find titles on everything from the A bomb to Zen Buddhism You might find yourself immersed in whole subject areas that you never thought you d be interested in *Behold the Proverbs of a People* Wolfgang Mieder,2014-10-30 The thirteen chapters of this book comprise an intriguing and informative entry into the world of proverb scholarship illustrating that proverbs have always been and continue to be wisdom s international currency The first section of the book focuses on the field of paremiology proverb studies in general the spread of Anglo American proverbs in Europe and the phenomenon of modern proverbs The second section analyzes the use of proverbs in the world of politics including a chapter on President Obama while the third concentrates on the uses of proverbs in literature The final section ends with detailed cultural studies of the origin history dissemination use function and meaning of specific proverbs Noted scholar Wolfgang Mieder shows that proverbs matter in culture literature and politics Proverbs remain part and parcel of oral and written communication and he demonstrates they deserve to be studied from a range of viewpoints While various chapters deal with a variety of issues and approaches they cohere through a rhetorical perspective that looks at the text texture and context of proverbs as speech acts that make a noteworthy impact on culture and society Whether proverbs appear in everyday speech on the radio on television in films on the pages of newspapers or magazines in advertisements in literary works or in political speeches they serve as formulaic verbal devices to add authoritative weight through tradition convention and wisdom Safire's Political Dictionary William Safire,2008-03-31 Nearly every entry in this renowned work has been revised and updated and over 100 completely new entries have been added to produce a monumental and indispensable guide to political language in America From Axis of Evil Blame Game Bridge to Nowhere and Compassionate Conservatism to Islamofascism Quagmire Rumsfeld s Rules Slam Dunk Wimp Factor and many others William Safire explains the origin of each term how and by whom and for what purposes it has been used as well as its perceived and real significance **A Dictionary of Confusable Phrases** Yuri Dolgoplov,2016-02-01 Covering over 10 000 idioms and collocations characterized by similarity in their wording or metaphorical idea which do not show corresponding similarity in their meanings this dictionary presents a unique cross section of the English language Though it is designed specifically to assist readers in avoiding the use of inappropriate or erroneous phrases the book can also be used as a regular phraseological dictionary providing definitions to individual idioms cliches and set expressions Most phrases included in the dictionary are in active current use making information about their meanings and usage essential to language learners at all levels of proficiency *Garner's Modern English Usage* Bryan Garner,2016-03-11 With more than a thousand new entries and more than 2 300 word frequency ratios the magisterial fourth edition of this book now renamed Garner s Modern English Usage GMEU reflects usage lexicography at its finest Garner explains the nuances of grammar and vocabulary with thoroughness finesse and wit He discourages whatever is slovenly pretentious or pedantic GMEU is the liveliest and most compulsively readable reference work for writers of our time It delights while providing instruction on skillful persuasive and vivid writing Garner liberates English from two extremes both

from the hidebound purists who mistakenly believe that split infinitives and sentence ending prepositions are malfeasances and from the linguistic relativists who believe that whatever people say or write must necessarily be accepted The judgments here are backed up not just by a lifetime of study but also by an empirical grounding in the largest linguistic corpus ever available In this fourth edition Garner has made extensive use of corpus linguistics to include ratios of standard terms as compared against variants in modern print sources No other resource provides as comprehensive reliable and empirical a guide to current English usage For all concerned with writing and editing GMEU will prove invaluable as a desk reference Garner illustrates with actual examples cited with chapter and verse all the linguistic blunders that modern writers and speakers are prone to whether in word choice syntax phrasing punctuation or pronunciation No matter how knowledgeable you may already be you are sure to learn from every single page of this book      **Garner's Modern American Usage** Bryan A. Garner, 2003 Painstakingly researched with copious citations from books newspapers and news magazines this new edition has become the classic reference work praised by professional copy editors      *Reference Sources for Small and Medium-sized Libraries, Eighth Edition* Jack O'Gorman, 2014-02-25 Focusing on new reference sources published since 2008 and reference titles that have retained their relevance this new edition brings O'Gorman's complete and authoritative guide to the best reference sources for small and medium sized academic and public libraries fully up to date About 40 percent of the content is new to this edition Containing sources selected and annotated by a team of public and academic librarians the works included have been chosen for value and expertise in specific subject areas Equally useful for both library patrons and staff this resource Covers more than a dozen key subject areas including General Reference Philosophy Religion and Ethics Psychology and Psychiatry Social Sciences and Sociology Business and Careers Political Science and Law Education Words and Languages Science and Technology History and Performing Arts Encompasses database products CD ROMs websites and other electronic resources in addition to print materials Includes thorough annotations for each source with information on author editor publisher cost format Dewey and LC classification numbers and more Library patrons will find this an invaluable resource for current everyday topics Librarians will appreciate it as both a reference and collection development tool knowing it's backed by ALA's long tradition of excellence in reference selection      *Garner's Modern English Usage* Bryan A. Garner, 2022 Garner's Modern English Usage is one of the most influential style guides ever written for the English language With more than a thousand new entries 200 replacement entries and thoroughly updated usage data this fifth edition is fully abreast of the times and further establishes the author as the authority on effective writing      **Verbivore's Feast: Second Course** Chrysti Mueller Smith, 2015-09-12 In this companion edition to her popular Verbivore's Feast Chrysti the Wordsmith host of the much loved radio show of the same name once again examines the evolution and history of the English language using the odd expressions and cliches that pepper it Exploring words such as lollygag and quack and phrases ranging from break a leg to shake a stick and from Adam's apple to trip the light fantastic Chrysti the Wordsmith

uncovers the fascinating stories about their origins *The Penguin Dictionary of Clichés* Julia Cresswell, 2000 This dictionary investigates the wide range of clichés throughout the history of the English language With over 1500 sourced clichés listed both ancient and modern this work looks at the more informal side of the English language **Words** Dale D. Johnson, 2018-04-17 Written by respected authorities in the fields of education and literacy studies *Words* The Foundation of Literacy is a groundbreaking book for teachers administrators and education students Dale and Bonnie Johnson present a fresh inspiring reminder of why studying language from word origins to word structure is such a vital first step in the development of students vocabulary literacy writing skills and overall ability to learn At a time when high stakes testing has squeezed substance from many curricula Johnson and Johnson provide ways to enhance students understanding interest and appreciation of language and all its subtleties *Words* explores how meaning in language is created by the use and interrelationships of words phrases and sentences their denotations connotations implications and ambiguities From birth most children exhibit a natural interest in language its sounds nuances and unpredictable qualities It is important to sustain stimulate and recapture that natural interest in the classroom and *Words* provides a multitude of creative and practical techniques for doing so *Casual Lex* Webb Garrison, 2005-05-07 Containing updated editions of the *What's in a Word* and *Why You Say It* this compendium reveals the history of common words and phrases Are you a lover of language Awaken your passion for words and savor the sheer deliciousness of the things people say *Casual Lex* holds the hidden pleasures found in our usage of words This fresh edition of two etymology classics by Webb Garrison will turn you on to the fascinating and often surprising stories behind everyday words and phrases Experience *Casual Lex* and discover The phrase hell on wheels comes from the early American practice of renting railway flatcars to create rolling casinos and brothels bound for the Wild West Gibberish was the word coined by English villagers to describe the hard to understand dialects of certain bands of Gypsies Gymnasium comes from the Greek word *gymnos* which means naked Greek athletes trained and competed in the nude If your joy of language has been aroused then many more surprises await you After all even the most formal users of our language can benefit from a little *Casual Lex* A rather good book to have at hand Kirkus Reviews on *Why You Say It*

*For Love of the Imagination* Michael Vannoy Adams, 2013-09-11 I have entitled this book *For Love of the Imagination* Long ago I fell in love with the imagination It was love at first sight I have had a lifelong love affair with the imagination I would love for others through this book to fall in love as I once did with the imagination Michael Vannoy Adams from the Preface *For Love of the Imagination* is a book about the imagination about what and how images mean Jungian psychoanalysis is an imaginal psychology or what Michael Vannoy Adams calls *imaginology* the study of the imagination What is so distinctive and so valuable about Jungian psychoanalysis is that it emphasizes images *For Love of the Imagination* is also a book about interdisciplinary applications of Jungian psychoanalysis What enables these applications is that all disciplines include images of which they are more or less unconscious Jungian psychoanalysis is in an enviable position to render these

images conscious to specify what and how they mean On the contemporary scene as a result of the digital revolution there is no trendier word than applications except perhaps the abbreviation apps In psychoanalysis there is a Freudian app and a Jungian app The Jungian app is a technology of the imagination This book applies Jungian psychoanalysis to images in a variety of disciplines For Love of the Imagination also includes the 2011 Moscow lectures on Jungian psychoanalysis It will be essential reading for psychoanalysts psychotherapists students and those with an interest in Jung **The Fantasy**

**Principle** Michael Vannoy Adams, 2004 The Fantasy Principle makes a strong case for a new school of psychoanalysis the school of imaginal psychology It radically affirms the centrality of imagination and emphasizes the transformative impact of images *Eat Your Words* Charlotte Foltz Jones, 2018-08-07 Baked Alaska melba toast hush puppies and coconuts You d be surprised at how these food names came to be And have you ever wondered why we use the expression selling like hotcakes Or how about spill the beans There are many fascinating and funny stories about the language of food and the food hidden in our language Charlotte Foltz Jones has compiled a feast of her favorite anecdotes and John O Brien s delightfully pun filled drawings provide the dessert Bon appetit **A Man of My Words** Richard Lederer, 2003-12-05 language and grammar expert Richard Lederer is our foremost and funniest commentator on the quirks and pleasures of the English language Popular with writers students and anyone who loves words many of his books have become modern classics including *Anguished English* one of the bestselling language humor books Keen eared and good humored these essays reflect on slang regional dialects Britspeak political correctness puns the art of teaching usage and other topics ripe for the author s unique brand of skewering Readers will follow the author from a wordy weekend in upstate New York to classrooms in Russia and inner city Philadelphia to zero seconds of fame on a major national talk show These essays will delight anyone who lays blame on those who confuse lie and lay and who goes nuclear over the pronunciation noo kyuh lur *Word Nerds Unite!* Webb Garrison, 2023-10-10 Why are spectacularly successful movies called blockbusters Why does putting your best foot forward mean you hope to make a good impression Why is rowdy and prankish behavior called horseplay and what does it have to do with the rarity of horses *Word Nerds Unite* shares 200 fascinating word meanings for fans of Wordle Scrabble and other word games You ve probably used words or phrases like these without giving them a second thought But you ll be surprised and interested to discover the fascinating and sometimes curious origins to these fun sayings In *Word Nerds Unite* you ll find 200 quirky interesting words phrases and colloquial terms Backstory for these colorful sayings still used today How some of our favorite expressions have evolved through the years You ll discover such fascinating word and phrase origins for handwriting on the wall play for keeps raining cats and dogs break the ice bull s eye and many more *Word Nerds Unite* is perfect for word lovers Wordle enthusiasts homeschoolers and anyone curious about the illuminating history of 200 words that pepper our everyday dialogue and how they gained contemporary use Organized by subject each chapter begins with a quote an introductory paragraph and a list of what you ll discover This fun read is great for sharing with and gift
