Hawaiian Interlude:

Hawaiian Interlude Dorothy Brenner Francis,1970 Hawaiian History Richard Lightner,2004-08-30 Hawaii has been referred to as the crossroads of the Pacific This book illustrates how many world cultures and customs meet in the Hawaiian Islands providing a chronological overview highlighted by extracts from important works that express Hawaii s unique history This work starts with chronological chapters on general and ancient Hawaiian history and continues through early Western contact the 19th century and Hawaii s annexation to the United States Topics include politics religion social issues business ethnic groups and race relations **Leveraging Sovereignty** J. Susan Corley,2022-09-30 Leveraging Sovereignty Kauikeaouli s Global Strategy for the Hawaiian Nation 1825 1854 examines the leadership of Hawai i s longest reigning monarch King Kamehameha III It highlights the early 1840s when Kauikeaouli secured recognition from the United States Britain and France that he ruled over an independent and sovereign Hawaiian state Britain and France however sought to limit his powers through forced extraterritorial treaties and the king struggled to regain ruling control over key governance functions At the same time foreign merchants and traders increasingly dominated Hawai i s economic activity demanded institutional and social changes and threatened to overwhelm the Hawaiian population already decimated by disease and out migration Kauikeaouli quickly responded to threats to the monarchy s power with a comprehensive strategy to regain and maintain full functional control In Leveraging Sovereignty J Susan Corley upends the popular narrative begun in Kauikeaouli s own lifetime that his white ministers ruled in his stead Adding a new layer of understanding Corley s meticulous research reveals insights into historical events and Kauikeaouli s reign She supports her findings of the king s policies and tactical negotiations with an extensive use of Kamehameha III s own commands as recorded in kingdom archives letters and documents from government records and contemporary Hawaiian and English language newspaper accounts While this book includes an overview of the kingdom s administrative structure in the 1840s its analysis focuses on the origination implementation and effectiveness of key statecraft tactics The king s carefully planned strategy relied on the acquisition of western ministerial skills and of an English language newspaper the Polynesian to publicly defend his sovereign rights and privileges at home and abroad He ensured the enactment of legislation to defeat foreigners challenges by strengthening juridical processes and safeguarding land title rights for Hawaiians and he deftly managed the multistage renegotiation of unequal international treaties By the end of his reign in 1854 Kamehameha III had succeeded The king had reclaimed unrestricted power and authority over all governance areas of the independent sovereign Hawaiian state He delivered to his successor Kamehameha IV a restructured constitutional state whose sovereign status was protected by the three maritime powers of that time *Hawaiian Ordeal* Michael Ewanchuk,1986 History of Ukrainian contract workers from Ukraine and Manchuria in the Hawaiian Islands **Catalog of Copyright Entries** ,1939 **United States Army Recruiting News** ,1939 **The Turning Point in US-Japan Relations** Misuzu Hanihara Chow,Kiyofuku Chuma,2016-06-30 This book
