revelatory and joyous exploration of how one visionary inspired two hundred years of art poetry and protest by the acclaimed author of *Albert and the Whale* Weaving between the historical cultural and personal award winning author Philip Hoare reveals a web of creative minds and artistic iconoclasts fired by the wild and revolutionary genius of William Blake Blake is one of the greatest artists in western history His art envelops us He invented a way to put words and images on a page to express his poetry and art in a manner that has never been truly equaled Even in his own time his fans and followers were left speechless Blake's heavenly bodies are our real selves soaring beyond time and space His art is a time machine We can climb aboard and be taken to the stars Blake accepted no limits to the human spirit Throughout his life he worked as one artist two people with his partner Kate Together they created their visions of what the world could be filled with majestic menageries of tygers burning bright and angels in trees of leviathans and demons and human fleas and a devil who burns with revolutionary ecstasy In *William Blake and the Sea Monsters of Love* with Philip Hoare as our inimitable guide Blake rises as a new hope for our own era
