Taunting the Useful Loumille Métros,2024-08-06 In an epoch driven by hyper consumption and marvelously destructive futility and in the context of a hegemonic utilitarianism where one goes to university to work rather than to develop a meaningful philosophy of life the concept of the useful is perhaps one most in need of interrogation Taunting the Useful seeks to unsettle notions of usefulness and uselessness not merely by deconstructing these terms but by sidetracking them It doesn t reverse things by saying that what is useless is useful Rather taunting is teasing heckling tickling scratching the useful By elaborating a notion of the virtual useless Taunting the Useful seeks to tease the dimensions of wonder use and play through modalities contingencies and potentialities of the useless useful An experimental book it un does what it tells and is as much an object taunting and taunted as it is a description of taunting the useful Includes bonus chapters **Centennial Hauntings** ,2022-10-04 *Copper on Parchment* JL Civi,2019-05-30 HJ used to be the best handyman in town But lately he can t seem to do anything right He thinks he might be cursed or maybe haunted by an old client Ring the doorbell follow the detective and help HJ unlock the mystery of Copper on Parchment The next chapter of Duty Calls juror backstories **When Life Isn't Fair** Joel Freeman,2002-02-01 It is perhaps the most asked question in any time period Why does God allow suffering Certainly every human experiences pain and rejection If the difficulty is long term one can almost be driven mad with grief or anger We want to know why Physical and emotional problems are so draining we become obsessed with fairness How do we reconcile our concept of a powerful loving God with the fact of child death Or greed Divorce Often we don t That is exactly where Joel Freeman finds many of the people he counsels Rather than giving pat answers he relies on spiritual tools to deal with pain It s a method that has worked remarkably well and one that can indeed help you or a loved one through a personal valley *God Is Not Fair* Joel Freeman,1994-03 A Father's Path: On Fathers and Sons, the Space in Between, and Beyond (A Collection of Essays, Ideas, and Reflections) Dr. John C. at the unique relationship of fathers and sons through a developmental lens offering valuable ideas to build strengthen understand and mend relationships The Path offers an intergenerational view of son to father to son and suggests that the journey of fatherhood can be better understood across this wider span of time Only then can a father see where he came from how times have changed and how these changes can influence the relationship for better or worse And from this wider view a father can look ahead more hopeful more capable and more empathic in the role A Father s Path not only looks at fathers and sons but offers a view of the space in between For here is where the quality of connection runs from devoted to devoid Culturally some of the greatest challenges we face in society are born in the first few years of the father child relationship when he is not present or responsive But the hope and power also exists in these precious first years and beyond as research on father involvement has shown Starting with the author s relationship with his father Dr Panepinto narrates his path from son to father He offers how individuality communication and changing cultural norms influenced and challenged this foundational connection and describes the continuum of common emotions felt in this space And how the experience and reflection over time informed and transformed his views of fatherhood Throughout the book Dr Panepinto weaves reflections and ideas on fatherhood as well as important developmental principles Drawing on his clinical experience in development attachment and parenting he shares concepts and tools in an approachable way Using forms from short stories to blog posts from articles to journal entries the full experience of fatherhood is offered meaningfully and poignantly and sure to make you laugh as well A Father s Path offers an intergenerational view of son to father to son unlike any other The Path offers a view from above the journey sure to inspire and encourage you to reflect on the relationships you had or have with your father your grandfather your sons and if you are in that stage your grandsons And most importantly sense in a new way the power importance and influence of fatherhood
