Walker,2011-12-21 Working with figures all her life Eve Somerset is persuaded to look in to the possibility of irregularities within the Greenway Holder Group of companies The Inland Revenue dont have any issues and the police cannot get involved in an unofficial capacity Eve is sceptical but agrees to see what she can find When the body found in the burnt out remains of a stolen car is identified as the editor of the local newspaper Bert Foxley everyone is in shock The unexpected arrival of James Foxley helps Eve in many ways but also adds to her confusion The investigation in to Bert Foxleys death is going nowhere no motive no suspect Eve is getting nowhere fast as she continues to look into the workings of Greenway

Holder getting more confused by the day But slowly inexorably the two events are drawing together A seemingly unconnected comment from James Foxley and the admission that his brother had been the recipient of a hate campaign that had gone on for years send Eve to the hospital bedside of a long time acquaintance where she hears a terrible confession Nothing to do with Berts death she is assured The problems at Greenway Holder and Eves conclusions are handed over to the police and in attempt to help keep an eye on the Greenway Holder staff possibly involved Eve makes a startling discovery that provides the police with both motive and suspect for the murder of the newspaper editor The trial of the accused which should be straight forward and uncomplicated proves to be anything but A Not Guilty plea and the arrival of a hot shot media savvy defence barrister and the revelations that follow turn the justice system upside down Its said you cant get away with murder Dont you believe it

Waterfall Glen

Davie, 2006-04-01 When Kate Brodie inherits Waterfall Glen it seems like the start of an exciting new life Full of romantic notions she swaps her dull routine in San Francisco for life as a Highland lady But the stunning beauty of the glen belies a troubled history and uncertain future and Kate s imposing new home Greystane House is full of disturbing revelations about

her family's past Each portrait on the ancient walls tells an unnerving story while the empty rooms echo with rumors of a centuries old curse that takes on new significance when unsettling events threaten the small community whose fate lies in her hands The only person Kate can turn to is a man haunted by equally troubling events a man she has every reason not to trust Only with his help can she find a way to defend old values against the materialism of the modern world Only together can they lay their ghosts to rest

Davie Henderson, 2012-11-01 Tomorrow's World There are no more butterflies no coral reefs or rainbows Now the cold logic of computers determines how they will live And although old divisions of race color and creed have disappeared a new line has been drawn between naturally born people Names and those who have been genetically engineered Numbers Perfect Paula is a Number Ben Travis is a Name Both detectives they must work together to solve a murder committed because someone quite possibly has discovered the meaning of life and the truth about God The computers and the governing EcoSystem they control are not happy Solving the case will give Ben and Paula the answer to age old questions but may cost them their lives Risking everything and overcoming bone deep prejudice Paula and Ben must put their faith in each other discovering truths about themselves the past and the future that no computer could ever understand Waterfall Glen Kate Brodie inherits a stunning estate Full of romantic notions she swaps her dull routine in San Francisco for life as a Highland lady But the stunning beauty of the glen belies a troubled history and uncertain future and Kate's imposing new home Greystane House is full of disturbing revelations about her family's past Each portrait on the ancient walls tells an unnerving story while the empty rooms echo with rumors of a centuries old curse that takes on new significance when unsettling events threaten the small community whose fate lies in her hands The only person Kate can turn to is a man haunted by equally troubling events a man she has every reason not to trust Only with his help can she find a way to defend old values against the materialism of the modern world Only together can they lay their ghosts to rest
