techniques that relax the mind the body and the spirit it presents quick and easy ways to make the day less stressful and get the most out of each and every day For business owners office workers and even those who work at home raising a family Get a Grip helps them understand the sources of their stress and deal with it effectively with advice on such topics as stress busting exercises breathing techniques meditation visualization diet attitude humor and work life balance Though it is impossible to lead a completely stress free life Get a Grip will help everyone from CEOs to homemakers deal with the difficulties of daily life Bob Losyk Fort Lauderdale FL is a business consultant trainer and international speaker whose clients include American Express Honda Marriott Taco Bell IBM and Inc magazine among others His articles on management have appeared in such magazines as Futurist Travel Weekly and Training Development Journal

Timeless Management A. Coppin, J. Barratt, 2002-05-29 Today's managers are bombarded with a constant stream of management fads and fashions each claiming to be the key to business success In this new book Alan Coppin and John Barratt draw on their experience of managing change in the Historic Royal Palaces to show that successful management techniques are timeless simple and based on common sense Looking back through history at great leaders and organisations they identify concepts ideas and applications that have proved themselves over time They then demonstrate how these techniques are currently being applied to run and secure the future of multi million pound institutions such as the Tower of London Hampton Court and Kensington Palace With a compelling mix of historical lesson and modern application this is an essential read for anyone looking for the essence of good management

Balanced Leadership Leonard W. Heflich, 2018-06-09 We need effective leaders today more than ever before In fact the root cause behind failed businesses and failed governments is usually either a lack of leadership or the presence of destructive or ineffective leadership In this collection of dissertations on topics relevant to effective leadership you'll be challenged to think Along the way you'll learn how to discover and clarify your mission vision and values learn how to handle difficult people and situations improve the performance of your people and teams and communicate with coworkers customers and colleagues You'll also learn about the leadership continuum and its gradations and how to find the action behavior or decision that balances as best as possible benefits with costs Balance is getting something just right However since the world is always changing the sweet spot is always changing too What was in balance yesterday may not be today Like riding a bicycle we constantly need to monitor our positions and make adjustments to compensate for curves and bumps in the road Make sound decisions build better teams communicate more effectively be appropriately flexible and be appropriately strong with the lessons examples and insights in Balanced Leadership

Love 'Em or Lose 'Em, Sixth Edition Beverly Kaye, Sharon Jordan-Evans, 2021-03-02 This sixth edition of the number one bestselling employee retention book in the world over 800 000 copies sold puts a new emphasis on diversity and inclusion but keeps the same appealing format twenty six simple strategies from A to Z Despite booms and busts technology advances talent wars layoffs and even a global pandemic people want what they've always wanted Employees want and now expect meaningful work supportive bosses

regular recognition and a chance to learn and grow And managers want their amazing people to stay for at least a little while longer For two decades this Wall Street Journal bestseller over 800 000 sold has offered twenty six simple strategies from A to Z that managers can use to address their employees real concerns and keep them engaged The authors have gone over every word of the previous edition revising updating and streamlining This edition includes a timely focus on diversity and inclusion in every chapter For example chapter 6 focuses on family Different cultures view family responsibilities differently so the authors address how to take that into consideration when a treasured employee asks for extended leave to care for a grandparent And a new section called Conversations That Count offers discussion questions for sparking deeper conversation around the topics in the book This new edition will ensure that Love Em or Lose Em will continue to help managers all over the world create a supportive workplace culture so they can fight burnout and keep the people they can least afford to lose
