what the secret is It is not that Zeus is destined one day to be overthrown by his son Zeus knows that already The secret is which son The most helpful commentary on this is the Theogony of Hesiod Whatever else may be sophisticated or moralized in the Theogony it is certainly not the matter with which we shall be dealing here Observe that Kronos a is the youngest son b is the most terrible c hates his father We shall find these three points recurring About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
