Twilight Nights Paul D. Jones,2012-09-12 In writing this book I felt a need to explain how important it is that one knows himself herself while growing up in life which as you can see I didn't That inner feeling that I kept getting was the enemy trying to put me in a position I could never come out of It controlled me during most of my life There were always signs pointing to the right choices to make but when you are caught up in what you feel is the success of your life you never pay attention to those signs you go with the flow of the moment Twilight Nights has a second part to it that will explain in detail that recognition of signs and how to respond to them so you are aware of who is leading you It shouldn't take a life time to hear your calling unless you've been transformed into one that has become a part of this world Thank God he let me know I was not apart of this world just in this world and that's what saved me This book is a very interesting read and for those that just like entertainment you will get a thrill out of this book but for those looking for something else there is a message in this message that only the spirit of God can reveal The word of God says we fight against principalities and wicked spirits in high places Learn to know God so you can stand against the wiles of the enemy and his Spirit will guide you into his truth ENJOY
