## **Havent You Noticed My Charisma:**

The Dumb Gringo Fred Collom, 2004-12 An easy to read book that contains practical advice mixed in with some humorous and true Dumb Gringo stories It s a must read for anyone interested or involved in missions Christian Religion *Glitch Kingdom* Sheena Boekweg, 2025-08-22 The teenage daughter of an executioner and the traitorous prince she can t kill must reluctantly join forces to dethrone a paranoid queen after discovering they are trapped in a video game in Sheena Boekweg s fast paced YA debut *Glitch Kingdom* Ryo was the golden boy the prankster prince but with one stroke of a pen he has lost everything Dagney and Grigfen were happy as minor members of the court but when their father the king s executioner is branded a traitor they each must deal in death in order to survive McKenna queen of the enemy realm has inherited a mission of conquest by assassination but worries she s not up to the role But behind the crowns and masks hides a secret All of these teens are actually players in the newest shiniest most immersive virtual reality video game competing against each other for a highly coveted internship with a prestigious game developer But now this life changing opportunity has suddenly become a deadly trap A glitch in the software has locked the players inside the game and they ll need to escape before the fantasy world corrupts around them The only way out is to win **Defragmenting the Soul** John Sawkins, 2011-06-01 Description Coming Soon About the Author Recovery tends to imply some notion of going back to your old self After all that is what your friends and relations would most like perhaps clinicians too For the author however this was not to be an option He decided to dump the garbage and start afresh with a new persona after experiencing a hypo manic episode just at the turn of the millennium Like many who experience the life changing effects of having had a nervous break down he found himself impelled to cultivate a totally different existence to that of the person he used to be Fortunately for him his employers were sufficiently sympathetic to allow him to indulge his more creative side and he effectively abandoned the modern language teaching he had done for thirty years lecturing instead in more creative pursuits such as music and photography That is not to say that he had never had such interests however It was just that he never found the time to indulge them After the break down which incidentally he regards as being the start of a therapeutic healing process he could sense the need to adopt more right brain oriented thinking and a number of long cherished aspirations came to fruition as a result He felt the need to remove the clutter from his thinking jettison the unwanted baggage and embrace a fascinating if somewhat more challenging future First of all he recorded a CD of songs he had written back in 1968 Then he joined the Caithness Big Band and tried to teach himself bass guitar in that order he subsequently joined the North Coast Jazz Band and has been with them for around eight years now More recently he succeeded in getting his poems *Rare Frequencies* published through Chipmunka Recovery has been achieved by following his own best instincts and reading widely about mental illness the history of its treatment and opinions of a wide variety of professionals who have challenged the received wisdom of their colleagues particularly concerning the long term use of medication to modify behaviour patterns Taking up advocacy work

through Advocacy Highland proved to be a kind of therapy for the author He needed to get out of the self pitying self obsession that isolation can bring It is important he feels to avoid scenarios where negative thoughts and downward spiral syndromes are reinforced So what was it you may rightly ask that he recovered from To be honest he is not exactly sure but since he exhibited some cyclothymic behaviour that might have suggested bipolar just as the psychiatrist initially thought but there were also other aspects of his behaviour patterns that did not quite fit the bill During the four weeks he spent in a psychiatric hospital he had no choice but to take the medication haloperidol procycladine and zopiclone but once he was out of there and he is not necessarily implying that this was the most advisable course of action though at the time it seemed quite reasonable he decided to go cold turkey Most folk who try this end up regretting it for various reasons some realise that they cannot function without their medication and however reluctantly are forced to acknowledge the error of their ways Others find the detoxification process altogether too horrendous Still he decided to ride out the storm and this took about four weeks He has not taken any form of medication now for ten years since that date His employer did not wish him to return to work as quickly as he himself had hoped so in the interim he needed to find something useful to do He discovered The Stepping Stones a local drop in facility for people with mental health issues and soon found out that part of his therapy was to be found in acting as a volunteer The advantage for the centre was that having experienced a similar state of mind to the users of the centre schizophrenia bipolar borderline personality disorder etc the author was

**Mommy's Hiding Her Quintuplets From Her Charismatic CEO Baby Daddy** Author Feathers,2024-06-18 When Brigitta discovered her husband's appalling betrayal involving her stepsister and best friend her world crumbled Her subsequent divorce led her to a local bar where a chance encounter with a charismatic stranger resulted in a passionate night Five years later she found herself back in her hometown with five beautiful children and an ailing grandmother in desperate need of medical care In the face of these dire circumstances Brigitta made the drastic decision to impersonate her stepsister and enter into a marriage with Ragnar Marshall the seemingly ill and vegetative son of the notorious Wigglesworth family Her surprise was palpable when Ragnar was revealed as the continent's wealthiest CEO a man whose features mirrored her children's Yet disturbing rumors about Ragnar compelled her to shield her children from him How long could she keep them hidden especially when they were so determined to make Ragnar Marshall their daddy

**Capitol Murder** William Bernhardt,2007-01-30 William Bernhardt's bestselling novels featuring Oklahoma defense attorney Ben Kincaid capture the bare knuckles reality of high stakes criminal defense as lofty ideals of justice clash with power corruption and wealth In Capitol Murder Bernhardt's hard charging hero takes on his most shocking headline making case yet Kincaid's legal success has earned him a dubious reward a journey through the looking glass into the Beltway Here in the heart of the nation's capital a powerful U S senator has been caught first in a sordid sex scandal then in a case of murder Senate aide Veronica Cooper was found in a secret Senate office beneath the Capitol building on Senator Todd Glancy's favorite couch blood pouring from the knife wound in her throat The

young woman's death comes on the heels of the release of a sordid videotape depicting her and Senator Glancy in compromising positions. With the senator's reputation in tatters, the evidence against him as a sexual predator and possibly a killer mounts. By the time a nationally televised murder trial begins, Kincaid and his team know they're facing the challenge of a lifetime. According to public opinion and even in Kincaid's most private thoughts, Glancy is one more politician who cannot admit his own culpability. But while a dramatic trial unfolds in the courtroom, loaded with pitfalls, traps, and an astounding betrayal, another trial is taking place on the mean streets of D.C. as Kincaid's investigator pursues a young woman who was a friend of Veronica Cooper's, plunging Kincaid into a bizarre world of Goths, sadomasochists, and a community of self-proclaimed vampires. Somewhere in this violent underworld lies the secret behind Veronica Cooper's demise and the crux of Senator Glancy's innocence or guilt. In a case that pits Kincaid and his freewheeling partner Christina McCall against the brutal machinery of Washington politics, the answers they seek are hidden in a murderous maze of lies and hidden motives. And in William Bernhardt's best novel yet, getting to the truth is an unparalleled experience in pure, satisfying suspense.

THE DARK CORNERS GEOFF QUARF, 2014 The book continues the adventures of Oliver Cromwell's top agent Luke Tremayne. As Cromwell's government faces conspiracies and uprisings from royalists, republicans, Catholics, religious extremists, and senior army officers, Luke is sent into Wales to assess the level of antigovernment activity and to solve the murder of a local magistrate. Several more murders follow, and in solving them, Luke confronts devious Welsh gentry, seductive women, a band of highwaymen, smugglers, an evil witch, and a major insurrection against the government. **Love at the Laundromat** Rona S.
