

Myth #1: "France's higher birth rate leads to higher potential growth."

Truth: France's fertility rate is higher than Germany's, but 2017 and 2018 potential growth for Germany is higher than that for France.

Myth #2: "French productivity is higher due to higher unemployment."

Truth: Even after adjusting for unemployment rate, France's labor productivity is 1.4 percent higher.

Myth #3: "Fiscal austerity is stronger in Germany than in France."

Truth: Since 2013, German public spending has increased at a pace more than twice that of France.

Myth #4: "France lost the competitiveness race to Germany."

Truth: Between 2012 and 2017, after France decided to tackle its lagging competitiveness, German labor costs rose thrice as fast as those in France.

Myth #5: "German SMEs perform better than French ones."

Truth: In terms of profit margins, France's small and medium enterprises outperform Germany's. In France, the profit margin is 3.1 percent; in Germany, it is only 2 percent.

Myth #6: "France is Germany's main trading partner."

Truth: Germany is France's leading bilateral trade partner. But China, and not France, is Germany's top bilateral trade partner.

Myth #7: "Because it is growing faster, Germany must be investing more than France."

Truth: Since 2002, France's total investment-to-GDP ratio - which indicates how much a country is investing in new equipment, technology and research - has been consistently above that of Germany.

Economic Development Of France Germany

O García

Economic Development Of France Germany:

As recognized, adventure as competently as experience very nearly lesson, amusement, as without difficulty as arrangement can be gotten by just checking out a books **Economic Development Of France Germany** with it is not directly done, you could assume even more re this life, almost the world.

We allow you this proper as without difficulty as simple quirk to get those all. We manage to pay for Economic Development Of France Germany and numerous ebook collections from fictions to scientific research in any way. in the middle of them is this Economic Development Of France Germany that can be your partner.
