**Hatful of Homicide** Barbara Jaye Wilson,2002      Mystery Women, Volume Three (Revised) Colleen Barnett,2010-12-31  
Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008      Sleuths in Skirts Frances A. Engel,2002 This volume is a comprehensive collection of critical essays on *The Taming of the Shrew* and includes extensive discussions of the play s various printed versions and its theatrical productions Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play The issues discussed include gender authority female autonomy and unruliness courtship and marriage language and speech and performance and theatricality      *Book Review Index* ,2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index      *What Do I Read Next?* ,2000      *Behind That Mask* Harry Stephen Keeler,2020-10-11 This classic 1938 mystery could only have come from the fevered imagination of Harry Stephen Keeler *Behind That Mask* is a direct sequel to his 1932 novel *Finger Finger* and although it concludes successfully the story begun in volume one readers should definitely have finished *Finger Finger* before starting this one You have been warned      **Hatful of Homicide** Barbara Jaye Wilson,2000 Greenwich Village milliner Brenda Midnight gets a call saying that her exotic friend Dweena has been heisted by a sleazy ambassador who is accused of murder While trying to rescue her friend Brenda is about to uncover some secrets that could bring them both more trouble than they bargained for      ,
