relationships with parents can lead to a powerful conviction that change means loss Dr Shengold who is well known for his work on the lasting effects of childhood trauma and child abuse in such seminal books as *Soul Murder* and *Soul Murder Revisited* continues his exploration into the consequences of early psychological injury and loss In the examples of his patients and in the lives and work of such figures as Edna St Vincent Millay William Wordsworth and Henrik Ibsen Shengold looks at the different ways in which unconscious impressions connected with early experiences and fantasies about parents are integrated into individual lives He shows the difficulties he s encountered with his patients in raising these memories to the conscious level where they can be known and owned and he also shows in his survey of literary figures how these memories can become part of the creative process *Haunted by Parents* offers a deeply humane reflection on the values and limitations of therapy on memory and the lingering effects of the past and on the possibility of recognizing the promise of the future

*Charles Robert Maturin and the haunting of Irish romantic Fiction* Christina Morin,2017-06-01 A self described disappointed Author Charles Robert Maturin 1780 1824 has been largely relegated to the margins of literary history since his death in 1824 Yet as this study demonstrates he exerted a fundamental influence on the development of Irish fiction in the early nineteenth century In particular his novels dramatically underscore the continuing presence and deployment of the Gothic mode in Romantic Ireland an influence now frequently overlooked in critical attention to the national and regional forms popularized in Ireland in the wake of Anglo Irish Union 1801 Working from Jacques Derrida s influential theory on ghosts this study positions Maturin as the cornerstone on which to build a new paradigm of Irish Romantic fiction one which accounts for the spectral traces of the past cultural social and political evident in early nineteenth century Irish fiction As it does so it calls for renewed critical and popular attention to an author who himself continues spectrally to emerge in the works of his literary successors
