Hawaiian Grammar

Emily A. Hawkins

Hawaiian Grammar:

Hawaiian Grammar Samuel H. Elbert, Mary Kawena Pukui, 2021-05-25 Without question this is the definitive grammar of the Hawaiian language Indeed it is the first attempt at a comprehensive treatment of the subject since W D Alexander published his concise *Short Synopsis of the Most Essential Points in Hawaiian Grammar* in 1864 This grammar is intended as a companion to the *Hawaiian Dictionary* by the same authors The grammar was written with every student of the Hawaiian language in mind from the casual interested layperson to the professional linguist and grammarian Although it was obviously impossible to avoid technical terms their use was kept to a minimum and a glossary is included for those who need its help Each point of grammar is illustrated with examples many from Hawaiian language literature *Introduction to Hawaiian Grammar* W. D. Alexander, 2004-01-01 The best available primer in the grammar of the Hawaiian language Its introduction to the structure and idiosyncrasies of the language offers an opportunity to study the genuine uncorrupted idiom as spoken by older Hawaiians of a century ago Employs the standard terms and divisions of European grammars with clear explanations and numerous examples **Grammar of the Hawaiian Language** Lorrin Andrews, 1854 **A Short Synopsis of the Most Essential Points in Hawaiian Grammar** William De Witt Alexander, 1864 [Hawaiian Grammar](#) Samuel Hoyt Elbert, Mary Kawena Pukui, 1971 **A Short Synopsis of the Most Essential Points in Hawaiian Grammar** W. D. Alexander, 1864 **Hawaiian Dictionary & Phrasebook** A. Scott Britton, 2007 If you re traveling to Hawaii and the only Hawaiian word you know is Aloha this is the book for you Hawaiians are enormously proud of their heritage and Hawaiian shares official language status with English This book provides all the language you need to get by in Hawaiian and is the ideal companion for vacationers and others interested in traditional Hawaiian culture Divided into three parts this book includes an easy guide to Hawaiian pronunciation and grammar a two way dictionary of essential words and a phrasebook covering useful topics such as greetings food drink cultural activities and more **BOOK JACKET** **Introduction to Hawaiian Grammar** William De Witt Alexander, 2004 [A Short Synopsis of the Most Essential Points in Hawaiian Grammar](#) W. D. Alexander, 2015-06-25 Excerpt from *A Short Synopsis of the Most Essential Points in Hawaiian Grammar* As all former grammars of the Hawaiian language are out of print at the solicitation of friends I have revised and enlarged a brief synopsis of Hawaiian grammar which was originally written for my pupils and published in 1864 This little work does not pretend to be a philosophical treatise or to be a complete account of the structure and peculiarities of the Hawaiian branch of the Polynesian language But it is hoped that it may be of service to those who wish to study the genuine uncorrupted idiom as spoken by the older Hawaiians as well as to students of comparative philology The terms and divisions of European grammars have been retained for the convenience of students although they are only partially applicable to languages of a radically different type I have to acknowledge my obligations to Rev L Andrews *Hawaiian Grammar* to Dr Maunsell s *New Zealand Grammar* and to M Gaussin s able work on the Polynesian language About the Publisher Forgotten

Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Hawaiian Language and Hawaiian-English Dictionary Henry Pratt Judd,1977 *Pedagogical Grammar of Hawaiian* Emily A. Hawkins,1982 *The Voices of Eden* Albert J. Schütz,1995-01-01 How did outsiders first become aware of the Hawaiian language How were they and Hawaiians able to understand each other How was Hawaiian recorded and analyzed in the early decades after European contact Albert J Schutz provides illuminating answers to these and other questions about Hawaii s postcontact linguistic past The result is a highly readable and accessible account of Hawaiian history from a language centered point of view The author also provides readers with an exhaustive analysis and critique of nearly every work ever written about Hawaiian *Hawaiian Language* Albert J. Schütz,2020-05-31 With color and black and white illustrations throughout Hawaiian Language Past Present Future presents aspects of Hawaiian and its history that are rarely treated in language classes The major characters in this book make up a diverse cast Dutch merchants Captain Cook s naturalist and philologist William Anderson p kaha ia the inspiration for the Hawaiian Mission the American lexicographer Noah Webster philologists in New England missionary linguists and their Hawaiian consultants and many minor players The account begins in prehistory placing the probable origins of the ancestor of Polynesian languages in mainland Asia An evolving family tree reflects the linguistic changes that took place as these people moved east The current versions are examined from a Hawaiian centered point of view comparing the sound system of the language with those of its major relatives in the Polynesian triangle More recent historical topics begin with the first written samples of a Polynesian language in 1616 which led to the birth of the idea of a widespread language family The next topic is how the Hawaiian alphabet was developed The first efforts suffered from having too many letters a problem that was solved in 1826 through brilliant reasoning by its framers and their Hawaiian consultants The opposite problem was that the alphabet didn t have enough letters analysts either couldn t hear or misinterpreted the glottal stop and long vowels The end product of the development of the alphabet literacy is more complicated than some statistics would have us believe As for its success or failure both points of view from contemporary observers are presented Still it cannot be denied that literacy had a tremendous and lasting effect on Hawaiian culture The last part of the book concentrates on the most used Hawaiian reference works dictionaries It describes current projects that combine print and manuscript collections on a searchable website These projects can include the growing body of manuscript and print material that is being made available through recent and ongoing research As for the future a proposed monolingual dictionary would allow users to avoid an English

bridge to understanding and move directly to a definition that includes Hawaiian cultural features and a Hawaiian worldview

Hawaiian Dictionary Mary Kawena Pukui, Samuel H. Elbert, 1986-03-01 For many years Hawaiian Dictionary has been the definitive and authoritative work on the Hawaiian language Now this indispensable reference volume has been enlarged and completely revised More than 3 000 new entries have been added to the Hawaiian English section bringing the total number of entries to almost 30 000 and making it the largest and most complete of any Polynesian dictionary Other additions and changes in this section include a method of showing stress groups to facilitate pronunciation of Hawaiian words with more than three syllables indications of parts of speech current scientific names of plants use of metric measurements additional reconstructions classical origins of loan words and many added cross references to enhance understanding of the numerous nuances of Hawaiian words The English Hawaiian section a complement and supplement to the Hawaiian English section contains more than 12 500 entries and can serve as an index to hidden riches in the Hawaiian language This new edition is more than a dictionary Containing folklore poetry and ethnology it will benefit Hawaiian studies for years to come

Let's Speak Hawaiian—E Kama'ilio Hawai'i Kakou Dorothy M. Kahananui, Alberta P. Anthony, 2021-05-25 Let s Speak Hawaiian is a comprehensive Hawaiian language course intended for use at the secondary school and college levels In this second edition the text continues to answer the need for new methods and materials in language instruction and presents extensive research on the Hawaiian language It is composed almost entirely of material that has been tested in classroom situations it employs the aural oral method and emphasizes the development of conversational skills through dialogues and drills Hawaiian and English texts are on separate pages to aid in rendering the student s first language inoperative These methods together with memorization and drill will help the student more readily to achieve fluency in Hawaiian unhampered by English The text includes directed responses questions and answers short narratives pattern practice conversations and material for practice in tenses sentence expansion and comparative forms This new edition also offers more comprehensive illustrations and explanations of word usage and syntax based on the most recent and most authoritative Hawaiian language definitions

Hawaiian National Bibliography, 1780-1900 David W. Forbes, 2000-08-01 The second volume of the Hawaiian National Bibliography records the transformation of Hawai i from a feudal system of government to a constitutional monarchy whose autonomy was recognized by the United States and the great powers of Europe Here are referenced the formation of laws a constitution a bill of rights and government reports Political entanglements with Great Britain and France the Provisional Cession of Hawai i to Great Britain and the restoration of sovereignty in 1843 are documented Publications resulting from the United States Exploring Expedition under Captain Charles Wilkes are included Also listed and described are theater bills broadsides and other ephemera which illuminate the everyday life of the period

A Catalogue of Dictionaries and Grammars of the principal languages and dialects of the world; with a list of the leading works in the science of language Nikolaus Trübner, 1882

New Hawaiian Fishes Alvin Seale, 1902

Natural History of Hawaii

William Alanson Bryan,1915 *Trubner's Catalogue of Dictionaries and Grammars of the Principal Languages and Dialects of the World* Anonymous,2024-05-30 Reprint of the original first published in 1882
