Hate Crime Statistics 2001:

Hate Crime Statistics, 2000 **Understanding Hate Crimes** Carolyn Turpin-Petrosino, 2015-03-27 Hate crimes and lesser acts of bigotry and intolerance are seen to be constants in today's world. Since 1990, the federal government has published annual reports on hate crime incidents in the United States. While the reported numbers are disturbing, even more devastating is the impact of these crimes on individuals, communities, and society. This comprehensive textbook can serve as a stand-alone source for instructors and students who study hate crimes and/or other related acts. It invites the reader to consider relevant social mores and practices as well as criminal justice policies as they relate to hate crimes by presenting this subject within a broad context. [Crimes Against America's Homeless](#) United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Crime and Drugs, 2011 *Political Speech as a Weapon* Sylvia Gonzalez-Gorman, 2018-09-20 Provides a penetrating examination of how political rhetoric from public officials creates tensions via microaggression cues due to changing demographics, campaign rhetoric, and the use of social media. What are microaggression cues and what are examples of those cues in political rhetoric? How have microaggression cues from former presidents, elected officials, and political candidates led to further polarization of America's citizens? What are the connections between these microaggression cues, the demographic shift of the United States, and the growing fear among longtime majority populations? *Political Speech as a Weapon: Microaggression in a Changing Racial and Ethnic Environment* answers these questions and helps readers understand related topics such as nativism, the transformation process of the U.S. population, and cultural norms, and how Americans can best respond to evolving conditions to meet these challenges. Author Sylvia Gonzalez-Gorman addresses a blind spot in the field of American politics and connects hostile rhetoric by public officials to the effect of such rhetoric, which leads to the marginalization of groups and a polarizing cultural environment. The book specifically focuses on the role of political rhetoric as a microaggression cue and clearly illustrates how these cues are a well-established and damaging component of U.S. political culture. *Hate Crime Statistics 2001* Barry Leonard, 2002-03-01 In response to Congress' passage of the Hate Crime Statistics Act of 1990 and subsequent acts that amended the directive, the FBI Uniform Crime Reporting (UCR) Program collects and publishes data on crimes motivated by racial, religious, ethnicity, national origin, sexual orientation, and disability bias. This 2001 edition of *Hate Crime Statistics*, issued by the UCR Program, shows that in 2001, 9,730 bias-motivated incidents were voluntarily reported by law enforcement agencies nationwide. Chapters: Methodology, Section I: Hate Crime Statistics 2001, Section II: Jurisdictional Hate Crime Statistics 2001, and Appendix I: State Uniform Crime Reporting Programs, Tabular format. *Radical Religion and Violence* Jeffrey Kaplan, 2015-11-19 Jeffrey Kaplan has been one of the most influential scholars of new religious movements, extremism, and terrorism. His pioneering use of interpretive fieldwork among radical and violent subcultures opened up new fields of scholarship and vastly increased our understanding of the beliefs and activities of extremists. This collection features many of his seminal contributions to the field alongside

several new pieces which place his work within the context of the latest research developments Combining discussion of the methodological issues alongside a broad array of case studies this will be essential reading for all students and scholars of extremism religion and politics and terrorism Crime in the United States Andy Stone, Claitors Publishing Division, 2002-11 Provides a nationwide view of crime based on statistics contributed by state and local law enforcement agencies **The Routledge International Handbook on Hate Crime** Nathan Hall, Abbee Corb, Paul Giannasi, John Grieve, 2014-07-25 This edited collection brings together many of the world's leading experts both academic and practitioner in a single volume handbook that examines key international issues in the field of hate crime Collectively it examines a range of pertinent areas with the ultimate aim of providing a detailed picture of the hate crime problem in different parts of the world The book is divided into four parts An examination covering theories and concepts of issues relating to definitions of hate crime the individual and community impacts of hate crime the controversies of hate crime legislation and theoretical approaches to understanding offending An exploration of the international geography of hate in which each chapter examines a range of hate crime issues in different parts of the world including the UK wider Europe North America Australia and New Zealand Reflections on a number of different perspectives across a range of key issues in hate crime examining areas including particular issues affecting different victim groups the increasingly important influence of the Internet and hate crimes in sport A discussion of a range of international efforts being utilised to combat hate and hate crime Offering a strong international focus and comprehensive coverage of a wide range of hate crime issues this book is an important contribution to hate crime studies and will be essential reading for academics students and practitioners interested in this field *What Changed When Everything Changed* Joseph Margulies, 2013-05-21 DIV How our national identity has changed in significant and unexpected ways since the attacks of 9 11 div Creating and Maintaining Safe College Campuses Melvin Cleveland Terrell, Jerlando F. Crusade 2.0 John Feffer,2012-03-20 In his official response to the attacks of September 11 George W Bush invoked the Crusades tapping into a centuries long history of fear and aggression The West s longstanding perception of Islam as a threat has taken on new and more complex implications in the twenty first century as years of migration and resulting demographic shifts have brought the enemy within Western borders Virulent opposition to the planned construction of an Islamic center near the 9 11 attack site in New York City reveals much about the intensity of public sentiments simmering just below the surface As the United States and countries across Europe struggle with a resurgence of unexamined fear and antagonism often directed against their own citizens the imperative for better understanding could not be greater Crusade 2 0 examines the resurgence of anti Islamic sentiment in

the West and its global implications John Feffer discusses the influence of three unfinished wars the Crusades the Cold War and the current war on terror He presents a timely concise and provocative look at current events in the context of historical trends and goes beyond a clash of civilizations critique to offer concrete ways to defuse the ticking bomb of Islamophobia John Feffer s Crusade 2 0 The West s Resurgent War On Islam offers a brief but effective expos of a social cancer that continues to grow exponentially in America and Europe threatening the security and civil liberties of Muslims and the principles and values of Western democracies John L Esposito John Feffer s illuminating and important new work Crusade 2 0 sheds light on the disturbing phenomenon of Islamophobia in America with a clear eyed view of history meticulous research and persuasive arguments This accessible and informative book shows how fear mongering when married to ignorance and selfish political agendas not only threatens to marginalize entire communities of innocent people but also undermine the core values of pluralism tolerance and fairness that define America Wajahat Ali If you want to understand the particular madness of America s twenty first century you need to read John Feffer s account of how Washington launched crusade 2 0 including two invasions and occupations of Muslim lands and a Global War on Terror sporting aptly named Hellfire missiles aimed directly at the Muslim world Add in the injection of fear of Islam directly into the American bloodstream and the rise of Islamophobia as domestic political red meat and you have a truly American nightmare Feffer is its Homer and this is our sad Odyssey Tom Engelhardt John Feffer is co director of Foreign Policy in Focus at the Institute for Policy Studies in Washington DC He is the author of several books including North Korea South Korea His essays have been published in The New York Times The Boston Globe and elsewhere he has been interviewed by CNN MSNBC Al Jazeera Democracy Now and other international news media
