Harpers Magazine January 1937:

Harper's Magazine Henry Mills Alden, Thomas Bucklin Wells, Lee Foster Hartman, Frederick Lewis Allen, 1922

Dictators, Democracy, and American Public Culture Benjamin L. Alpers, 2003-10-16 Focusing on portrayals of Mussolini's Italy Hitler's Germany and Stalin's Russia in U.S. films magazine and newspaper articles books plays speeches and other texts Benjamin Alpers traces changing American understandings of dictatorship from the late 1920s through the early years of the Cold War During the early 1930s most Americans' conception of dictatorship focused on the dictator Whether viewed as heroic or horrific the dictator was represented as a figure of great masculine power and effectiveness As the Great Depression gripped the United States a few people including conservative members of the press and some Hollywood filmmakers even dared to suggest that dictatorship might be the answer to America's social problems In the late 1930s American explanations of dictatorship shifted focus from individual leaders to the movements that empowered them Totalitarianism became the image against which a view of democracy emphasizing tolerance and pluralism and disparaging mass movements developed First used to describe dictatorships of both right and left the term totalitarianism fell out of use upon the U.S. entry into World War II With the war's end and the collapse of the U.S. Soviet alliance however concerns about totalitarianism lay the foundation for the emerging Cold War

Publications United States. Division of Vocational Education, 1941 Selective Placement for the Handicapped United States Employment Service, 1943 *The WPA Guides* Christine Bold, 1999 As regionalists jostled with federal officialdom the faultlines of the project gaped open Spot lighting the controversies between federal and state bureaucracies Bold concludes that the image of America that the WPA fostered is closer to fabrication than to actuality

E.B. White Scott Elledge, 1986 Here is a richly detailed and vivid biography of the man who wrote Charlotte's Web The Trumpet of the Swan and Stuart Little the White of Strunk and White the writer whose style and humor were so important in distinguishing The New Yorker's first thirty years Included are some fifty photographs and drawings as well as manuscript facsimiles

Old Age and the Search for Security Carole Haber, Brian Gratton, 1993-12-22 Haber and Gratton lay to rest many conventional assumptions concerning the place of older persons in American history Choice Haber and Gratton's meaty little book does more than provide an intelligent synthesis of existing old age history its new interpretations insights and shifts of emphasis will provoke responses and help move historians work away from the now threadbare original disputes in the field toward new questions and approaches American Historical Review Indeed Haber and Gratton give us a refreshingly multidimensional history of the shift in old age security from work assets or children to government annuities Contemporary Sociology the history of old age has finally come of age The authors successfully synthesize the best of the earlier social and cultural studies with new empirical evidence and recent findings of economic historians Journal of Economic History A truly revisionary interpretation of the cultural and structural forces that shaped the elderly's lives from the colonial period to the present Lucid and controversial it is bound to be widely cited and

hotly contested W Andrew Achenbaum This social history of the American elderly offers a provocative new view of aging in the United States It revises traditional assumptions about the economic status of the old and challenges the long held contention that industrialization destroyed family relationships The Face of Decline Thomas L. Dublin, Walter Licht, 2016-11-15 The anthracite coal region of Pennsylvania once prospered Today very little mining or industry remains although residents have made valiant efforts to restore the fabric of their communities In The Face of Decline the noted historians Thomas Dublin and Walter Licht offer a sweeping history of this area over the course of the twentieth century Combining business labor social political and environmental history Dublin and Licht delve into coal communities to explore grassroots ethnic life and labor activism economic revitalization and the varied impact of economic decline across generations of mining families The Face of Decline also features the responses to economic crisis of organized capital and labor local business elites redevelopment agencies and state and federal governments Dublin and Licht draw on a remarkable range of sources oral histories and survey questionnaires documentary photographs the records of coal companies local governments and industrial development corporations federal censuses and community newspapers The authors examine the impact of enduring economic decline across a wide region but focus especially on a small group of mining communities in the region s Panther Valley from Jim Thorpe through Lansford to Tamaqua The authors also place the anthracite region within a broader conceptual framework comparing anthracite s decline to parallel developments in European coal basins and Appalachia and to deindustrialization in the United States more generally Vocational Division Bulletin ,1941 Vocational Division Bulletin United States. Division of Vocational Education,1939 Credit Problems of Families ,1940 **Vocational Education Bulletin** United States. Division of Vocational Education,1939 **Adult Education Bulletin** ,1936 **Blacks in the Army Air Forces During World War II** Alan M. Osur,1977 This book is based upon a Ph D dissertation written by an Air Force officer who studied at the University of Denver Currently an Associate Professor of History at the Air Force Academy Major Osur s account relates how the leadership in the War Department and the U S Army Air Forces USAAF tried to deal with the problem of race and the prejudices which were reflected in the bulk of American society It tells a story of black racial protests and riots which such attitudes and discrimination provoked The author describes many of the discriminatory actions taken against black airmen whose goal was equality of treatment and opportunities as American citizens He also describes the role of black pilots as they fought in the Mediterranean theater of operations against the Axis powers In his final chapters he examines the continuing racial frictions within the Army Air Forces which led to black servicemen protests and riots in 1945 at several installations **Blacks in the Army Air Forces During World War II: The Problems of Race Relations** ,1977 *Answers to Questions About Old Jewelry, 1840-1950 C.* Jeanenne Bell,2014-11-11 A Jewelry Classic For three decades *Answers to Questions About Old Jewelry* has served as the most respected and authoritative reference to the subject of vintage jewelry on the market The new edition of this timeless

classic finds acclaimed jewelry expert C Jeanenne Bell at her best u sharing her impressive understanding of the subject with unbridled passion for her life long pursuit Offering significant historical information and lavish images of remarkable pieces this best selling guide to antique jewelry takes you on a beautiful and edifying adventure Bell s historical sense coupled with her keen eye for detail and value makes her work a cherished addition to the library for both the beginning or veteran jewelry collector This new edition features nearly 1 000 all new color photographs of the most collectible jewelry today from 1840 to 1950 fully vetted values and offers indispensable insight for various jewelry styles including Victorian Edwardian and Egyptian Revival Art Nouveau and Art Deco Retro Modern Bakelite Costume Mexican and Modernist A former appraiser for Antiques Roadshow Bell also provides additional information on maker s marks trademarks designer marks and circa dating clues

The Dark Valley Piers Brendon, 2002-01-08 The 1930s were perhaps the seminal decade in twentieth century history a dark time of global depression that displaced millions paralyzed the liberal democracies gave rise to totalitarian regimes and ultimately led to the Second World War In this sweeping history Piers Brendon brings the tragic dismal days of the 1930s to life From Stalinist pogroms to New Deal programs Brendon re creates the full scope of a slow international descent towards war Offering perfect sketches of the players riveting descriptions of major events and crises and telling details from everyday life he offers both a grand rousing narrative and an intimate portrait of an era that make sense out of the fascinating complicated and profoundly influential years of the 1930s

Paper Walls: America and the Refugee Crisis, 1938-1941 David S. Wyman, 2019-07-31 Paper Walls was the first scholarly book to deal with the question of America s response to the Nazi assault on the European Jews A revised version of my Ph D dissertation at Harvard University it was originally published in 1968 Those times were very different from these There was little public receptivity to Holocaust studies then and only limited academic interest The scholarly reviews of which there were several were favorable But the general press paid little attention to the book A pioneer in its field Paper Walls first established the thesis that three features of American society in the 1930 s and 1940 s were key to understanding the nation s inadequate response to the refugee crisis They were anti Semitism nativistic nationalism and the unemployment problem of the Great Depression This basic concept has been followed in all the succeeding scholarly literature on the topic This concept is also the main legacy from Paper Walls to my more recent book The Abandonment of the Jews America and the Holocaust 1941 1945 1984 Although Abandonment stands as a complete study in its own right it is in fact the sequel to Paper Walls It is a continuation of the history of America s reaction to the plight of the European Jews in the Nazi era David S Wyman Preface to the 1985 paperback edition of Paper Walls A thorough study of American refugee policy from 1938 to 1941 On the basis of Wyman s book the United States stands indicted for a tragic failure to live up to its nineteenth century ideal of asylum Though Wyman makes no effort to disguise his strong sympathy for the refugees his book gives a careful and well documented history of American refugee policy The state department above all Assistant Secretary of State Breckinridge Long emerges from his

pages as the primary culprit The attitude displayed by the foreign service led to the creation of the paper walls that Wyman so honestly and tragically describes in this important book Robert A Divine Journal of American History The first scholarly examination of American refugee policy between 1938 and 1941 What Wyman sets out to do he does extremely well Paper Walls is a worthwhile addition to our growing knowledge of the policy of those who bore witness to the Holocaust Henry L Feingold American Jewish Historical Quarterly No one who reads this book will be able to ignore the fact that blatant antisemitism in the United States from the public from Congress and from within the State Department prevented our government from giving more than minimal assistance to the Jewish refugees Professor Wyman has done an immense amount of research in primary and secondary sources and Paper Walls is extraordinarily sound and superbly documented It is tightly written well organized and logically presented Leonard Dinnerstein Jewish Social Studies The conclusions of the book are stark and simple The half filled quotas of mid 1940 to mid 1941 when refugee rescue remained entirely feasible symbolize 20 000 to 25 000 lives lost In the eight years from 1933 to 1941 about 250 000 refugees found safety here The total is not small but neither is the country which received them Raul Hilberg Political Science Quarterly Generally President Roosevelt left refugee policy to the disposition of a hostile Congress and the State Department Yet as the author points out neither Roosevelt the State Department nor Congress can be blamed entirely for what happened Viewed within the context of its times United States refugee policy from 1938 to the end of 1941 was essentially what the American people wanted In December 1938 only 8 7 per cent of the respondents to a Roper poll favored entry of a larger number of European refugees than the quota law allowed fully 83 per cent were flatly opposed This book tells a dismal story While it is dear where the author s sympathies lie he tells the story with restraint if anything his approach and writing style underplay the pathos involved Wyman has given us a scholarly description and analysis of the first act of the tragedy which he promises to carry on through the war and postwar years J Joseph Huthmacher The American Historical Review This thoroughly documented study of the United States policies in regard to the refugee crisis of 1938 1941 is the best available source in this field and on that period Drawing on material from some well known as well as several previously untapped sources Wyman discusses both the ambiguous role of particular figures and organizations and the underlying forces at work in American society which influenced governmental policy and practices anti semitism nativism fear of unemployment and of Nazi subversives are shown as the major pressure to which America s people and leaders succumbed Joseph S Roucek The International Migration Review This is a depressing topic impressively researched Professor Wyman has investigated almost all the relevant primary and secondary materials in order to recount the tragic story of America s indifference to the hundreds of thousands of refugees fleeing Hitler s Europe Over two thirds of Americans desired to keep the Jewish refugees out of the United States Wyman argues that this sentiment was due to three sources nativism anti Semitism and economic insecurity There is enough evidence in Wyman s book to cause the Statue of Liberty to collapse for lack of moral foundation John P Diggins The

Historian Professor Wyman skillfully investigates and thoughtfully analyzes the complexities of the crisis and the reasons why more was not done to aid the refugees in the crucial period between 1938 and 1941. The author examines the problem thoroughly from a number of standpoints. The State Department, the Congress, and the President really were reflecting the attitudes of the American people, who Wyman asserts were indifferent and even antagonistic to the refugees because of the economic insecurity engendered by the depression, nativistic nationalism, and anti-Semitism. A well-researched and lucidly if not dispassionately written book, *Paper Walls* is a sound workmanlike study of a significant episode in our nation's recent past.

E. Berkeley Tompkins, *The Annals of the American Academy of Political and Social Science*

Urban Farming in the West

Robert Carriker, 2010-04-15

From 1933 to 1935, the federal government's Division of Subsistence Homesteads created thirty-four New Deal communities that sought to provide a healthier and more economically secure life for disadvantaged Americans. These settlements were designed to combine the benefits of rural and urban living by offering part-time farming, uplifting social functions, and inexpensive homes. Four were located in the West: in Phoenix, Arizona; El Monte, California; and Longview, Washington. Robert Carriker examines for the first time the intricate histories of these subsistence homestead projects, which have long been buried in bureaucratic records and clouded by misunderstanding, showing that in many ways they were among the agency's most successful efforts. He provides case studies of the projects, rescuing their obscure histories using archival documents and rare photographs. He also reveals the machinations of civic groups and private citizens across the West who jockeyed for access to the funds being allotted for New Deal community building. By describing what took place on these western homesteads, Carriker shows that the DSH's agenda was not as far-fetched as some have reported. The tendency to condemn the Division and its projects, he argues, has failed to appreciate the good that came from some of the individual homestead communities, particularly those in the Far West. Although overshadowed by the larger undertakings of the New Deal, some of these western communities remain thriving neighborhoods, living legacies to FDR's efforts that show how the country once chose to deal with economic hardship. Too often, the DSH is noted for its failures. Carriker's study shows that its western homesteads were instead qualified accomplishments.

The American Foreign Service in China, 1935-1941 Gregory S. Prince, 1980

Thank you utterly much for downloading **Harpers Magazine January 1937**. Maybe you have knowledge that, people have see numerous period for their favorite books subsequently this Harpers Magazine January 1937, but end occurring in harmful downloads.

Harpers Magazine January 1937 Introduction

In today's digital age, the availability of Harpers Magazine January 1937 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Harpers Magazine January 1937 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Harpers Magazine January 1937 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Harpers Magazine January 1937 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Harpers Magazine January 1937 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Harpers Magazine January 1937 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Harpers Magazine January 1937 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public.

Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Harpers Magazine January 1937 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Harpers Magazine January 1937 books and manuals for download and embark on your journey of knowledge?

FAQs About Harpers Magazine January 1937 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
