Harvest of Hope Louise Chave,2001-02-27 In an effort to escape the oppression of his older brother Johnny a farm boy growing up during the Great Depression disappears into the night He hops a freight train heading west with only an address he has ripped from a bag of seed corn in his pocket and his meager savings hidden in his sock After tasting life in the hobo jungles he finds employment on a farm in the mid West When the love of his life leaves for college he decides to return home to finish his own education Though welcomed warmly by his family he becomes guilt ridden upon the discovery of the tragedies his disappearance brought about As a young adult Johnny assumes responsibility for his family and becomes first a mentor then a pal to his young neighbor The story is colored by mystery romance and anxiety as the Great Depression dissipates and the country is thrown into World War II Johnnys fiancée and his young neighbor both enlist in the armed services Actual letters from the war front confirm the loneliness and despair of those separated from their loved ones and their eagerness at wars end to leave the memories of the battlefields behind pick up where they left off and start new families

Lauraine Snelling,2015-02-24 Miriam Hastings has her future plans in place But Trygve Knutson is intent on changing them Just a few short weeks into her year long training at the Blessing Hospital Miriam Hastings is called home to Chicago where her mother is gravely ill With siblings to care for Miriam pleads to be allowed to finish her training in Chicago Her nursing supervisor grants her a brief reprieve but extracts a promise that Miriam will return to Blessing and fulfill her one year commitment While in Chicago Miriam has tried to get Trygve Knutson and Blessing out of her mind but his letters make that impossible Trygve is busy building a house hoping he can convince Miriam to return to North Dakota and marry him Torn between Trygve's love and her family's needs she doesn't know what to do When Miriam finally returns to Blessing she buries herself in her work But no matter how hard she tries to put it off she has some life changing decisions to make about her future her family and the man who is never far from her thoughts What will it take to convince her to stay **Harvest of Hope** Mark Veber,2023-09-19 Some may claim that they've had moments of déjà vu or the uncanny ability to see what is about to happen like determining the end of a movie or feeling like you have been somewhere before based on nothing but intuition However what if you could acquire a prescreening of your future would you Or would you prefer whatever happens happens without your destiny ever being revealed Well for Hope Wilson that was never an option Considering it both a blessing and a curse she marches through life alone understanding those same premonitions will lead her ever closer to the man she will eventually meet and fall in love with Often described as a selfless woman Hope donates much of her time and

money to the less fortunate aiding anyone in need even knowing her destined path is about to change That is when John walks in a man who is looking for his own purpose while he himself searches for that one special person who will stand beside him through it all With the love and support of her family and friends like Elvin John s college roommate and Liz Hope s best friend they embrace what life offers with all the normalcies of life s twists and turns And even though Hope strictly adheres to her rule of her not changing anyone s futures they each optimistically focus on their tomorrows How will it all turn out Only Hope knows

The Seasons of Hope Ray S. Anderson,2008-02-01 Life contains a rhythm when we see it from beginning to end Our personal existence is not a series of individual episodes taking place as points in time Rather life itself bears us along in a common pilgrimage At any given time we are part of a community where birth and death joy and sorrow pain and pleasure as well as sowing and harvesting are taking place This communal sharing of life replicates all the seasons of life For each time in our lives there is a corresponding season in the life of the human family We empower faith by practicing hope every day of our lives
