saw these medical and religious teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society However strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence Volume I of this two part publication traces the history of sex from the Stone Age to the Enlightenment Interspersed with personal hauntings from his own life and the lives of friends and relatives Knowles reveals how historical discourses of sex continue to haunt us today This book is a page turner in simple and plain language about how sex got screwed up for millennia For Knowles if we know the history of sex we can get over it

In *Good Shepherd Good Husband* author Moy Soriano offers a unique voice to the subject of being a husband speaking from his passion for God's Word the testimony of a miraculously restored marriage and his Latino upbringing. Building on his own experiences he explores the vital skills of leading your wife while also attending to and caring for her. He establishes the ways in which God sees leaders and husbands as shepherds and then brings Psalm 23 to life in a new way unpacking twelve vignettes within this passage each one rich in the poetry of God as our Shepherd. In this way he challenges all husbands to become good shepherds in their marriages. Learn how Christ the Great Shepherd loves His bride the church and in turn shows us how to love our wives just as He does in this revealing study of Psalm 23. [Cymon. A](#)
