## **Have Work Will Travel:**

, Have Trowel Will Travel Danny Gill, 2012-12-07 Danny Gill was born and bred in the old slum tenements in Glasgow s South Side His years as a bricklayer took him half way round the world His story recounts his travels the ladies in his life and his fondness for a drink and tells of his life in Irish politics resulting in death threats against him While building bricks in all sorts of weather he also managed a more steady side to his life when he got married and had three daughters After a career of 46 years a combination of wear and tear coupled with the worst recession in living memory forced him into retirement but he never regrets a moment and now has more time to spend with his wonderful family and five grandchildren to date
