Where the Great Hawk Flies Liza Ketchum, 2005 Years after a violent New England raid by the Redcoats and their Revolutionary War Indian allies two families one that suffered during that raid and one with an Indian mother and Patriot father become neighbors and must deal with past trauma and prejudices before they can help each other in the present Based on the author's family history Includes historical notes and notes on the Pequot Indians **Flying Above the Hindu Kush** M. L. Buchman, 2019-10-13 Night Stalkers Captain Tyra Walker flies deep into enemy territory It seems that flight has become her whole life's story whether in her Arkansas hometown or in a kick ass helicopter Delta operator Major Norm Lawrence stepped away from his past and only thinks about the next mission until Tyra crosses his path When Tyra's past meets Norm's present deep in the Hindu Kush Mountains a land where military arms flow from Pakistan into Afghanistan they'll need each other to survive the future New Warriors of Endos Bryan Laurence, 2024-03-25 Sergeant Deedee Contreras leads a SWAT team into a drug house occupied by militia terrorists who force her and her officers into a gunfight Suddenly Contreras and her team find themselves being tossed around by a tornado that hits on top of the house during the gun battle wreaking havoc and leaving her unconscious When she awakens she finds herself alone in an apocalyptic wasteland of war and death a warrior's world called Endos where her only companion is Tito a drug dog that chased her and her officers into the house before the tornado hit Desperate to find a way back to her team Deedee befriends a powerful female knight named Saradietus who imparts onto her the Boots of Power and sends her on a quest to meet with the Warlord of Soldier City an ally who has the power to send her back home During her quest she saves the lives of three warriors who swear an oath to repay her by helping fulfill her quest to get back to her fellow officers and in doing so becomes her new team All the while a powerful enemy by the name of Kiladris seeks to destroy Contreras and claim the boots for herself *New Warriors of Endos* is a science fiction action based adventure story that serves as a dark satire with adult themes fantastic violence and some social commentary *The Sparrowhawk* Ian Newton, 2010-11-30 Dr Newton is now a senior ornithologist with the Natural Environment Research Council and the book draws on his wide knowledge of the Sparrowhawk as well as that of other workers in Britain and abroad The text gives a detailed account of all aspects of the Sparrowhawk's lifestyle population levels and trends and the impact of man and environment on the species in recent times The book also has the benefit of Dr Newton's particular interest in population regulation and breeding performance and in the remarkable contrast in size between the Sparrowhawk sexes males being half the weight of females which means that they diverge almost as separate species in habitat preference diet and in response to circumstance The narrative is fully supported by diagrams tables and photographs and is embellished by Keith Brockie's evocative and accomplished drawings *New Medieval Literatures* David Lawton, Rita Copeland, Wendy Scase, 2003-12 *New Medieval Literatures* is an annual containing the best new interdisciplinary work in medieval textual studies Volume 6 deals in depth with one of the most important of medieval
