## **Harvest Of Hoodwinks Masters Of The Lam:**

**Reading Revelation** W Gordon Campbell, 2012-07-26 The Book of Revelation can be read in various ways Where interpretation opts not to venture beyond Revelation or approach the book as a forecast of end time events it typically favours either going behind the text in search of a socio historical context of origin to which it might refer or else standing in front of the text and investigating the book's reception history or its present relevance and impact Comparatively little interpretative work has been undertaken inside the text exploring the mechanics of how Revelation works still less how its complex parts might fit together into a meaningful whole Gordon Campbell considers Revelation to be a coherent narrative composition that draws its hearer or reader into its text world In *Reading Revelation A Thematic Approach* Campbell gives an innovative account of Revelation's sophisticated thematic content Mindful of Revelation's narrative verve or its architecture en mouvement as Jacques Ellul once put it Campbell plots a series of thematic trajectories through the book On this reading parody and parallelism fundamentally shape the whole narrative As a first ever integrated account of Revelation's macro themes *Reading Revelation* makes an important contribution to Revelation scholarship In its light the book may justifiably be seen as the crowning achievement of the Scriptures *The Nation*, 1914 **New Zealand Farmer Weekly**, 1924 **The Compact Edition of the Oxford English Dictionary** Sir James Augustus Henry Murray, 1971 Micrographic reproduction of the 13 volume Oxford English dictionary published in 1933 **A Harvest of Hoodwinks**, 1970
