The John Updike Encyclopedia Jack De Bellis, 2000-09-30 John Updike is one of the most seminal American writers of the 20th century and one of the most prolific as well. In addition to his best-selling novels he has written numerous poems, short stories, reviews, and essays. His writing consistently reveals stylistic brilliance and through his engagement with America's moral and spiritual problems his works chronicle America's hopes and dreams, failures and disappointments. Though he is an enormously popular writer the complexity and elegance of his works have elicited growing scholarly attention. Through several hundred alphabetically arranged entries this book provides both casual and serious readers an exceptional guide to his life and writings. Whether the reader is seeking a novel summary, an authoritative analysis of subjects, elucidation of an allusion or a point about Updike's life or manner of composition the encyclopedia is indispensable. A chronology summarizes the major events in Updike's career while an introductory essay examines his progress as a writer from his crafted light verse and informed reviews to his innovative novels and stories. The entries that follow summarize Updike's books, describe all major characters, explain allusions, identify major images and symbols, analyze principal subjects, discuss his life and career and draw on the most significant scholarship. Entries include bibliographies and the volume closes with a list of works for further reading.

The Lyre Book Matthew Kilbane, 2024-02-27 This work explores the lyric poem as an indispensable artifact at the intersection of literary and media studies and a critical index of the social history of technological change.

Scratch One Michael Crichton writing as John LangeTM, 2023-12-05 From the creator of Jurassic Park and ER A pulp fiction thrill ride through a deadly case of mistaken identity. Playboy Roger Carr is handsome, wealthy and connected. As an occasional lawyer he's the right man to send to the French Riviera to secure a villa for an important client. It's the perfect assignment complete with fast cars and fast women until strange things begin to happen and Roger realizes that someone is trying to kill him. A ruthless terrorist organization called the Associates is carrying out assassinations from Egypt to Denmark. To stop them the CIA orders their own super assassin a man who bears a striking resemblance to Roger Carr to intercept the Associates in France. The CIA assassin never shows up but the clueless counselor does and now he finds himself on the run from some of the world's deadliest terrorists. With a new introduction by Sherri Crichton.

The Venom Business Michael Crichton writing as John LangeTM, 2023-09-26 From the creator of Jurassic Park and ER Charles Raynaud has found the perfect cover for his smuggling operation running out of Mexico because how many customs agents are going to want to inspect a carton of venomous snakes. When Raynaud runs into his old Yale buddy Richard Pierce a chance to play bodyguard feels like even easier money. Pierce has a large inheritance coming but a series of thwarted attempts on his buddy's life makes Charles begin to smell a rat. Who's really trying to kill whom? And why is Charles starting to believe that he's the real target?
