Donald Hughes, 2002-09-26 An Environmental History of the World is a concise history from Ancient to Modern times of the interaction between human societies and the other forms of life that inhabit our planet This original work follows a chronological path through the history of mankind in relationship to ecosystems around the world Each chapter concentrates on a general period in human history which has been characterised by large scale changes in the relationship of human societies to the biosphere and gives three case studies that illustrate the significant patterns occurring at that time Little environmental or historical knowledge is assumed from the reader in this introduction to environmental history Indigenous Languages Revitalized?: The Decline and Revitalization □□□□, 2000-08 *Explorer's Guide Honolulu & Oahu: A Great Destination (Second Edition) (Explorer's Great Destinations)* Stacy Pope, 2011-01-03 For the independent traveler looking to go beyond tourist luaus and snorkel cruises this new edition guides you to the best Oahu has to offer Honolulu resident Stacy Pope guides you to the best of Oahu's cafes and hotels shopping hotspots and hip nightclubs museums and archaeological sites and of course its most stunning beaches and hidden trails To live like a local even for a week and to fully appreciate Hawaii's unique culture make this book your ultimate island companion Displacing Natives Houston Wood, 1999-05-27 This insightful study examines the strategies used by outsiders to usurp Hawaiian lands and undermine indigenous Hawaiian culture Drawing upon historical and contemporary examples Houston Wood investigates the journals of Captain Cook Hollywood films commercialized hula Waikiki development schemes and the appropriation of Pele and Kilauea by haoles to explore how these diverse productions

all displace Native culture Yet the author emphasizes the voices that have never been completely silenced and can be heard asserting themselves today through songs chants literature the internet and the Native nationalist sovereignty movement This impassioned argument about the linkages between textual and physical displacements of Native Hawaiians will engage all readers interested in Pacific literature and postcolonial studies Hawai'i Politics and Government Richard C.

Pratt,Zachary Alden Smith,2000-01-01 Hawai i is in many ways the most unique of the American states Distinguished by its unusual beauty ethnic diversity and lingering image as a paradise Hawai i is special for other important but less apparent reasons It is the only American state to have evolved from a kingdom the only state with no jurisdictions below the level of county the only state in which Caucasians have never been in the majority and the only state whose historic identity and contemporary relationships are as much with Asia and the Pacific as with the rest of the United States The nature and trajectory of Hawaiian politics spring from the interaction of these unique elements with more traditional American cultural practices institutions and political processes Also shaping past and present politics are multiple collisions among Native Hawaiians western missionaries and businessmen and Asian immigrants Hawai i Politics and Government brings together information on historical development ethnic relations public institutions political culture and current issues to discover both the similarities and the differences between Hawai i and the rest of the country **The Neo-primitivist Turn** Victor

Li,2006-01-01 In recent years the concept of the primitive has been the subject of strong criticism it has been examined unpacked and shown to signify little more than a construction or projection necessary for establishing the modernity of the West The term primitive continues however to appear in contemporary critical and cultural discourse begging the question Why does primitivism keep reappearing even after it has been uncovered as a modern myth In *The Neo primitivist Turn* Victor Li argues that this contentious term was never completely banished and that it has in fact reappeared under new theoretical guises An idealized conception of the primitive he contends has come to function as the ultimate sign of alterity Li focuses on the works of theorists like Jean Baudrillard Jean Fran ois Lyotard Marianna Torgovnick Marshall Sahlins and J rgen Habermas in order to demonstrate that primitivism continues to be a powerful presence even in those works normally regarded as critical of the concept Providing close readings of the ways in which the premodern or primitive is strategically deployed in contemporary critical writings Li s interdisciplinary study is a timely and forceful intervention into current debates on the politics and ethics of otherness the problems of cultural relativism and the vicissitudes of modernity

Evolutions in Critical and Postcritical Ethnography Allison Daniel Anders,George W. Noblit,2024-07-11 Moving beyond traditional critical ethnography postcritical ethnographies accept as a key premise that studies which are critical of the social world must also turn critique back on the ethnographer the study and its process The book includes an introduction to the evolutions of critical ethnography and postcritical ethnography and exemplar chapters from contributors who engaged in long term ethnographic studies Accompanying each chapter is an introductory preface and margin notes created by the

editors to underscore the methodological moves made by each author Addressing the distinct orientations critical and postcritical ethnographies take the book illuminates how different authors think enact and represent their critical and postcritical post critical work In this way the book is pedagogical within and across each chapter Each contributor has produced a chapter that includes a brief summary of their respective long term inquiry project with emphases on relation in the being doing and theorizing of qualitative research Contributors discuss their navigation of commitments across the arc of their research and engage critical social theory interrogating issues of power and ideology Each chapter includes retrospective analytical reflections on the long term ethnographic work contributors completed The chapters address interpretivist commitments to emic analyses metaphor and representation and each contributor s personal and professional commitments to equity and justice The chapters engage critical social theories crip horizons critical race theory and queer theory as well as critical and queer pedagogies de colonialism and post humanism A summary chapter addresses key issues in contemporary postcritical post critical qualitative research The book is designed to prepare novice qualitative researchers to craft conduct and represent postcritical post critical qualitative research The book provides guidance for researchers who are interested in social critique equity and justice and who seek to avoid the failures in the last quarter of the 20th Century of critical ethnography
