

A woman with curly hair is shown in profile, looking out over a city at night. The city lights are blurred in the background, creating a bokeh effect. The woman's face is in sharp focus, and she has a slight smile. The overall mood is contemplative and romantic.

## Harvest A Novel:

Harvest Christine Carrell, 2017      **Harvest** V. I. Longman, 2012-08 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy      **Harvest** Jim Crace, 2013-09-20 SHORT LISTED FOR THE MAN BOOKER PRIZE A Christian Science Monitor Best Book of the Year On the morning after harvest the inhabitants of a remote English village awaken looking forward to a hard earned day of rest and feasting at their landowner's table But the sky is marred by two conspicuous columns of smoke replacing pleasurable anticipation with alarm and suspicion One smoke column is the result of an overnight fire that has damaged the master's outbuildings The second column rises from the wooded edge of the village sent up by newcomers to announce their presence In the minds of the wary villagers a mere coincidence of events appears to be unlikely with violent confrontation looming as the unavoidable outcome Meanwhile another newcomer has recently been spotted taking careful notes and making drawings of the land It is his presence more than any other that will threaten the village's entire way of life In effortless and tender prose Jim Crace details the unraveling of a pastoral idyll in the wake of economic progress His tale is timeless and unsettling framed by a beautifully evoked world that will linger in your memory long after you finish reading      *Seedtime and Harvest. [A Novel.]*. Eleanor BLAKE (pseud.), 1935      So Short a Harvest Anita Grey, 1963      **Harvest Season** Melanie Lageschulte, 2020-06-09 The right road will always lead you home But how do you know which path to choose As late summer fades into fall Melinda's efforts at her rented farmhouse are starting to bear fruit She's learned to preserve produce outsmart some stubborn chickens and wrangle a flock of spoiled sheep She revels in the peace she's found in the country where time is marked by morning fresh eggs and stunning sunsets But even in the small town of Prosper nothing stays the same One member of the hardware store's coffee group shares a startling announcement and a trip back to the city makes Melinda realize how deep her roots run in rural Iowa When autumn's changing winds bring new opportunities will she seek the security of her old life or take a chance on an uncertain future Second in a series Large print Font is 16pt Georgia See back cover for sample of text      **In Time of Harvest** John L. **Navigating Change** Onajite Akemu, 2021-07-23 Change The word evokes feelings of trepidation and fear in the hearts of many And the reason isn't far fetched change always alters and upends everything in its path While everyone knows that change changes things many don't know that change itself is governed by just a few unchanging principles This book takes the mystery and the fear and trepidation out of change by unveiling those principles Crucially also this book explains the practice of change revealing the small subset of actions leaders have to take to successfully implement change Implementing change is where the proverbial rubber meets the road it's the part of the change process that gives us the most jitters because of the plethora of unexpected events crises failures loss of critical assets etc that often pop up This book includes a section that is novel in concept one that links crises and other unexpected events the pitfalls and progeny of change to change itself By showing leaders how to manage these unexpected events this book addresses the fear that often prevents people from changing If you want to make the transition from being always at the mercy of change to being in the driver's seat of change this book is for you
