Having My Say The Blessing And The Curse:

BLESSINGS, CURSES, AND SPIRITUAL ATTACKS GODSWORD GODSWILL ONU,2015-02-13 All of us want blessings while we detest curses and spiritual attacks But how do blessings curses and spiritual attacks come And do we have any part to play as far as their coming is concerned Though some blessings curses and spiritual attacks come without link to what we as individuals did and do yet some of them are connected to our actions and speeches And you can bless or curse yourself Spiritual attacks are projected by the wicked spirits and their human agents The devil has no true or real blessing Even though God s Judgment does not come immediately because we are in the New Testament God does punish sins and disobedience with curses losses death and destruction Sin and disobedience will open the door for the devil in your life

Brenton's Septuagint, Restored Names Version, Volume 1 Clinton R Smith, 2014-04-11 The Septuagint is the only extant Greek translation from a Hebrew MSS that is currently lost to us The Greek Septuagint and its Autograph were extensively used before the Christian era as has been testified to by historians and many similarities manifest in the Dead Sea Scrolls During the age of the Messiah and the Apostles it appears they exclusively used either the Greek Septuagint or its Autograph as is demonstrated by the parallels found in their quotes from the Hebrew Scriptures O T The Septuagint persevered into the age of the early Church Fathers where after it inexplicably fell into disuse This is a fresh approach to Sir Brenton's translation in that this it restores the original Hebrew Names as found in the Masoretic Text While this approach may seem like a glaring paradox it may however be reasoned that a more satisfying though not perfect English translation has subsequently evolved **Holy Bible, Translated, Revised and Corrected from the 1898 version (English Edition)** Edição Digital, 2024-09-11 Holy Bible Translated Revised and Corrected from the 1898 version Discover Eternal Wisdom with the Holy Bible Translated Revised and Corrected by Unipress Editora Explore the 1898 version of the Holy Bible carefully translated revised and corrected by Unipress Editora This classic edition preserves the purity of the scriptures offering a faithful and in depth reading of the Word of God Whether for study personal devotion or spiritual enrichment this Bible is a reliable source of inspiration and guidance Download now and experience the confidence and peace that only a faithful and consecrated translation can provide Don't miss the opportunity to have in your hands an incomparable spiritual treasure approved over the centuries by scholars and spiritual leaders Click to download and strengthen your faith with a Bible that is synonymous with truth and trust *The NASB, MacArthur Study Bible* Thomas Nelson, 2013-11-05 A classic resource The MacArthur Study Bible is perfect for serious study Dr John MacArthur has collected his pastoral and scholarly work of more than 35 years to create the most comprehensive study Bible available No other study Bible does such a thorough job of explaining the historical context unfolding the meaning of the text and making it practical for your life Features include 125 page concordance including people and places More than 20 000 study notes charts maps outlines and articles from Dr John

God's Best Andrew Wommack, 2018-05-15 Divine health and prosperity are better than divine healing and provision If you live in divine health and prosperity you won't need a miracle to get healed or to pay your bills If you can't see the difference between the two that may be one reason you only visit God's best instead of truly living in it Most Christians live in a place where *Commentary on Romans* St. Thomas Aquinas, 2020-08-06 The Letter to the Romans has fascinated and perplexed readers ever since antiquity when the Church Fathers commented extensively on it St Thomas's Commentary on Romans the first in his series of majestic commentaries on Paul's letters stands out among commentaries on Paul's letters both ancient and modern as uniquely ample and refined Expansive in its broad theological concerns incisive in its attention to the nuances of Paul's elaborate and complex argument the Commentary on Romans shows the Angelic Doctor to be a singularly perceptive and insightful reader of the Apostle to the Gentiles Inheritor of the great centuries of Patristic exegesis tranquilly free from assumptions of later doctrinal disputes and bringing to bear a mind saturated with Scripture St Thomas was able to lecture on Romans with an accuracy and thoroughness of interpretation that has never been equaled The Essential

Analytical-Literal Translation of the Old Testament (Septuagint) - Volume One - The Torah Gary F.
Zeolla,2012-09-25 The Analytical Literal Translation of the Old Testament Septuagint Volume I The Torah ALT is a
companion to the Analytical Literal Translation of the New Testament Both are translated by Gary F Zeolla [www Zeolla org](http://www.Zeolla.org)
The ALT Old Testament is available in five volumes Most Old Testaments are based on the Hebrew text But this Old
Testament OT is based on the Greek Septuagint LXX The LXX is a third century B C Greek translation of the Hebrew Bible
The name and abbreviation comes from the tradition that 70 or 72 Jewish scholars worked on its translation six from each of
the 12 tribes of Israel The importance of the LXX is that it was THE Bible of the early Church The purpose of the ALT is to
provide a translation of the Greek Septuagint that will enable the reader to come as close to the Greek text as possible
without having to be proficient in Greek **The American Jewish Chronicle** ,1918
