing where needed Detailed accounts are provided for battles and political crises where the sources allow this and where not much is known for certain the different opinions of historians are referenced The result is a coherent accessible and accurate reference to what happened and when Thinking the Re-Thinking of the World Kai

Kresse, Abdoulaye Sounaye, 2022-12-19 As far too many intellectual histories and theoretical contributions from the global South remain under explored this volume works towards redressing such imbalance Experienced authors from the regions concerned along different disciplinary lines and with a focus on different historical timeframes sketch out their perspectives of envisaged transformations This includes specific case studies and reflexive accounts from African South Asian and Middle Eastern contexts Taking a critical stance on the ongoing dominance of Eurocentrism in academia the authors present their contributions in relation to current decolonial challenges Hereby they consider intellectual practical and structural aspects and dimensions to mark and build their respective positions From their particular vantage points of trans disciplinary and transregional engagement they sketch out potential pathways for addressing the unfinished business of conceptual decolonization The specific individual positionalities of the contributors which are shaped by location and regional perspective as much as in disciplinary biographical linguistic religious and other terms are hereby kept in view Drawing on their significant experiences and insights gained in both the global north and global south the contributors offer original and innovative models of engagement and theorizing frames that seek to restore and critically engage with intellectual practices from particular regions and transregional contexts in Africa South Asia and the Middle East This volume builds on a lecture series held at ZMO in the winter 2019 2020 **Metaphor in Homer** Andreas T. Zanker, 2019-08 How did the Homeric narrator use metaphors of time speech and thought to compose and structure the Iliad and Odyssey Poetry in Speech

Egbert J. Bakker, 2018-03-15 Applying linguistic theory to the study of Homeric style Egbert J Bakker offers a highly innovative approach to oral poetry particularly the poetry of Homer By situating formulas and other features of oral style within the wider contexts of spoken language and communication he moves the study of oral poetry beyond the landmark work of Milman Parry and Albert Lord One of the book's central features related to the research of the linguist Wallace Chafe is Bakker's conception of spoken discourse as a sequence of short speech units reflecting the flow of speech through the consciousness of the speaker Bakker shows that such short speech units are present in Homeric poetry with significant consequences for Homeric metrics and poetics Considering Homeric discourse as a speech process rather than as the finished product associated with written discourse Bakker's book offers a new perspective on Homer as well as on other archaic Greek texts Here Homeric discourse appears as speech in its own right and is freed Bakker suggests from the bias of modern writing style which too easily views Homeric discourse as archaic implicitly taking the style of classical period texts

as the norm Bakker's perspective reaches beyond syntax and stylistics into the very heart of Homeric and ultimately oral poetics altering the status of key features such as meter and formula rethinking their relevance to the performance of Homeric poetry and leading to surprising insights into the relation between speech and text in the encounter of the Homeric tradition with writing *University Bibliography* Columbia University. Libraries,1910 **Roman Republic at War** Don Taylor,2017-01-31 Descriptions of every significant battle fought by the Roman Republic between 480 and 31 BC and most of the minor ones too *Amazing Books Monthly* The information in each entry of this remarkable book is drawn exclusively from ancient texts in order to offer a brief description of each battle based solely on the information provided by the earliest surviving sources that chronicle the event This approach provides the reader a concise foundation of information to which they can then confidently apply later scholarly interpretation presented in secondary sources achieving a more accurate understanding of the most likely battlefield scenario In writing the battle descriptions the author has not sought to analyze the evidence contained in the surviving accounts nor embellish them beyond that which was necessary to provide clarity to the modern reader He allows the original writers to speak for themselves presenting the reader with a succinct version of what the ancient chroniclers tell us of these dramatic events It is an excellent first stop reference to the many battles of the Roman Republic An indispensable reference guide for any student of the Roman military *The NYMAS Review* *Rome's Enemies Within* John S McHugh,2024-10-30 The greatest danger to Roman emperors was the threat of deadly conspiracies arising among the Senate the imperial court or even their own families All the emperors that reigned from Augustus to the end of the first century AD faced such efforts to overthrow or assassinate them John McHugh uncovers these conspiracies narrating them and seeking to explain them The underlying cause in many cases was the decline in influence patronage and status granted by emperors to the Senatorial class leading some to seek power for themselves or a more generous candidate Attempted assassinations or coups led the emperors to mistrust the Senate and rely more on freedmen causing more resentment Paranoid emperors often reacted to the merest hint of treason real or imagined with punishments and executions leading more of those around them to consider desperate measures out of self preservation And of course amid this vicious circle of poisonous mistrust there were ambitious family members promoting their own or their offspring's claims to the purple and the duplicitous Praetorian Guard John McHugh brings to light a century of assassination conspiracy and betrayal exploring the motives and aims of the plotters and the bloody cost of success or failure *Cicero, Greek Learning, and the Making of a Roman Classic* Caroline Bishop,2018-12-13 The Roman statesman orator and author Marcus Tullius Cicero is the embodiment of a classic his works have been read continuously from antiquity to the present his style is considered the model for classical Latin and his influence on Western ideas about the value of humanistic pursuits is both deep and profound However despite the significance of subsequent reception in ensuring his canonical status Cicero *Greek Learning and the Making of a Roman Classic* demonstrates that no one is more responsible for Cicero's transformation into a classic than

Cicero himself and that in his literary works he laid the groundwork for the ways in which he is still remembered today The volume presents a new way of understanding Cicero's career as an author by situating his textual production within the context of the growth of Greek classicism the movement had begun to flourish shortly before his lifetime and he clearly grasped its benefits both for himself and for Roman literature more broadly By strategically adapting classic texts from the Greek world and incorporating into his adaptations the interpretations of the Hellenistic philosophers poets rhetoricians and scientists who had helped enshrine those works as classics he could envision and create texts with classical authority for a parallel Roman canon Ranging across a variety of genres including philosophy rhetoric oratory poetry and letters this close study of Cicero's literary works moves from his early translation of Aratus poetry and its later reappearance through self quotation to Platonizing philosophy Aristotelian rhetoric Demosthenic oratory and even a planned Greek style letter collection Juxtaposing incisive analysis of how Cicero consciously adopted classical Greek writers as models and predecessors with detailed accounts of the reception of those figures by Greek scholars of the Hellenistic period the volume not only offers ground breaking new insights into Cicero's ascension to canonical status but also a salutary new account of Greek intellectual life and its effect on Roman literature

Birth of the Symbol Peter T. Struck, 2009-02-09 A rich and fascinating account of how symbolism and allegorical reading developed over the course of classical antiquity Literary Imagination Nearly all of us have studied poetry and been taught to look for the symbolic as well as literal meaning of the text Is this the way the ancients saw poetry In *Birth of the Symbol* Peter Struck explores the ancient Greek literary critics and theorists who invented the idea of the poetic symbol The book notes that Aristotle and his followers did not discuss the use of poetic symbolism Rather a different group of Greek thinkers the allegorists were the first to develop the notion Struck extensively revisits the work of the great allegorists which has been underappreciated He links their interest in symbolism to the importance of divination and magic in ancient times and he demonstrates how important symbolism became when they thought about religion and philosophy They see the whole of great poetic language as deeply figurative he writes with the potential always even in the most mundane details to be freighted with hidden messages *Birth of the Symbol* offers a new understanding of the role of poetry in the life of ideas in ancient Greece Moreover it demonstrates a connection between the way we understand poetry and the way it was understood by important thinkers in ancient times This book offers a remarkably comprehensive study of ancient symbolic interpretation from the Pre Socratics to the later Neoplatonists and beyond Classical World A challenging yet rewarding journey through a millennium of texts thoughts and interpretations Walter Burkert author of *Creation of the Sacred and Greek Religion*

Ethics Stephen Everson, 1998-05-04 This collection of essays provides a sophisticated and accessible introduction to the moral theories of the ancient world It covers the ethical theories of all the major philosophers and schools from the earliest times to the Hellenistic philosophers A substantial introduction considers the question of what is distinctive about ancient ethics

Emulating Alexander Glenn

Barnett,2017-07-19 This book gives an account of the Roman relationship with Persia and how it was shaped by the actions of Alexander the Great long before the events Numerous Roman emperors led armies eastward against the Persians seeking to emulate or exceed the glorious conquests of Alexander Some achieved successes but more often the result was ignominious defeat or death Even as the empire declined court propagandists and courtiers looked for flattering ways to compare their now throne bound emperors with Alexander All the while there was a small segment of the Roman intelligentsia who disparaged Alexander and his misdeeds While the Romans dreamed of conquering the Persian realm the Persians of the Parthian and Sasanian dynasties dreamed of regaining the lands of the eastern Mediterranean snatched from their Achaemenid ancestors by Alexander Echoes of this revanchist policy can be seen in Iran s support of Shiites in Iraq Syria Yemen and Lebanon Glenn Barnett draws comparisons between the era long struggle of Rome and Persia with the current wars in the Middle East where they once fought

Harvard Studies In Classical Philology Volume 74 Introduction

In today's digital age, the availability of Harvard Studies In Classical Philology Volume 74 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Harvard Studies In Classical Philology Volume 74 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Harvard Studies In Classical Philology Volume 74 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Harvard Studies In Classical Philology Volume 74 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Harvard Studies In Classical Philology Volume 74 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Harvard Studies In Classical Philology Volume 74 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Harvard Studies In Classical Philology Volume 74 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them

invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Harvard Studies In Classical Philology Volume 74 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Harvard Studies In Classical Philology Volume 74 books and manuals for download and embark on your journey of knowledge?

FAQs About Harvard Studies In Classical Philology Volume 74 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Harvard Studies In Classical Philology Volume 74 is one of the best book in our library for free trial. We provide copy of Harvard Studies In Classical Philology Volume 74 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Harvard Studies In Classical Philology Volume 74. Where to download Harvard Studies In Classical Philology Volume 74 online for free? Are you looking for Harvard Studies In Classical Philology Volume 74 PDF? This is definitely going to save you time and cash in something you should think about.
