Hattie, the Backstage Bat Don Freeman, 1970-09-08 When a new play opens at the Lyceum Theatre Hattie the caretaker's pet bat has to hide while the actors are rehearsing But as the play opens she can resist the chance to join in the fun and make a grand entrance as the play's new star Illustrated

Just Bats M. Brock Fenton, 1983-12-15 Bats are dangerous to man Right Wrong Here is the truth about chiroptera the only mammals that fly in a short well illustrated account based on solid research but intended for a general reader Bats of which there are about 850 species in the world are maligned as carriers of rabies largely untrue and admired for their biosonar Their diversity is reflected in their diets some eat fruit some nectar and pollen other fish birds frogs or other bats Although most eat insects it is the three species of blood feeding vampires which receive most public attention and around which much myth and superstition and misconception have evolved In addition to their diet and habit Fenton discusses their remarkable sonar sight their reproduction migration patterns of behavior from hunting to mating parasites enemies and life span The current record is held by an Ontario Little Brown Bat which in 1980 had survived more than 30 years Man's attitude toward bats his destruction of their habitats and his use of pesticides have contributed to a sharp decline in the bat population in many parts of the world Many biologists are becoming increasingly concerned about the survival of some species but maintaining their numbers requires a change in people's attitudes Just Bats will help It will also tell the reader how to evict bats from his attic provided he knows how they got in

BATS Gr. 3-5 Georgina Kucherik, 2021-06-04 In ghost stories no haunted house is complete without a few bats flying around And Halloween brings to mind scary images of witches goblins and bats Bats seem frightening and very mysterious But most stories you hear about bats aren't true Read and learn about bats You'll find that bats aren't all bad This unit contains information cards and activities which will help develop skills in Research and Word Knowledge
