## **Harry Winston:**

*Harry Winston* Harry Winston, 2025-09-30 The definitive book on the famed jeweler Harry Winston is revised and updated with over forty new images featuring some of the world's most iconic jewels, modern masterpieces and celebrity worn creations. From the iconic Hope Diamond to the famous Diamonds Are a Girl's Best Friend and from runways and red carpets to presidential inaugural balls, Harry Winston jewels have become synonymous with international glamour. Established in New York in 1932, Harry Winston quickly ascended to the pinnacle of the global diamond industry. Winston revolutionized jewelry design by acquiring prestigious estate collections and transforming their precious stones into modern, captivating pieces. This book celebrates Winston's most stunning jewels and designs through mesmerizing advertising campaigns, historical photos and celebrity moments, while also highlighting the significant stones the company has worked with, such as the Hope, Lesotho and Vargas Diamonds. Showcasing both archival and contemporary jewels and watches worn by stars like Elizabeth Taylor, Gwyneth Paltrow, Halle Berry and Marilyn Monroe, this book features some of the most remarkable creations and timepieces ever made. **Harry Winston** Alexis Gregory, 2006 **King of Diamonds** Ronald Winston, William Stadiem, 2023-09-19 This authoritative and intimate biography, written by his only living son, Ronald Winston, marries the Gilded Age glamour and romance of Edith Wharton with the ruthless family dynamics of HBO's hit series *Succession*. Few American success stories rival that of Harry Winston. Born Harry Weinstein, he came from humble roots; his parents were poor Jewish immigrants who left Ukraine around 1890 for New York, where they settled and started a small jewelry business. His genius for spotting priceless gems emerged young. When Harry was twelve years old, he recognized a two-carat emerald in a pawn shop and bought it for 25 cents, selling it two days later for 800, a massive sum in the early 1900s. From that moment on, Harry became obsessed with gems, especially diamonds. A compact, unassuming man with no formal education but unlimited drive and ambition, Harry Weinstein transformed himself into Harry Winston, the enigmatic figure who created the world's most prestigious luxury brand. Harry Winston built his empire while the Depression raged, World War II reshaped the world, and America entered its post-war period of prosperity. In this riveting biography, readers get a bird's-eye view of the dangers of the diamond trade and the lengths men would go to get their hands on the best of the rough. There's also a glimpse into the lives of the rich and famous who clamored for Winston's gems. Although he traveled the world doing business with kings, queens and movie stars, Winston remained a devoted family man whose chief wish was that his sons carry on the legacy he had built. Harry's older son, Ronald Winston, worked alongside his father for decades. After Harry's death, Ron grew the company into the international brand that is still revered today. He ran it expertly until he was forced to sell the company due to his younger brother's maligning litigation. This is the story of a family business that survived and thrived for more than a century until it was undone by one bitter family member. **KING OF DIAMONDS** is at once a portrait of American ingenuity at
