no exaggeration to say that any intelligent pig possessing the least spark of pride would have considered it a pure insult to have them put into his swill Wilbur Fisk Civil War soldier We know the uniforms they wore the weapons they carried and the battles they fought but what did they eat and of even greater curiosity was it any good Now for the very first time the food that fueled the armies of the North and the South and the soldiers opinions of it ranging from the sublime to just slime is front and center in a biting fascinating look at the Civil War as written by one of its most respected historians There s even a comprehensive cookbook of actual recipes included for those intrepid enough to try a taste of the Civil War *Christmas at Carnton* Tamera Alexander,2017-10-03 This tender love story between two wounded people whom God brings together for healing is a book readers will enjoy anytime but especially at Christmas Francine Rivers New York Times bestselling author of Redeeming Love and A Voice in the Wind Amid war and the fading dream of the Confederacy a wounded soldier and a destitute widow discover the true meaning of Christmas and sacrificial love Recently widowed Aletta Prescott struggles to hold life together for herself and her six year old son With the bank threatening to evict them she discovers an advertisement for the Women s Relief Society auction and applies for a position only to discover it s been filled Then a chance meeting with a wounded soldier offers another opportunity and friendship But can Aletta trust this man Captain Jake Winston a revered Confederate sharpshooter suffered a head wound at the Battle of Chickamauga When doctors deliver their diagnosis Jake fears losing not only his greatest skill but his very identity As he heals Jake is ordered to assist with a local Women s Relief Society auction He respectfully objects Kowtowing to a bunch of crinolines isn t his idea of soldiering But orders are orders and he soon discovers this group of ladies one in particular is far more than he bargained for Set against the backdrop and history of the Carnton Plantation in Franklin Tennessee Christmas at Carnton is a story of hope renewed and faith restored at Christmas Fredericksburg! Fredericksburg! George C. Rable,2009-11-15 During the battle of Gettysburg as Union troops along Cemetery Ridge rebuffed Pickett s Charge they were heard to shout Give them Fredericksburg Their cries reverberated from a clash that although fought some six months earlier clearly loomed large in the minds of Civil War soldiers Fought on December 13 1862 the battle of Fredericksburg ended in a stunning defeat for the Union Confederate general Robert E Lee suffered roughly 5 000 casualties but inflicted more than twice that many losses nearly 13 000 on his opponent General Ambrose Burnside As news of the Union loss traveled north it spread a wave of public despair that extended all the way to President Lincoln In the beleaguered Confederacy the southern victory bolstered flagging hopes as Lee and his men began to take on an aura of invincibility George Rable offers a gripping account of the battle of Fredericksburg and places the campaign within its broader political social and military context Blending battlefield and home front history he not only addresses questions of strategy and tactics but also explores material conditions in camp the rhythms and disruptions of military life and the enduring effects of the carnage on survivors both civilian and military on both sides **The Soldier's Words** Kenn Woods,2015-06-17 Since I began Civil War re enacting in 1988 there have been two

schools of thought regarding the uniform of the Confederate soldiers One is that the Rebels were never ragged that was just a romantic myth started after the war The other school of thought is that the Rebels were always ragged and wore whatever they could get their hands on I decided that the best way to discover the truth is by investigating what the soldiers themselves said regarding their clothing through letters diaries and memoirs This book uses the soldiers own words regarding Confederate uniforms and includes many surprising anecdotes and some firsts regarding incidents of the Civil War

*Steel Pot* Curt Stocker,2023-06-15 BACK COVER COPY Curt Stocker began smoking pot in October 1966 more than a year before he went to Vietnam In this memoir he shares a true account of his service fighting for America Considering all the pot he smoked he understands why some people may find it amazing that he s able to remember that time Ironically the DuPont Corp became one of the main proponents of antimarijuana legislation because it sought to stamp out the hemp industry The company s motivation was the immense profit it would reap by switching everybody over from hemp rope and canvas sails to DuPont s newly invented synthetics such as nylon rope and rayon fabrics The bald faced lies its executives invented about hemp were totally off the charts Vietnam exposed many young Americans to marijuana who otherwise would have never found it Because of this the author believes that the war may be the single most important factor in today s looming marijuana legalization Unfortunately there are still people want to continue the War on Drugs and put people in jail on marijuana charges It is time to end the federal marijuana prohibition      **Country Gentleman** ,1921      **California as I Saw it ...** William S.
