Having My Way:

FINDING MY WAY Yavis Henry, 2022-09-16 This book is my testimony it was written to honor all the people who had helped me through all my life struggles I have been blessed beyond measure I didn't realize how far I had come in life until I started writing and documenting things that were of the most importance to me My story is not really a typical story however I do strongly believe that a lot of people can relate to it Most people can probably say that they have that first love that broke their heart in pieces that true best friend who's going to rock with on every level Everyone has made mistakes and has made bad decisions and has been in situations that have caused them to do things that they are not particularly proud of Life doesn't come with a list of instructions or a guide to help you along the way You just have to roll with the punches dust yourself off and keep trying until you get it right I have had so many people come and go in my life and I can honestly say that I have learned so many lessons on the way through all that laughter and tears from that heartache and pain So now I can truly say that I am proud to celebrate the good and the bad My mom and brother have been my constant support through it all I have used this book as a therapeutic measure to help me cope and let go of a lot of my anger and frustration because I have come to an understanding that those grudges have been stopping my blessings I have learned to work through my issues and move on It wasn't easy but through my faith in God I was able to find my peace

Finding Your Way To Heaven Without a Smartphone Joe Obidiegwu, 2015-08-11 In efforts to understand the human being our history and our future the story takes the reader through three different continents gleaned cultural well being and malaise of different races The book highlights the common bond between all human races while exploring reasons for the perceived outer differences our modern world hurtles forward driven as it is by powerful technological engines of change characterized by an obsessive and often idolatrous worship of intelligence ruminative men and women all around the world ponder in the silence of their soul the fate of humanity In the West depression suicide incomprehensible mass shootings and myriad psychological disorders litter our cultural landscape while abject poverty ravage developing nations We have become highly intelligent beings that cannot solve our problems yet we inhabit a natural world created out of wisdom and much of that wisdom is not reflected in our thoughts and lifestyle Modern man's obsession with intelligence and the material world has left him a stranger to spiritual things and wisdom Consequently humanity is left vulnerable to inexplicable and undiagnosed suffering in an attempt to diagnose what ails modern man this book presents a convincing and thought provoking argument that we have forgotten who we are and in so doing have built a world terribly out of order with our divine nature By walking the reader through my Nigerian upbringing and subsequent arrival in the West I reveal some timeless wisdom that I believe can serve as a cure for some of the things that trouble us today This inimitable book lights a path directing us again to who we truly are It is a timely and deft clarion call to all of us Finding Your Way to Heaven Without a Smartphone is a mixture of autobiography cultural inquiry and philosophy Joseph Obidiegwu an Igbo from Nigeria has lived on three continents He has the necessary

Apart at the Seams Marie Bostwick,2014 When her marriage of twenty six years seems to be coming apart at the seams Gayla flees to New Bern Connecticut to see if she can overcome the feelings of betrayal forgive her husband and create a new future Provided by publisher **Sex, Drugs & Jesus** De'Vannon Hubert,2022-03-28 Transparency is one of the most effective tools we have that can help us heal It can also help us understand ourselves better as well as other people What would you do if you believed you only had months to live How would you feel if your community was stolen from you Could you survive living on the streets for any length of time Can you imagine what it s like to try to find a job when you have felonies on your record Are there any words to describe the heart of a mother as she watches her youngest child die It s taken my whole life to realize that the main person I ve been battling against has been me As such my memoir delves into raw detail about my war with my myself I open up about my crystal meth addiction and how I became a drug dealer in Houston Tx The pain of growing up in poverty under the hand of an abusive dad is put on display as well The time I spent serving in the Air Force during Don t Ask Don t Tell and the promiscuity that went along with it is also divulged I talk about how I received my HIV diagnosis on a voicemail and my Hep B diagnosis in the postal mail My story gets more intense as I share about how I got 3 felonies the time I spent in jail and how I ended up homeless after S W A T kicked my door in I talk about the biggest heartbreak in my life which happened when I was kicked out of a megachurch that I had served with my whole soul for years just because I am a member of the 2SLGBTQIA community and refused to accept the conversion therapy package they offered So often people judge those who have been in similar situations My hope is that my honesty can offer a

glimpse into these issues from the inside rather than from the outside looking in I struggled with dividing my memoir into two separate books but I felt it would be more impactful to tell everything all at once My memoir is my testament and it s the greatest form of outreach I have ever offered to the world I hope that I can earn your trust and attention with the words I have written within these pages *The Works of John Locke, Esq* John Locke,1751 **Good Morning Message** Peggy Edwards,2010-08 This daily devotional book has been a God led inspiration from its very start up from its original Bible verse and note of encouragement to some coworkers and family members to people around the world via my email network Our God is so awesome I ve had people return emails to me or speak to me and ask How did you know that I needed that today or How did you know I was going through this That is when I thankfully remind them that God inspired each and every one of these devotionals I am just being faithful and following His directions Now I m led to put them into a year of daily devotions book to reach others Occasionally my emailed devotionals have colored photographs that I take as God inspired message for the day Unfortunately I couldn t include those in this book I did include a photo in grayscale at the beginning of each month the cover photo is a God blessed look at an Alaskan sunset I am so thankful that God is working in my life I want to encourage each of you to grasp hold of whatever gift He has blessed you with and step out in trust and faith to go forth and to share it with others When you feel down just start counting each of the blessings God has touched you with in your life and you will feel His Presence and comfort to encourage you We are never alone He is just a prayer away nothing is impossible for our God He is not done with us yet He is asking us to be obedient in our service to Him and He will help us grow in our faith Trust in Him and you will be astounded at what He has in store for you All the Year Round Charles Dickens,1861
