Public Papers of the Presidents of the United States: Harry S. Truman, 1949, Volume 5 Truman, Harry S., 1964-01-01
Public Papers of the Presidents of the United States **Guide to Historical Materials in the Harry S. Truman Library**
Harry S. Truman Library, 1991 Model Study of Harry S. Truman Spillway, Osage River, Missouri Glenn A. Pickering, D.
Bruce Murray, 1979 *Public Papers of the Presidents of the United States, Harry S. Truman: 1951* United States. President
(1945-1953 : Truman), 1965 *Harry S. Truman* Robert H. Ferrell, 2013-07-22 Few U S presidents have captured the
imagination of the American people as has Harry S Truman the man from Missouri In this major new biography Robert H
Ferrell widely regarded as an authority on the thirty third president challenges the popular characterization of Truman as a
man who rarely sought the offices he received revealing instead a man who with modesty commitment to service and basic
honesty moved with method and system toward the presidency Truman was ambitious in the best sense of the word His
powerful commitment to service was accompanied by a remarkable shrewdness and an exceptional ability to judge people He
regarded himself as a consummate politician a designation of which he was proud While in Washington he never succumbed
to the Potomac fever that swelled the heads of so many officials in that city A scrupulously honest man Truman exhibited only
one lapse when at the beginning of 1941 he padded his Senate payroll by adding his wife and later his sister From his early
years on the family farm through his pivotal decision to use the atomic bomb in World War II Truman s life was filled with
fascinating events Ferrell s exhaustive research offers new perspectives on many key episodes in Truman s career including
his first Senate term and the circumstances surrounding the Truman Doctrine and the Marshall Plan In addition Ferrell taps
many little known sources to relate the intriguing story of the machinations by which Truman gained the vice presidential
nomination in 1944 a position which put him a heartbeat away from the presidency No other historian has ever demonstrated
such command over the vast amounts of material that Robert Ferrell brings to bear on the unforgettable story of Truman s
life Based upon years of research in the Truman Library and the study of many never before used primary sources Harry S
Truman is destined to become the authoritative account of the nation s favorite president **Harry S. Truman** Brian
Burnes, 2003 Harry S. Truman United States. President (1945-1953 : Truman), 1965 **Harry S Truman Airport**
Expansion, St. Thomas, 1976 **The Presidency of Harry S. Truman** Donald R. McCoy, 1984 In this volume in the
American Presidency Series McCoy recounts and evaluates the record of the Truman Administration and identifies its
distinctiveness and relations to the past its own time and the future Focusing on the problems that faced the United States
between 1945 1953 he explains how Truman s vigor in championing civil rights health labor education and natural resource
policies brought him immense unpopularity and how despite this Truman triumphed in 1948 winning bipartisan support for
his foreign and military policies The author depicts Truman as an honest hard working capable and complex man and
describes his relationships with his staff Congress foreign representatives the judiciary political parties the press the public
