**Have Poem Will Travel** S. Dale "Sierra" Seawright, 2005-07 Humorous poetry that lifts you up and sets you down smack dab in the middle of a working cowboy's life Mud Wrestling on San Juan Hill Al Ferber, 2022-11-28 This life This planet Might as well be Mud Wrestling on San Juan Hill *The Fijians* Basil Thomson, 1908 The Fijians: A Study of the Decay of Custom Basil Thomson, 2019-12-10 In *The Fijians A Study of the Decay of Custom* Basil Thomson meticulously examines the intricate tapestry of Fijian society in the late 19th century as it grapples with the dual tides of colonial influence and cultural transformation Employing a blend of ethnographic observation and historical analysis Thomson illustrates the complexities of indigenous customs rituals and social structures while revealing how external forces have precipitated their gradual decline His literary style is both accessible and scholarly weaving narrative storytelling with rigorous ethnological documentation reflecting the broader context of Victorian era attitudes towards imperialism and cultural evolution Basil Thomson a British colonial administrator and explorer was significantly influenced by his extensive travels in the South Pacific where he observed the confluence of tradition and modernization His firsthand experiences in Fiji inform his nuanced perspective allowing him to present a compassionate yet critical examination of the Fijians' plight amidst colonial encroachment Thomson's engagement with the cultures he studied was characterized by a mix of fascination and a desire to document the rapid changes he witnessed making his insights invaluable both then and now This book is a compelling read for scholars of anthropology history and cultural studies alike Thomson's evocative prose and deep understanding of Fijian customs offer invaluable insights into the impact of colonialism making it essential for anyone interested in the dynamics of cultural change and resilience in the face of external pressures **Bloom's How to Write about Emily Dickinson** Anna Priddy, 2009 Offers advice on writing essays about the works of Emily Dickinson and lists sample topics for twenty of her poems **The Works of Lord Byron**, 1832 **The Works of Lord Byron: Life of Lord Byron** George Gordon Byron Baron Byron, Thomas Moore, 1832 Works of Lord Byron George Gordon Byron Baron Byron, Thomas Moore, 1833 Life of Lord Byron: with His Letters and Journals. [With a Portrait.] George Gordon Byron Baron Byron, 1851 *The Works of Lord Byron with His Letters and Journals, and His Life by Thomas Moore, Esq. ; In Seventeen Volumes* George Gordon Byron Baron Byron, 1833 *Life of Lord Byron* George Gordon Byron Baron Byron, Thomas Moore, 1854 Life of Lord Byron Thomas Moore, 1851 Parliamentary Debates New Zealand. Parliament, 1885 *Parliamentary Debates* New Zealand. Parliament. House of Representatives, 1885 **The Tale of Dark Africa** By the Son of the Soil: Stone Obi, 2015-04-21 *The Son of the Soil* Stone Obi's *The Tale of Dark Africa* will open your eyes to the power of tradition and belief that exist within a people a power that modern religion can't totally wipe away I want people to see who we are writes the author We Africans have not detached from our folk's way of thinking and our ancestral conception has affected us into the 21st century as we continue to entertain such beliefs Part manifesto part folk stories *Tale of Dark Africa* explores the

dark undertones of traditional African mythology and what issues its tenacious hold on Obi's home country of Nigeria and on Africa as a whole may cause in the modern world Slavery poverty and wars are not the cause of our sufferings Obi writes Instead suffering comes from the way we think and process information from a cultural and ancestral mentality In this way the author seeks to draw the links between Africa's suffering and the world's The tale of Dark Africa is the tale of the whole wide world     **The Epworth Herald** ,1906     **Lord Byron in His Letters** George Gordon Byron Baron Byron,1927  
Selections from Lord Byron's letters journals     Alternatives to Athens Roger Brock,Stephen Hodkinson,2002 In 1993 the world celebrated the 2500th anniversary of the birth of democracy in ancient Athens whose polis or citizen state is often viewed as the model ancient Greek state In an age when democracy has apparently triumphed following the collapse of communism in Eastern Europe we tend to forget that the democratic citizen state was only one of many forms of political community in Greek antiquity This volume aims to redress the balance Eighteen essays by established and younger historians examine alternative political systems and ideologies oligarchies monarchies and mixed constitutions along with diverse forms of communal and regional associations such as ethnoi amphiktyonies and confederacies The papers which span the length and breadth of the Hellenic world from the Balkans and Anatolia to Magna Graecia and north Africa highlight the immense political flexibility and diversity of ancient Greek civilization     **The Art of Complicity in Martial and Statius** Erik Gunderson,2021-08-05 The Art of Complicity in Martial and Statius examines the relationship between politics and aesthetics in two poets from the reign of Domitian Gunderson offers a comprehensive overview of the Epigrams of Martial and the Silvae of Statius The praise of power found in these texts is not something forced upon these poems nor is it a mere appendage to these works Instead power and poetry as a pair are a fundamental dyad that can and should be traced throughout the two collections It is present even when the emperor himself is not the topic of discussion In Martial the portrait of power is constantly shifting Poetic play takes up the topic of political power and plays around with it The initial relatively sportive attitude darkens over time Late in the game we have ecstasies of humiliation After Domitian dies the project tries to get back to the old games but it cannot Statius Silvae merge the lies one tells to power with the lies of poetry more generally Poetic mastery and political mastery cannot be dissociated The glib glitzy poetry of contemporary life articulates a radical modernism that is self authorizing and so complicit with a power whose structure it mirrors What does it mean to praise poetry To celebrate celebrations Gunderson's discussion opens and closes with a meditation upon the dangers of complicit criticism and the seductions of a discourse of pure art in a world where the art is anything but pure
