Having Everything John L'Heureux, 2007-12-01 A Harvard Dean with a perfect life discovers a dark side he never knew he had or wanted in this sharp moving poignant novel The Washington Post Book World Philip Tate is a man who has everything youthful looks a beautiful wife and loving family and a distinguished deanship at Harvard But a night time drive will lead Philip to jeopardize everything in a moment s flirtation with the forbidden For on that drive he will meet the Kizers beautiful troubled Dixie and brilliant kinky Hal And by stepping into the Kizers house and into the midst of their sad marriage Philip sets in motion the near ruin and perhaps the salvation of his entire world In a heavily ironic chronicle of professional success inward misery and middle aged sexual guilt John L Heureux reminds us that sometimes in both marriage and life having everything is not enough Publishers Weekly

**Having It All** Corinne Low, PhD, 2025-09-23 You re not imagining it Women aren t getting a good deal at home or at work We have the evidence to prove it This book gives you the power to change it For women in America today the promise of having it all is an ever elusive carrot Faced with unsustainable demands in every sphere we are certainly doing it all but at a steep cost Research shows that biologically culturally and economically we are on uneven playing ground and one that drains us of our happiness But that same data can empower us to make choices that will reclaim our time our energy and even our joy In Having It All Wharton professor and economist Dr Corinne Low unpacks the hidden factors that influence women s decision making and how the unintended consequences of these choices alter the course of our lives From when and whether to get married and or have children to what type of career to pursue whether to obtain an advanced degree to where to live Dr Low explores questions such as What if there is no optimal time to have a family but rather a slew of different considerations at different life stages What if we approached decisions around marriage and partnership as rigorously as we would an employment opportunity What if we valued our time in dollars and cents and structured our lives around choices that give us the greatest return on our investments For too long women have been expected to accept labor intensive solutions to systemic problems optimize lean in work harder But Dr Low isn t suggesting women need to do more In the tradition of bestselling books like Eve Rodsky s Fair Play and Emily Oster s Cribsheet Having It All blends personal experience research and analysis to illuminate the complex decisions women face and offers an evidence based framework for creating a better happier life Consider it the essential economics textbook for life as a woman but hopefully a little more fun

**Having It All** Sarah Jane Butfield, 2022-09-14 Having it all but at what cost for a career nurse and devoted mother When one of my early mentors suggested that my nursing qualification as a Registered General Nurse would be my ticket to Having It All I could not envisage what that would mean for me As a nurse and a woman who intended to have a family I did not think too far ahead and any thoughts on how it would manifest itself in relation to my nursing career were limited to family friendly options However this phrase became embedded in my subconscious and would end up influencing my goals dreams and aspirations both personally and professionally For me having it all was not based on

greed or a materialistic wish list instead it described the tight rope walk that was my life a finely balanced juggling act between my career and my family The truth was that I had survived a period in my life that physically and emotionally pushed me to the edge and I was literally saved by the deep seated love for my children Now as I looked forward there was a ray of light beckoning and telling me it was time to start over Might this be my happy ever after at last Having It All?
