education and progress as a painter before he was a well known artist and his time on the battlefield in Europe before he
cast his lot in with a group of like minded Toronto artists Jackson fought many battles he was a feisty and opinionated
combatant when he crossed swords with critics collectors museums galleries and fellow painters as an emerging artist
Moving from Montreal to Toronto in 1913 he became a key figure in a landscape movement that was determined to depict
Canada in a bold new way only to have a war dash the group s collective ambitions Alone among his close associates Jackson
enlisted to fight with the 60th Infantry Battalion Wounded at Sanctuary Wood in 1916 he returned to the field of combat as
an official war artist the first Canadian artist appointed the only infantryman in the program and militated for other Canadian
appointments to what is now a storied moment of creation for such artists as F H Varley and Arthur Lismer Jackson produced
some of Canada s most memorable depictions of the world s first industrial scale conflict even as he reckoned with the

from which the Group of Seven emerged in the early 1920s Douglas Hunter shows how Jackson's war was a moment of intense transformation and artistic development on the canvas as well as an experience that tempered a young man into a constructive elder statesman for Canadian art On his return home he was not only instrumental in the formation of the Group of Seven in Toronto but a key figure for the Beaver Hall Group in Montreal Jackson's Wars is a story of brotherhoods of painters and soldiers shot through with inspiration ambition trauma and loss on the home front as well as on the battlefield Hunter widens and deepens A Y Jackson's world of friends family and colleagues to capture the life of a complex man and the crucial events and relationships behind the creation of Canada's best known art collective **Charles Thomas Jackson, "the Head Behind the Hands"** Richard J.
