Unblocked Margaret Lynch Raniere, David Raniere, PhD, 2021-04-13 If you've ever felt like you're stuck unfulfilled or that you've been consistently playing small and yet there's something inside you that knows you're meant to do, feel, and be something more, then Unblocked was written for you. Leading empowerment coach Margaret Lynch Raniere has distilled years of experience and client success into a proven approach to help you overcome the blocks that stifle your potential. By leveraging the ancient chakra system and evidence-based Emotional Freedom Technique (EFT), also known as tapping, she's created a groundbreaking healing system to help you reclaim your inner power and transform your life. This book includes unique Healing Experiences that will guide you through actively unblocking the lower chakras: root, sacral, solar plexus, and heart. These empowerment chakras are the source of our power, and when they're blocked by long-buried pain and fear, we remain limited by self-doubt, procrastination, and a perpetual need to prove our worth. When those blocks are cleared, we finally stop proving and start being our most powerful, passionate, authentic selves. One by one, you'll free the empowerment energy contained in the chakras and unleash your innate superpowers to be fearless and vulnerable, confident and real, strong and compassionate without needing to be perfect. In addition, Harvard-trained psychoanalyst Dr. David Raniere highlights the psychology behind these transformative experiences, including practical tips on how to integrate them and elevate your level of feeling, speaking, and acting in your day-to-day life. Just imagine what you could accomplish if you embraced a new way of being in the world and consistently acted with confidence, courage, and a deep belief in yourself and your value. No matter where you're starting, Unblocked is the ultimate empowerment tool to help you fully inhabit your best self and create the life you've always wanted.

Selected Works of Voltairine De Cleyre Alexander Berkman, 2020-07-25 Reproduction of the original Selected Works of Voltairine De Cleyre by Alexander Berkman. Selected Works of Voltairine de Cleyre Voltairine De Cleyre, 2022-05-28 In Selected Works of Voltairine de Cleyre, readers are presented with a powerful anthology that highlights the profound intellectual contributions of one of the foremost figures in American anarchist thought. De Cleyre's writings blend political theory, feminism, and existential philosophy articulated through a lucid and passionate prose style that captivates both scholarly and lay audiences. Her works, ranging from fierce critiques of capitalism to eloquent defenses of individual freedom, are grounded in the tumultuous socio-political landscape of late 19th and early 20th-century America, reflecting her deep commitment to social justice and equality. Voltairine de Cleyre, often overshadowed by her contemporaries, emerged as a radical thinker shaped by her experiences as a suffragette and a fierce critic of organized religion. Her unique background as a self-taught intellectual and a forefront activist for anarchism and feminism informed her writings, allowing her to challenge prevailing norms and advocate for the rights of the marginalized. Influenced by the writings of figures such as Emma Goldman and her radical peers, De Cleyre remains an indomitable voice within anarchist literature. This collection is highly recommended for anyone interested in the intersections of gender, politics, and philosophy. It serves not only as a

life and to death and the ways we care for ourselves and others on our long marvelous walk toward the end In a pandemic
hushed city a young doctor lives a life of insecure attachments to a distant partner in an untended marriage to a loaner child
who stirs up hurts from the past to houseplants wilting in a dark apartment on a once vibrant street Through a yearlong

endings made worse by wounded avoidant doctors who don t know how to let go But after the sudden loss of a long
estranged father our unnamed narrator s work is thrown into painful relief and we see under threats large and small how far
we will go to hold on to our lives no matter how little we live them Lyrical and with piercing insight Our Long Marvelous
