Have Atheists Proved There is No God? Thomas B. Warren, 2004 **Have Atheists Proved There is No God?** Thomas B. Warren, 1994 *Yet Will I Trust Him* John Mark Hicks, 1999 Yet Will I Trust Him will challenge you to look at God's providence and human suffering from a new perspective If you have struggled with suffering and personal pain versus God's goodness this book will be a blessing to you When events seem painful or evil you must know and trust that God still has a plan This book will help you be assured that He is still in control and the confidence and peace that comes with that realization will become the tool to help you face the storms life brings your way **Recovering Our Lost Theology** Rick Brownell, 2011-09 Are you bothered with how shallow and superficial the way we think about theology has become It seems it's become more important to share some condensed peanut sized version of the gospel at the simplest most juvenile least thought provoking level with our culture rather than let people wrestle with the theological difficulties and search out how they might be rectified logically Author Rick Brownell has had enough In his book *Recovering Our Lost Theology* The Sovereign Grace of God Brownell poses the tough questions and challenges readers to reevaluate their theological thinking How does God loving the world yet destroying a group of its inhabitants work itself out in your theological framework Is God so detailed and powerful in his sovereign plans that he controls not only the creeping of a single aphid over a rosebud but the flight patterns and boundaries of a billion locusts If God is so sovereign in the natural world would he leave the salvation of a lost sinner to his own apostate will and determination in the spiritual world These are just a few of the questions Brownell addresses so that readers will focus again on God's grace and mercy in the salvation of men He hopes readers will recapture a biblical perspective on evangelism and abandon the tired advice of many theologians who suggest Christians don't get bogged down with profound theological concepts when sharing the gospel *Recovering Our Lost Theology* is a daring and moving challenge to readers to reaffirm their commitment to God's sovereignty in salvation evangelism and theology to the glory of God alone Rick Brownell lives in Aurora Oregon with his wife of twenty seven years Sheila He has a bachelor's degree in ornamental horticulture from Cal Poly San Luis Obispo and a master's degree in exegetical theology from Western Conservative Baptist Seminary He can frequently be found engaging believers and unbelievers alike in discussions of theology and the sovereignty of God in the Christian faith *The Warren-Matson Debate on the Existence of God* Wallace I. Matson, Thomas B. Warren, 1978 A four night oral debate held in Tampa Florida September 1978 Even atheists admit that there is no question of greater importance than these Does God exist If so can I know that such is the case If not can I know that such is not the case Publisher **Book Publishers Directory**, 1983 **Catalog of Copyright Entries.
