Harvey Logan Wildest Of The Wild Bunch:

Harvey Logan Donna B. Ernst, 2003 outlaw history and biography **The Deadliest Outlaws** Jeffrey Burton, 2009 In the late nineteenth century Tom Ketchum and his brother Sam formed the Ketchum Gang with other outlaws and became successful train robbers In their day these men were the most daring of their kind and the most feared Eventually Tom Ketchum was caught and sentenced to death for attempting to hold up a railway train He became the first individual and the last ever to be executed for a crime of this sort Jeffrey Burton has been researching the story of the Ketchum Gang for more than forty years He sorts fact from fiction to provide the definitive truth about Ketchum and numerous other outlaws including Will Carver and Butch Cassidy The Deadliest Outlaws initially was published in a limited run of one hundred paperback copies in England This second edition in hardcover contains additional material and photographs not found in the earlier printing **Tennessee Legends and Lore** Dr. Alan N. Brown, 2023-02-13 The Spooky Side of the Volunteer State Tennessee is steeped in legend From strange sightings to odd and macabre crimes the Volunteer State is no stranger to lore Author Alan Brown details the haunts troubling crimes and spooky past *He Rode with Butch and Sundance* Mark T. Smokov, 2012 The definitive biography of infamous western outlaw Harvey Alexander Logan better known as Kid Curry A violent conflict with a ranching neighbor in Montana caused him to flee to the Hole in the Wall valley in Wyoming where he became involved in rustling and eventually graduated to bank and train robbing as a member of the Wild Bunch This outlaw group was a melding of the best of the Hole in the Wall gang and Butch Cassidy s Powder Springs gang Smokov shows that Curry was not the bloodthirsty killer that many have claimed He contends that Curry was the actual train robbing leader of the Wild Bunch **Pinkerton's Great Detective** Beau Riffenburgh, 2013-11-14 The story of the legendary Pinkerton detective who took down the Molly Maguires and the Wild Bunch The operatives of the Pinkerton s National Detective Agency were renowned for their skills of subterfuge infiltration and investigation none more so than James McParland So thrilling were McParland s cases that Sir Arthur Conan Doyle included the cunning detective in a story along with Sherlock Holmes Riffenburgh digs deep into the recently released Pinkerton archives to present the first biography of McParland and the agency s cloak and dagger methods Both action packed and meticulously researched Pinkerton s Great Detective brings readers along on McParland s most challenging cases from young McParland s infiltration of the murderous Molly Maguires gang in the case that launched his career to his hunt for the notorious Butch Cassidy and the Wild Bunch to his controversial investigation of the Western Federation of Mines in the assassination of Idaho s former governor Filled with outlaws and criminals detectives and lawmen Pinkerton s Great Detective shines a light upon the celebrated secretive agency and its premier sleuth **The Last Outlaws** Thom Hatch, 2013-02-05 The Old West was coming to an end Two legendary outlaws refused to go with it As leaders of the Wild Bunch Butch Cassidy and the Sundance Kid executed the most daring bank and train robberies of their day For several years at the end of the 1890s the two friends along with a revolving band of thieves

eluded law enforcement while stealing from the rich bankers and Eastern railroad corporations who exploited Western land until they rode headlong into the twentieth century In *The Last Outlaws* Thom Hatch brings these memorable characters to life like never before From their early holdup attempts to that fateful day in Bolivia Hatch draws on a wealth of fresh research to go beyond the myth and provide a compelling new look at these legends of the Wild West Includes Photographs

The Outlaw Trail Charles Kelly,1959-01-01 The Wild Bunch the confederation of western outlaws headed by Butch Cassidy found sanctuary on the rugged Outlaw Trail Stretching across Montana Idaho Wyoming Colorado Utah Nevada Arizona and New Mexico this trail offered desert and mountain hideouts to bandits and cowboys The almost inaccessible Hole in the Wall in Wyoming was a station on the Outlaw Trail well known to Butch Cassidy To the south in Utah was the inhospitable Robbers Roost where Butch and his friends camped in 1897 after a robbery at Castle Gate Charles Kelly recreates the mean and magnificent places frequented by the Wild Bunch and a slew of lesser outlaws At the same time he brings Butch Cassidy to life traces his criminal apprenticeship and meeting with the Sundance Kid and masterfully describes the exploits of the Wild Bunch

Historic Photos of Outlaws of the Old West ,2010-09-28 From our earliest history Americans have had an uneasy affection for our outlaws especially those from the romantic period of the Old West Whether it is the fearlessness and freedom they represent or some other psychological need we often overlook the misdeeds of these people in our fascination with them This book is about their photographs Some of the mythology is perpetuated in the captions and some new truths put forth as well Viewing these photographs allows us to look these fellows in the eye and assess their character something we probably wouldn t have been allowed to do in real life and live to tell about it *Historic Photos of Outlaws of the Old West* includes nearly 200 photographs reproduced in vivid black and white with captions and introductions by writer and historian Larry Johnson Here are the most legendary outlaws and many of the less infamous characters whose lives found a place in the story of the American West

Trail of Graves Doug

Clark,2025-06-25 Not many people in the Old West kept records especially Native Americans These stories need to be preserved That is what I have tried to do in these short stories These are not the life stories of these people but interesting stories about these people and places I have traveled throughout the Western US for many years learning these stories I hope you can travel to these places through the maps provided but if not maybe these tales will help you to see them in your mind s eye **Crime Buff's Guide to the Outlaw Rockies** Ron Franscell,2011-09-01 A fascinating journey through the Rockies unruly past with maps photos and more **Lost Restaurants of Knoxville** Paula A. Johnson,2017 Over the past 225 years Knoxville dining has come full circle from early taverns and saloons to upscale continental cuisine and back to the roots of local eating experiences Greek immigrants Frank and George Regas founded the legendary Regas Restaurant which operated for 90 years spreading culinary influence throughout the entire city Early country music stars frequented Harold s Deli while visiting the city to perform on Tennessee s first live radio shows Guests from around the world sat 266 feet in the air at the Sunsphere Restaurant a fine dining establishment run by the Hardee s Corporation during Knoxville s World s Fair Discover these and many more fascinating stories as author and historian Paula Johnson dives back in time through the stories of the city s great restaurants Tom Horn in Life and Legend Larry D. Ball,2014-05-19 Some of the legendary gunmen of the Old West were lawmen but more like Billy the Kid and Jesse James were outlaws Tom Horn 1860 1903 was both Lawman soldier hired gunman detective outlaw and assassin this darkly enigmatic figure has fascinated Americans ever since his death by hanging the day before his forty third birthday In this masterful historical biography Larry Ball a distinguished historian of western lawmen and outlaws presents the definitive account of Horn s career Horn became a civilian in the Apache wars when he was still in his early twenties He fought in the last major battle with the Apaches on U S soil and chased the Indians into Mexico with General George Crook He bragged about murdering renegades and the brutality of his approach to law and order foreshadows his controversial career as a Pinkerton detective and his trial for murder in Wyoming Having worked as a hired gun and a range detective in the years after the Johnson County War he was eventually tried and hanged for killing a fourteen year old boy Horn s guilt is still debated To an extent no previous scholar has managed to achieve Ball distinguishes the truth about Horn from the numerous legends Both the facts and their distortions are revealing especially since so many of the untruths come from Horn s own autobiography As a teller of tall tales Horn burnished his own reputation throughout his life In spite of his services as a civilian scout and packer his behavior frightened even his lawless companions Although some writers have tried to elevate him to the top rung of frontier gun wielders questions still shadow Horn s reputation Ball s study concludes with a survey of Horn as described by historians novelists and screenwriters since his own time These portrayals as mixed as the facts on which they are based show a continuing fascination with the life and legend of Tom Horn *The Bad Old Days of Colorado* Randi Samuelson-Brown,2020-03-15 FINALIST FOR THE 2021 COLORADO BOOK AWARD The Bad Old Days of Colorado celebrates the state s glorious and

rowdy past Many people born and bred here relish just how bad things used to be the terrain the inhabitants and especially the quality of whiskey It almost goes without saying that Colorado had all the characteristic Wild West elements and in abundance The chapters focus on the infamous and notorious rather than the law abiding and civic minded settlers These pages like the state recount the tales of people who came West seeking if not their fortune at least opportunity It is no secret that Colorado was settled by the adventurous willing to brave the harsh conditions and to prevail Whether on the right or the wrong side of the law all settlers and pioneers made unique contributions to the state s complex culture Certainly in the nineteenth century Colorado was not for the faint of heart
