**Hatshepsut: Daughter of Amun** Moyra Caldecott, 2004-04-01 Ancient Egypt 3500 years ago a land ruled by the all powerful female king Hatshepsut Ambitious ruthless and worldly a woman who established Amun as the chief god of Egypt bestowing his Priesthood with unprecedented riches and power This is a story of vision and

obsession of mighty projects and heartbreaking failures the story of a woman possessed by the desire for power and the need to love     The Pharaoh's Destiny Markie Madden,2017-06-01 The year is 1477 B C E and history is about to change Hatshepsut the Great King s Wife is thrust into a world of intrigue and politics when her husband Pharaoh Thutmose dies suddenly leaving Egypt with an heir who is barely two years old The Queen must step into the role of leader and there are few she can trust When Hatshepsut is crowned as Pharaoh she grooms her daughter Neferure to take the place of heir rather than Thutmose s infant son from another woman Neferure though young is still older than the boy who should by all rights be king The future of Egypt rests in the hands of a single woman the most powerful woman in the ancient world Can Pharaoh Hatshepsut s people accept her unorthodox reign and her plans to usurp the men s place as rulers of a Kingdom decreeing that only women are suitable leaders     Pharaoh Hatshepsut Jack A Taylor,2024-12-06 Pharaoh Hatshepsut is the story of a young Egyptian princess who found a Hebrew baby in a basket on the Nile She claims Moses as her own and hides him in the palace harem Only her maids and her faithful architect Senenmut know of their true bond While raising Moses in secret Hatshepsut struggles to fit into a world ruled by the gods and their priests Her greatest hope is to bring Moses into the line of succession When her husband dies she becomes a powerful female pharaoh and Senenmut her advisor and protector Senenmut loves and admires Hatshepsut but she must focus on her reign above all else and prepare a pathway to leadership for Moses Will she succeed in establishing a legacy for her adopted son in spite of their enemies     The Myth of Ancient Egypt Charlotte Booth,2011-06-15 Unravelling the myths of ancient Egypt     **The Crook and Flail** Libbie Hawker,2013-03-18 The son of the god must take her rightful place on Egypt s throne Hatshepsut longs for power but she is constrained by her commitment to maat the sacred order of righteousness the way things must be Her mother claims Hatshepsut is destined for Egypt s throne not as the king s chief wife but as the king herself despite her female body But a woman on the throne defies maat and even Hatshepsut is not so bold as to risk the safety of the Two Lands for her own ends As God s Wife of Amun she believes she has found the perfect balance of power and maat and has reconciled herself to contentment with her station But even that peace is threatened when the powerful men of Egypt plot to replace her They see her as nothing but a young woman easily used for their own ends and discarded But she is the son of the god Amun and neither her strength nor her will can be so easily discounted As the machinations of politics drive her into the hands of enemies and the arms of lovers onto the battlefield and into the childbed she comes face to face with maat itself and must decide at last whether to surrender her birthright to a man or to take up the crook and flail of the Pharaoh and claim for herself the throne of the king     Reader's Guide to Women's Studies Eleanor Amico,1998-03-20 The Reader s Guide to Women s Studies is a searching and analytical description of the most prominent and influential works written in the now universal field of women s studies Some 200 scholars have contributed to the project which adopts a multi layered approach allowing for comprehensive treatment of its subject matter Entries range from very broad themes such as Health General

high school and public libraries to span Egypt's history from the predynastic period to the Roman conquest. The encyclopedia includes entries for people, sites, events, and concepts, as well as featuring lengthy entries or inset boxes on major topics such as deities, animals, and the military. A plan and photograph are included for each of the major architectural sites. **Ancient Egypt** John Rearick, 2002. *The All Time Biggest Sports Jerks* is short, sweet, and on point: the skewering and roasting of the biggest hot dogs in baseball, boxing, golf, football, basketball, hockey, auto racing, media, and other fields of athletic play and extended adolescence. With a sardonic sense of humor that is befitting some of the more infamous characters in sports history, this collection is not simply a depressing recital of the pitfalls of the athletic rich and famous but the careful documenting of the infamous 100 jerks is complemented by the interesting stories, rich anecdotes, weapons-grade one-liners, and stories that focus on some of the oddballs, weirdos, and even the oh-so-few good guys and gals in sports history.
