**Harry S. Truman** Robert H. Ferrell,2013-07-22 Few U S presidents have captured the imagination of the American people as has Harry S Truman the man from Missouri In this major new biography Robert H Ferrell widely regarded as an authority on the thirty third president challenges the popular characterization of Truman as a man who rarely sought the offices he received revealing instead a man who with modesty commitment to service and basic honesty moved with method and system toward the presidency Truman was ambitious in the best sense of the word His powerful commitment to service was accompanied by a remarkable shrewdness and an exceptional ability to judge people He regarded himself as a consummate politician a designation of which he was proud While in Washington he never succumbed to the Potomac fever that swelled the heads of so many officials in that city A scrupulously honest man Truman exhibited only one lapse when at the beginning of 1941 he padded his Senate payroll by adding his wife and later his sister From his early years on the family farm through his pivotal decision to use the atomic bomb in World War II Truman s life was filled with

fascinating events Ferrell's exhaustive research offers new perspectives on many key episodes in Truman's career including his first Senate term and the circumstances surrounding the Truman Doctrine and the Marshall Plan In addition Ferrell taps many little known sources to relate the intriguing story of the machinations by which Truman gained the vice presidential nomination in 1944 a position which put him a heartbeat away from the presidency No other historian has ever demonstrated such command over the vast amounts of material that Robert Ferrell brings to bear on the unforgettable story of Truman's life Based upon years of research in the Truman Library and the study of many never before used primary sources Harry S Truman is destined to become the authoritative account of the nation's favorite president *Harry the Dirty Dog Board Book* Gene Zion, 2006-01-24 Harry is a white dog with black spots who hates to take a bath One day he gets so dirty he has black fur with white spots Where's Harry *Lady Vanishes* Carol Lea Benjamin, 2025-01-07 A PI goes undercover with her pit bull partner as a dog therapist in a crime novel from a Shamus Award winning author canine fans will relish Publishers Weekly When Lady the beloved therapy dog of the Harbor View residential home goes missing private investigator Rachel Alexander and her dog Dash slip in easily as the new service dog and trainer though figuring out who murdered Harbor View's owner is not so simple Dash brings order and calm to Harbor View's residents but Rachel is deeply disturbed when her client and chief source of clues is badly injured in an accident Suddenly the stakes are even higher for Rachel Dash and the ensemble of eccentric residents they have come to care for A snappy pace and a tough mystery Booklist Indispensable for readers who love man's best friend right back Human watchers will find the psychology sound Kirkus Reviews Praise for the Rachel Alexander and Dash Mysteries One of the best private eye series around Harlan Coben 1 New York Times bestselling author of Fool Me Once Her high quality of prose and convincing way with dialogue may surprise and delight new readers Chicago Sun Times Rachel Alexander is someone who holds your interest and makes you keep turning the pages Nevada Barr New York Times bestselling author of Flashback A serious approach to the canine crime writing niche Dash is nevertheless a dependably entertaining companion among murder and mayhem Rocky Mountain News Benjamin's work is first rate The Plain Dealer *Haunted Graveyard of the Pacific* Ira Wesley Kitmacher, 2020-02-10 Despite its idyllic setting the coast of the Pacific Northwest has another darker name by which it is known the Graveyard of the Pacific Two thousand ships and countless lives have been lost to the waters of the Pacific Ocean and the Columbia River has claimed many more The spirits of early settlers Native Americans and drowned mariners are said to linger near the shores From ghostly treasure hunters eternally searching for buried gold to a graveyard filled with souls that met violent ends legends abound Join author Ira Wesley Kitmacher as he uncovers mysterious tales and takes readers on a road trip through this most haunted place in America *The Dog Fancier*, 1928 **Merchant Vessels of the United States...** United States.
