Ask any guy who is expecting his first child and he's likely to tell you the same thing: he's absolutely thrilled to be a dad for the first time and he's also completely terrified. First-time dads will learn the daddy essentials for caring for a newborn: from what to expect when baby first arrives and changing those first diapers without a disaster to the basics of feeding and burping and getting baby to sleep so mom and dad can sleep too, and how to help mommy as she heals and deals with the enormous changes that she's experiencing both mentally and physically. *The Complete Idiot's Guide to Being a New Dad* is the perfect guide for any new dad who needs to be armed with a little essential knowledge and a whole lot of encouragement.
