McTernan, 2008-03-04 Is America on a Collision Course with God There is a direct correlation between the alarming number of massive disasters striking America and her leaders pressuring Israel to surrender her land for peace Costing hundreds of lives and causing hundreds of billions of dollars worth of damage dozens of disasters have hit America and always within twenty four hours of putting pressure on Israel These disasters have included earthquakes raging fires hurricanes floods tsunamis and tornadoes What can you do as an individual and what can America do to change the direction of our country in relation to Israel and prevent the increasing number of calamities

HAS GOD REALLY FINISHED WITH ISRAEL Mark DUNMAN, 2013-03-31 Has God Abandoned the House of Israel? Eric L. Quinlan, 2019-03-31 My book covers the biblical account of the history of the nation of Israel beginning with the birth of their patriarch Abraham and continuing through their four century stay in Egypt to the Exodus from Egypt and their formation of a formidable nation in the Land of the Covenant It will cover their expulsions from that land and what happened to them after A large portion of these Israelites are believed to be lost or have been completely annihilated by God or they have been assimilated in other cultures This book will provide many biblical references that completely contradict these claims and that these so called lost Israelites exist today The Seven Feasts of Israel Zola Levitt, 2014-02-05 The elegant and beautiful system of the special days of holy convocation and how each one has been or will be fulfilled in prophecy An explanation of the commandments of Jehovah to Moses on Mount Sinai regarding the festival days and their deep significance Passover Unleavened Bread First Fruits Pentecost Trumpets Atonement and Tabernacles are shown in all their The Mystery Finished! The Negro Has a Soul. His Normal Relation, Etc., 1868 alory **Know the Truth** Bruce Milne, 2012-11-28 This thoroughly revised and updated edition of Bruce Milne's excellent handbook expounds the great themes of God's Word and how they fit together Each chapter deals with one aspect of biblical truth and the main sections conclude with practical reflection **His Name Is Yeshua** Leo Vanderploeg, 2025-03-31 In the West most of us Christians have grown up using names like Jesus Old Testament New Testament and the Law without realizing the real history behind these titles Did you know that the name Jesus is less than four hundred years old and has no meaning In what climate did this non Jewish name appear in church history Did you know that the Old New Testament division was created by a church

heretic who hated the Old Testament We have also likely been raised with a subtle antisemitism beginning with Bible schools and seminaries that brush off the importance of the Hebrew language of studying the language for the layperson and the importance of names in the Bible Often there is a prejudice against rabbinic thinking and commentary of God's Word So if we have a library of books about the Scriptures we may have a disproportionate number of commentaries written by non Jews I ve met enough pastors who only had one Jewish commentary if any As we are fed by very what I call Greekish thinking I ve even met people who were upset to find out Jesus was a Jew and his real name was Yeshua Have you discovered that the New Testament though written in Greek is grounded in Hebrew thought Did we forget which people group gave us the Scriptures Many leaders of the church do not even know the place or role of the Jews in the end times as they believe they have no importance at all anymore Did this lack of knowledge have anything to do with the holocaust This book may be instrumental for today's church that it wakes up to some fundamental truths that we never knew or forgot May this book be a blessing to vou Shalom Leo HAS GOD REALLY FINISHED WITH ISRAEL MARK. DUNMAN, 2022 **Even at the Doors (Jesus,** Israel, and the End Times) James Jackson, 2007-12 NEWS HEADLINES Earthquakes Famines Pestilences Globalization Nuclear Escalation Terrorism Religious Hatred Immorality Wars in the Middle East Are these signs that the end times are upon us The Bible lays out God's plan for the human race and the planet we inhabit With the Jews back in the land of Israel after an 1800 year absence I believe that God's end times timepiece has started ticking Jesus said there was a time of trouble coming upon the earth such as never was and never will be again Are these troubles on the horizon Even at the Doors will take you through the Biblical prophecies that have been fulfilled and will be fulfilled in the near future Still God's People? Steven DeNoon, 2011-03 Steve DeNoon in his book Israel Are They Still God's People shares essential information about groups that believe in replacement theology concerning the God of Israel In a fact filled and easy to read format he is refutes groups such as the Jehovah's Witnesses and Seventh Day Adventists DeNoon exposes errors taught by Watchtower organization s It is a vital tool to help us in our approach to these deluded people This book provides many Biblical truths about the importance of natural Israel in Bible prophecy It identifies who the 144 000 of Revelation are and who might be the Antichrist in a not so distant future This book should be a part of every church library It touches not only error of false prophets and their organizations but it also introduces an interesting discovery on the Sea of Reeds that has never been considered by Biblical scholars All concerned Christians will find this book a helpful addition to their library

Christian Zionism Stephen Sizer,2021-09-13 I am glad to commend Stephen Sizer's groundbreaking critique of Christian Zionism His comprehensive overview of its roots its theological basis and its political consequences is very timely I myself believe that Zionism both political and Christian is incompatible with biblical faith Stephen's book has helped to reinforce this conviction Rev Dr John Stott I believe Stephen Sizer is one of the most authoritative scholars in the world on the vital issue of Christian Zionism He is a very important voice speaking out against this destructive movement that is killing

us Palestinians through its theology Canon Naim Ateek Stephen Sizer's Christian Zionism Road Map to Armageddon is essential reading for any Western evangelical trying to understand the religious dimensions of American support for Israel Sizer writes as an insider within the church not as a critic watching from afar And he shows with exacting clarity how evangelical eschatology has now embedded itself in a modern political ideology One quick read of this book will change anyone's perspective on the Middle East permanently Professor Gary M Burge Congratulations on Christian Zionism The index alone makes my mouth water since this is the scholarly treatment to counteract the rabid prophecy pack for which I had been searching I couldn't be happier that this is published You and I see eye to eye on this issue Yours is a true prophetic voice so badly needed in the current prophecy frenzy And when this mania also affects national and international policy the danger takes on larger proportions Professor Paul Maier Stephen Sizer's work on Christian Zionism is the most important and comprehensive on the subject to date and should be read by all students of the Middle East and by Christians concerned about a just resolution to the Palestinian Israeli conflict Christian Zionism raises vital theological and political challenges that must be addressed head on by Christians in the West particularly evangelicals The impact of this terribly misguided movement is increasingly putting Christians in the Middle East at risk and it seems a far cry from the witness and message of Jesus Christ Dr Donald Wagner This study of Christian Zionism based on Stephen Sizer's doctoral thesis is of seminal significance It provides a fascinating survey of the history of Christian Zionism and an in depth analysis of the theology of this highly important and influential movement Rabbi Professor Dan Cohn Sherbok Thou Israel Charles Francis The Glory of Israel ,1927 When Time Shall Be No More Paul Boyer,1994-01-01 As influential as Stocking, 1921 prophecy is in the worldview of so many the belief in the phenomenon remains a popular mystery largely unstudied and little understood When Time Shall Be No More offers for the first time an in depth look at the subtle pervasive ways in which prophecy belief shapes contemporary American thought and culture **Israel in the New Testament** David Pawson, 2015-04-15 Now including a new chapter Israel in Galatians Over 80% of the promises and prophecies of the Old Testament have been literally fulfilled It is a simple matter of faith in God's faithfulness to believe that he means what he says and will do what he says he will do This study reveals that both the people and the place called Israel have a significant role in God's future plans for world redemption Introduction to the Old Testament Bill T. Arnold, 2014-04-07 This volume introduces ancient Israel s Scriptures or the Hebrew Bible commonly called the Old Testament It also traces the legacy of monotheism first found in the pages of the Old Testament Where pertinent to the message of the Old Testament the book explores issues of history comparative religions and sociology while striking a balance among these topics by focusing primarily on literary features of the text In addition frequent sidebar discussions introduce the reader to contemporary scholarship especially the results of historical critical research and archaeology Along the way the book explores how the Old Testament conceptualized and gave rise to monotheism one of the most significant developments in history giving this study
