Most people go straight on to Wailuku; we had been told and they do. There are plenty of rooms in the hotel and judging from the unpopulous table d'hôte most of them must always be empty. Yet once at least when we had several hours to wait for a steamer I had great difficulty in finding an empty bedroom to rest in. I made many journeys to and fro before finally a Jap boy with no English grudgingly opened a door for me. Even then a large cockroach stalked me jealously up and down the stairs and when at last I took possession and shook down the mosquito bar the same cockroach I had kept her well in sight for ten minutes I could not mistake her established herself disapprovingly on the floor by the wash stand to chaperone me while I napped. We were destined to climb Haleakala of which you might say East Maui consists. Everything in Hawaii has some superlative to distinguish it and Haleakala is the largest extinct crater in the world. If I had had my doubts about Kilauea I had them still more about Haleakala especially as Haleakala meant a stiff seven miles on mule back. Something sinister hung over Maui from the first something that is personally sinister for me whether the vast shadow of Haleakala or the more distant and more psychic prospect of Kalaupapa for we were to visit Molokai before returning to Honolulu. Perhaps the shadow was deepened by the knowledge that our remaining days in the Eight Islands were very few. My feet lagged on Maui I never wanted to do the next thing I did not always want to leave Lahaina I never wanted to leave Wailuku it is impossible for any one to wish to leave the Iao Valley. Besides my heart was in Hilo and we were not to see Hilo again. If East *HAWAII SCENES & IMPRESSIONS* Katharine Fullerton 1879-1944 Gerould, 2016-08-26 **Hawaii** Katharine Fullerton Gerould, 2015-07-17 Excerpt from *Hawaii Scenes and Impressions* Of all the books that have been written on Hawaii the pages that follow constitute the least pretentious. Mine indeed is a book at all only by accident of physical form. It boasts no architectonics scarcely even a beginning and an end. Its sole unity is the unity derived from being the record by a single pen of some of the experiences of a single month. It wanders almost consciously it leaps from the general to the intimate and particular with no apology with hardly even a transition. In that sense it is ragged ragged like almost any month of life. Yet it falls already for me that brief season into a memory that composes. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
